401 West Main Street • Auburn, Washington 98001 • (253) 931-4990

Hello West Auburn families!

We miss you! I want to make sure you know the Auburn School District is providing breakfast and lunch to anyone age 18 and under throughout the community (as well as enrolled ASD students who are 19-21 years old). There is no paperwork and you do not have to qualify for free or reduced lunch. We are serving at 13 schools, 2 community sites and 50 bus stops throughout the district. Children may receive a meal at any school or bus stop. We are serving from 11 a.m. to 12:30 p.m. at the school sites, where you can pick up breakfast and lunch each day.

The sites closest to West Auburn are Washington Elementary and Auburn High School. You may want to visit a site closer to your home – see the attachment for a complete list of all sites. If you need breakfast and lunch, come get a Grab and Go meal. All of the detailed information is on the Auburn School District website.

Stay healthy!
