Lakeland Hills Elementary Giving Tree

The Lakeland Hills Elementary Giving Tree is an opportunity we offer for the families of Lakeland Hills. The Holidays in this economy can be a trying time for some families, and we would like to provide gifts for those who are in need. The Giving Tree is not intended to provide a large or lavish gift experience, but its intention is to provide modest gifts for families in need. Modest gifts like clothes, coats, shoes, gloves, and smaller toys would be some examples.

If you would like to be added to the confidential Lakeland Hills Holiday Giving Tree please contact me at LLH. The names of your family are kept confidential. Call or email to **nominate yourself** by **FRIDAY DECEMBER 1st** to qualify for the tree.

**Thank you so much and
Happy Holidays!!**

Auburn School District Replacement Levy on February 13 Ballot

The Auburn School District Board of Directors unanimously approved placing a four-year Educational Programs and Operations (EP&O) Replacement Levy on the February 13 ballot.

The EP&O levy replaces the 2020 levy that expires in 2024 and provides 14% of the ASD budget. Funds from the levy are used for: all athletics and activities; family engagement staff and activities; special education programs and transportation; staffing underfunded by the state including nurses, security officers, school resource officers, psychologists and library staff; maintenance, transportation and extended learning opportunities.

The district will collect no more than \$2.50 per \$1,000 of assessed valuation in each of the levy years. The levy will collect \$51.8 million in 2025; \$54.4 million in 2026; \$57.1 million in 2027 and \$60 million in 2028. The total tax rate will not increase.

Detailed information about the replacement levy is available on the ASD website at www.auburn.wednet.edu/2024levy.
