

<b>FINAL:</b>	Semester Final assessment, project, presentation, report, analysis, discussions, project or problem based assignments will have weight to help improve a student's current measurement of learning. There needs to be a reason for students doing their best.														
<b>CLASS:</b>	For classes that have already had their final, be sure to offer activities aligned to course standards or frameworks. If a movie is used, it needs to be aligned with course standards and there needs to be a way for students to improve their learning (and subsequently their grade). We have plenty of students at AHS who could use this time to get in late work or to retake quizzes/tests per your classroom policy & practice.														
<b>NOTE:</b>	Our finals format for 2022-23 will need to be a Monday through Thursday format as Friday is the official SEM 1 grading day.

<b>TIGHTS</b>	The schedule above must be followed to assure that students have an opportunity to do as well as possible on their final semester or mid-year assessment. All classes are expected to have something attached to course standards or frameworks to demonstrate what students have learned either comprehensively, or from the current learning module. <b>Please do not show movies or use time fillers.</b> Please make classtime count.														
<b>HALL PASSES</b>	Please be tight with hall passes and please monitor them so that only one student is out at a time. Also, in past years students have used or tried to use passes to go down to PE and to the Auburn Cafe. Please do not send students to a different classroom, or location even when they tell you it's okay with the other staff member. The default response is "no." If a different teacher or staff member must work with a student, they will ask you personally if that is okay. THANK YOU for this ahead of time.														
<b>Only 50 Min</b>	If 50 minutes is not enough time, schedule those project or process types of final or mid-year assessments so that they are started during the week of January 17th.														
<b>MAKE UP FINALS</b>	When/if a student misses their final, please work with the student in scheduling their make up. Please be aware that we are making a strong effort to limit finals to 2 per day. Grades are due at 3pm on Friday, January 27, but all teachers have the power of a grade change at a later date. The first 3 to 4 weeks of 2nd Semester Troy Time will be to work on 1st Semester Es and Fs. A Semester grade can be changed by the teacher once the final graded assessment/activity is completed. Teachers who are uncertain how to change a student's grade please ask your department chair or your evaluating administrator. Grade changes will go through our Registrar, Anngie Woodward.														
<b>TROY TIME</b>	Troy Time during Finals Week will be for Assigned Intervention and for Student Requests. Students in HOME Troy Locations who seem to have nothing to do should be reminded to take care of any unfinished XELLO lessons. 9th, 11th, and 12th should be finished with Lessons 1, 2, 3, and 4 by 1/26/23 to be caught up. 10th graders should be finished with Lessons 1, 2, and 3.														
<b>FRIDAY</b>	Friday, January 27th is a Secondary Grading Day - No School for Secondary Students
