2. State Board Waiver Application and Resolution

On Monday, August 22, 2016, the board approved Resolution No. 1225-Waiver from Minimum 180-day School Year Requirement and application plan for a waiver from the minimum 180-day school year requirement. As a result of feedback on our waiver request from the state board of education, it has been recommended that the Auburn School District apply for a one-year waiver instead of a three-year waiver. In order to comply with this recommendation, Heidi Harris, assistant superintendent K-12 student learning, will present new board Resolution No. 1226-Waiver from Minimum 180-day School Year Requirement.

Recommendation:

That the board replace Resolution No. 1225-Waiver from Minimum 180-day School Year Requirement with Resolution No. 1226-Waiver from Minimum 180-day School Year Requirement for approval and application for submittal to the State Board of Education.
