

# SBA TESTING:

8<sup>th</sup> Grade ONLY - Science SBA Testing

These testing sessions will be 7:40 AM to 10:30 AM, please try your best to help get your child to school on time and please try your best to avoid taking your child out of school during this time as much as possible. After testing, we will have a modified schedule and shortened periods.

CHROMEBOOK and CHARGER: Please make sure your child has a fully charged Chromebook and that they bring their charger to school as well. Having cell phones out during a testing session is considered a “security breach.”

Our Rainier students have been doing such a great job with our new cell phone policy and we want to thank our parents and guardians for supporting this positive change to our environment.

**Please** also remind your child that having Air pods or other cell phone accessories like this are also not allowed as there will be headphones available for them to use for testing.

Thanks for all your help and support from home!
