INDIVIDUAL PICTURE DAY WAS A BIG SUCCESS

AJ students followed social distance procedures.

We had over 350 students come to AJ to have their picture taken. It was great to see our student's smiling faces.

AJ'S ANNUAL FALL CELEBRATION

Typically, each year we have a fall celebration costume parade and classroom party at the end of the day on October 30th. Since we are not currently in the building, and we wish to continue the annual tradition, we will take time on the afternoon of the 30th to share costumes with classmates. We will ask students to voluntarily share a picture of themselves so we may again include these in the yearbook, school news, end of the year slideshows, etc. as we typically have done in the past. Pictures will need to be shared with your teachers, who will in turn share to the Principal.

Costumes are certainly optional. If you wish to participate, feel free to wear your costume. As in previous years, and online as well, no costumes which promote, depict, or encourage violence, violent behavior or violent symbolism will be allowed online. Face painting, make up, and masks will be allowed online for taking a photo. No weapons, or any item that could be construed as a weapon, will be allowed which would violate school policy.

Following tradition, many of the staff will be dressing for the occasion. Parents are welcome to join in as well online in costume and share pictures with teachers.
