# Meet our Kindergarten Teachers

*Lake View Cardinals*

# Mrs. Udd

A little bit about Mrs. Udd! I graduated from Central Washington University in 2007 with my bachelors in Elementary Education and with an additional endorsement in Early Childhood Education. I also obtained my Masters in Learning and Technology from WGU in 2018. I have two children who both attend Auburn High School. An interesting fact about my family is that my husband went to Lake View when he was in school! I love the theater, singing, dancing, and the Seahawks! When I was a little girl I wanted to be a Rockefeller Center Rockette, or a teacher. I think one out of two isn't all that bad! I will only have your child for a short time so I want to make a contribution that will last a lifetime. I value social emotional learning just as much as academics. I know my teaching must begin with making children feel at home in the classroom and helping all the children come together into a learning community. This community is made up of unique individuals, each with his or her learning style, interests, history, hopes, and dreams. I look forward to spending the year with your children watching them constantly learning and growing!

# Mrs. Sears

Welcome Families! I am excited to be a part of the Auburn School District. I was an Auburn Alumni, K-12! I earned my BA in Elementary Education from Central Washington University. And I did my Masters Program in Early Childhood Education from American College of Education. I love being a mom of four children and am happily married for 25 years! I love family time, watching my girls' swim meets and walking my dog. I have been teaching kindergarten for 14 years and was a paraeducator before that. I believe that every child is a unique individual with their own strengths, needs, and interests. It is my role as a teacher to create a safe and nurturing environment that allows each child to develop at their own pace in their own way. Learning should be fun and engaging. I strive to create an environment that fosters creativity, curiosity and a love of learning. Social emotional development and classroom culture is just as important as academic development. In my classroom, I promote positive social interactions, encourage empathy and kindness, and provide opportunities for children to develop their self-esteem and confidence. I am committed to working in partnership with you to support your child's growth and development. I welcome your input, questions and feedback and look for to a wonderful year of learning and exploration with your child.

# Mrs. Lockett

I am a proud product of the Auburn School District, having attended Chinook Elementary, Olympic Middle School and Auburn High School! I love watching my high school daughter dance, watching movies, doing crafts, cheering the Seahawks and spending time with my family. I earned a dual endorsement Bachelors degree in Elementary Education and Early Childhood Education from Central Washington University and I received my Masters degree in Learning and Technology from WGU. This will be my thirteenth year teaching and my tenth year teaching kindergarten. I believe that kindergarten is the year that sets students up for a love of learning for the rest of their lives! My goal is that your child is excited to come to school everyday! I believe that social emotional learning creates the basis for academic success. I work hard to make our classroom feel like a family while we are at school. I recognize that each student contributes their own personality and experiences to the classroom and we celebrate our individual uniqueness, together. I strive to include families in our classroom culture through open and supportive communication. I take the responsibility of being a part of your student's life seriously, and I am excited to get to know your child and your family this coming year!

# Information

*Lake View Cardinals*

# Things to Know:

Your child must turn 5 by August 31st to be eligible for Kindergarten.

Kindergarten school day 9:25 am–3:55 pm.

A letter will be sent to your home at the end of August notifying you of the tentative teacher assignment.

# Communication:

- ◎ Call or email if your child will not be at school.
- ◎ Keep the office informed of new phone numbers.
- ◎ Call as early as possible if your child has a different transportation routine.
- ◎ Call us with any questions: 253-931-4830.
- ◎ School office hours: 8:15 am - 4:45 pm.
