West Auburn Families and Students,

We are excited to welcome you to 4th Quarter and the kick-off of New Learning. Although the building is still closed, **classes are in session online.**

Students need to login to their school email and check their teachers' websites for their 4th Quarter classes. These sites will give them their google classroom codes and login. If students do not access these resources and complete work they will not earn 4th quarter credit. If students need technology resources or paper packets, please contact the school at 253-931-4900 or your student's individual teacher at (<https://www.auburn.wednet.edu/domain/4553>), so that we can ensure you receive these materials.

During this time, students should plan to participate in online instruction **Tuesday-Friday from 12:30-3:00pm.**
