STUDENT AND STAFF RECOGNITION

1. Recognition of Student

The Auburn School District Board of Directors will recognize Liana Onishchenko, a fourth grade student at Dick Scobee Elementary, for being an outstanding student.

Liana arrives to school early every day. She walks smaller kids to their lines in the courtyard. She helps the kindergarten students by working with staff members to make sure the kindergarteners get on the right bus. She offers her recess time to be a lunch helper and to help kindergarten classes.

Liana goes above and beyond to help others. She is bilingual and, without being asked, often helps her peers who have limited English skills.

She works diligently and respectfully in class. She puts 100 percent effort into every task she is given. Her persistence and effort in class demonstrate her dedication.

Her teacher, Brianna Jensen, said, "Liana is respectful, kind, and a hard worker. She deserves to be the student of the month!"

Liana's favorite subject at school is math. When she grows up, she wants to become a teacher. When not at school, she enjoys playing beach ball tennis with her father.

2. Recognition of Staff

The Auburn School District Board of Directors will recognize Amanda Roberson, counselor at Lakeland Hills Elementary, for her outstanding service.

Amanda has been a counselor in the Auburn School District for 14 years. After working at Chinook and Arthur Jacobsen, she is in her sixth year at Lakeland Hills.

She loves working with children and all of the different components that make up her counseling job. "There is so much joy in my job," she said.

Amanda teaches anti-bullying, conflict resolution, grief lessons, personal safety, on-line safety and more. She coordinates the on-line and highly capable testing. She organizes the Giving Tree, the Greeter program and manages attendance rates. She helps families and students with a wide variety of needs.

Her impacts go beyond her school, too. She is on the district emergency planning committee, mentors new counselors, and leads a sub-group about crisis response procedures.

Principal Colleen Barlow said, "Amanda is an unbelievable support for students, staff, and families at Lakeland Hills. She is a vital staff member."

Amanda is a native of Enumclaw and, seven years ago, purchased and returned to her childhood home. She earned her bachelor's and master's from the University of Puget Sound. She and husband, Mark, have three children ages 25, 16, and 15. When not at school, Amanda loves to run, play soccer, hike and travel. This summer she visited New York City and Niagara Falls, her new favorite vacation destination.

STUDENT PARTICIPATION

1. Dick Scobee Elementary School PTA Report

Ryan Foster, associate superintendent of principal leadership and school programs, will introduce Adam Couch, Dick Scobee Elementary School principal, who will introduce Shannon Minerich and Kristin Wells, Dick Scobee Elementary School PTA president and secretary, respectively, who will present the Dick Scobee Elementary School PTA report and answer questions from the board.

2. Activity/Athletic Report–Dick Scobee Elementary School Robotics Club

Ryan Foster will reintroduce Adam Couch, who will introduce Mark Ziegler, Dick Scobee Elementary School staff member, who will introduce Austin Linn and Jose Carrasco, students. The team will share information about the Robotics Club at Dick Scobee Elementary School and answer questions from the board.

3. Activity/Athletic Report–Dick Scobee Elementary School African History Club

Adam Couch will also introduce Glenn Jenkins, Dick Scobee Elementary School teacher, who will reintroduce Austin Linn to share information about the African History Club at Dick Scobee Elementary School and answer questions from the board.

4. High School Proms

Richard Zimmerman, Auburn High School principal, will introduce Jennifer Skeel, senior class advisor, who will introduce Grace Choe, senior class president, and Anevay Avila, senior class vice president. Andrea McHenry, Auburn Mountainview High School assistant principal, will introduce Nolan Suko, senior class president, and Ahlaya Tiimalu, historian. Meri Benedict, Auburn Riverside High activities director, will introduce Sue Neu, senior class advisor, who will introduce Abby Amis, senior class president, and Catie Sergis, senior class vice president. The students will report on prom plans for their respective schools and request permission to hold their proms as indicated below:

- Auburn High School, Georgetown Ballroom, Seattle, June 10, 2017, from 8:00 p.m. to 11:00 p.m.
- Auburn Mountainview High School, LeMay Car Museum, Tacoma, June 10, 2017, from 9 p.m. to midnight.
- Auburn Riverside High School, E.M.P., Seattle, April 29, 2017, from 8:00 p.m. to 11:00 p.m.

Recommendation:

That the board approve prom plans as outlined and presented.

5. Requests for Travel

- a. Twelve Auburn High School students request permission to travel to Cheney, Friday to Saturday, October 14-15. The purpose of the trip is to compete in the Cheney Swim Invitational. Lodging will be at the Super 8 hotel, meals will be at local restaurants, and travel will be by rental vehicles. All expenses will be paid by ASB funds. Katie Henry, Michaela Herrera, and Kelsi Potter, Auburn High School coaches, request permission to accompany the students. No substitutes will be needed.
- b. Twenty-four Auburn Riverside High School students request permission to travel to Victoria, British Columbia, Canada, Friday to Sunday, October 28-30. The purpose of the trip is to compete in the Spooktacular Water Polo Tournament. Lodging will be at the Travelodge, meals will be at local restaurants, and travel will be by private vehicles. Lodging and travel expenses will be paid by ASB funds and students will pay for their own meals. Mike Van Eaton and Kyle Ridge, Auburn Riverside High School coaches, request permission to accompany the students. Two substitutes will be needed for one day.

Christina Celfer, Jeff Jones, Ann Perry, Tom Marchant, and Josh and Jessica Kuich, parent chaperones, request permission to accompany the students.

- c. Sixteen Auburn Mountainview High School students request permission to travel to Seaside, Oregon, Friday to Saturday, September 16-17. (This trip was originally presented and approved at the September 12, 2016, board meeting for travel dates September 20-21 which was incorrect.) The purpose of the trip is to compete in the Seaside Invitational. Lodging and meals will be at Camp Rilea and travel will be by rental vehicles. Tim Tubbs and Julianne Rambow, Auburn Mountainview High School coaches, request permission to accompany the students. One substitute is needed for one day.

Recommendation:

That the above trips be approved as requested.

SCHOOL PROGRAMS AND STUDENT ACHIEVEMENT

1. 2016-19 Dick Scobee Elementary School Improvement Plan

Ryan Foster will introduce Adam Couch, who will introduce Beth Raines, Amanda Brooks, and Mark Ziegler, Dick Scobee Elementary School staff, and Kristin Wells and Ayrion Hawkins, parents. The team will present the 2016-19 Dick Scobee Elementary School Improvement Plan, share a PowerPoint presentation, and answer questions from the board. This presentation aligns with the 2013-16 district strategic plan, goal 1: student achievement, objective 2 school improvement plans; and the 2015-2016 stated district goals, standard III "create conditions district wide for student and staff success."

Recommendation: That the board approve the 2016-19 Dick Scobee Elementary School Improvement Plan.

2. Early Learning

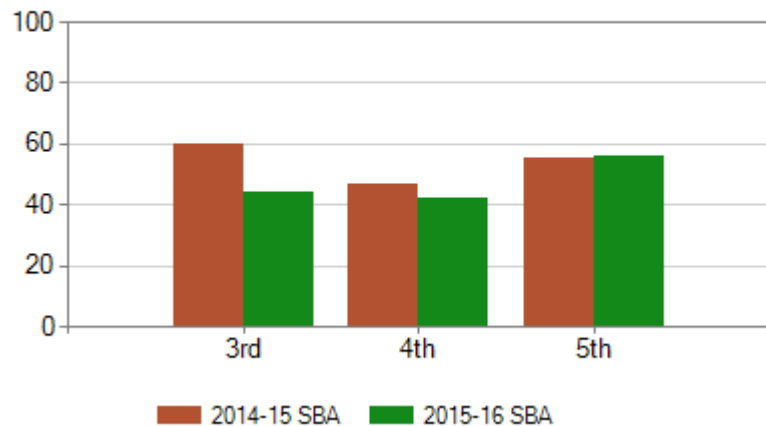

Rhonda Larson, assistant superintendent of family engagement and student success, will introduce Tami Petrina, student special services executive director, who will introduce Nicole Budzynski, early childhood coordinator, to present an overview of Auburn's current early learning programs, the district's work in the area of P3 by current and past attendees of the University of Washington P3 Executive Leadership Institute, and the importance of family engagement, community collaboration and student learning.

SMART Goals

SMART Goal 1:

We will improve the percentage of 3rd graders meeting standard from 60% in 2014-2015 to 81% in 2018-2019 as measured by the Smarter Balance Computer Adaptive Test (CAT).

SMART Goal 2:

Male scores will improve by 7% from spring of 2015 to spring of 2019 as measured by the Smarter Balance math assessment.

SMART Goal 3:

Out of class time score will decrease by 15% from 82.9 hours in spring of 2015 to 70.47 hours in spring of 2019.

(This score is generated through the following formula: Attendance Score + Behavior Score + Calendar Score = “Out of class time score”)

Attendance	Behavior	Calendar	Total “Intended Hours”
$\frac{(\text{Absences} + (\text{Tardies} * .33))}{\text{Total Enrollment}}$ = Avg # hrs lost/student/year	Total ODR's / Enrollment *.5 = Avg # hrs lost/student/year	Last full day of school + PLC's (1 hr ea) + (# of field trips * 4.25) + (# of assemblies * 2 hrs) = Avg # hrs lost/student/year	(177 Days * 4.25 learning hrs/day) - 5 hrs (Conferences/Thanksgiving -8.5 hrs (1 day and Last day) = 738.75 hrs of real intended learning time

Aspiration:

The Auburn School District aspires to be a world-class education system preparing all students to be globally competitive for career, for college, and for life in the twenty-first century.

District Goal 1: Student Achievement

All staff in the Auburn School District provide support, leadership, and guidance to ensure each student meets or exceeds state and district standards, graduates on time, and is prepared for career and college.

District Goal 2: Community Engagements

All staff in the Auburn School District are accountable for engaging its diverse community as partners to support and sustain a world-class education system.

District Goal 3: Policies and Resource Management

Auburn School District policies and resources are aligned to the strategic plan.

Executive Summary – SWT 1

Comprehensive Needs Assessment

Auburn School District Mission

In a safe environment, all students will achieve high standards of learning in order to become ethically responsible decision makers and lifelong learners.

Auburn School District Vision

The vision of Auburn School District is to develop in students the skills and attitudes that will maximize their potential for lifelong learning and ethically responsible decision making.

School Mission

Motto: Only as far as we dream can we go!

At Dick Scobee Elementary School, we empower students to learn – no excuses!

We are committed to our belief statements:

- Students and staff will pursue learning and will meet high standards.
- All students must take an active part in their education.
- Students learn best when students, parents, and staff work together.
- High expectations and hard work lead to success.
- Each and every individual will be held in high regard and treated with respect by students, staff and community.
- A safe and healthy environment promotes learning.

School Vision

At Dick Scobee Elementary we empower students to learn – no excuses!

Background Information

WAC 180-16-220

Requirements for School Improvement Plan

Each school shall be approved annually by the school board of directors under an approval process determined by the district board of directors and “At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan.” School Improvement plans must include a brief summary of use of data to establish improvement; acknowledging the use of data which may include DIBELS, MAP, WELPA, Credit Attainment, Enrollment in Honors/AP Courses, CEE Perceptual Data, SAT/ACT, Discipline, and MSP or HSPE.

Stakeholder Input

Dick Scobee staff members were organized into three sub committees (Reading, Math, and Environment). These SIP teams met on a monthly basis in sub groups to work on each step of the SIP process. First, historical schoolwide data was reviewed by each sub group during a staff data carousel/review meeting. Committees then researched, developed action steps or SMART Goals and an Action Plan was developed. The plan was shared with stakeholders for agreement and approval.

Highly Qualified Staff – SWT 3

High Quality, Highly Qualified Teachers – SWT 5

Demographic

Students served by Dick Scobee Elementary school represent some of the greatest challenges in the Auburn School District. Eighty percent of all students qualify for free and reduced lunch; family mobility rate is thirty-eight percent; and over twenty-five percent of our students qualify for ELL (English Language Learners) services. As of October 1st, 2014, Dick Scobee Students were 11.4% Asian/Pacific Islander, 10.1% black, 25.3% Hispanic, 40.4% White, and 12.5% Two or More Races. A large portion of our parents are residents of a King County Housing Authority apartment complex. Many of these families speak little to no English at home creating a greater challenge than our student percentages would indicate. Trends for demographics for the last 5 years are described in the table below:

	2011-2012	2012-2013	2013-2014	2014-2015	2015-1016
Free/Reduced Lunch	61.6%	68.3%	73.8%	77.6%	82.3%
ELL	20.4%	24.7%	27.5%	29.4%	25.7%
White	53.5%	49.2%	49%	46.2	40.4%

SIP Template

Discipline

During the 2013-2014 school year there were 308 office referrals recorded in Skyward. In 2014-2015, there were 1,218 recorded. As of April 25th, 2016 our current office discipline referrals were 523. The SIP team noticed there are many discrepancies within the discipline data. In 2014-2015, our Student Support Specialist was added to our personnel that helped deal with discipline issues, which resulted in a more consistent and effective referral process. This would account for the spike in referrals from 2013-2014 to 2014-2015.

Attendance

During the 2013-2014 school year the absence rate was 6.33%, compared to the tardy rate of 4.01%. This relates to the absence rate of 7.80% and 4.40% tardies throughout the 2014-2015 school year. Our current absence rate is 7.80%, with a tardy rate of 3.8% (as of 2nd trimester for 2015-2016). As our demographics have changed (by looking at our free and reduced lunch rate), our SIP team noticed that our attendance and tardy percentages rise. Even though our building has taken steps to increase attendance rates, this still continues to be a struggle for our building.

DIBELS

At Dick Scobee, we participated in a data carousel around ELA data. We used DIBELS, MSP and SBA scores to analyze the needs of our building. We compared scores from 2011-2012 to 2014-2015. Specifically in DIBELS, we compared the number of intensive and benchmark students in September versus June, and how that growth compared to not only our school but the district as well. When we looked at the state assessment results, we compared the number of students passing between our school, district, and the state. We then looked at the difference between Dick Scobee versus the state and Auburn School District. Our data carousel also included analysis of specific subgroups within our building including: 3rd, 4th, 5th grade students, Special Education, ELL, Hispanic, Male and Female students.

WELPA (ELPA 21)

At Dick Scobee Elementary, our ELL students perform low on the WELPA (ELPA 21) assessment. Our most recent data shows that we retain a larger number of students on Level 1-3, but do not often move students to Level 4. This results in low exit numbers and we often have ELL students that we monitor through additional assessments to see if they need additional ELL support. We have also consistently increased in our total number of ELL students that are being served each year.

CEE Perceptual Survey

The CEE Perceptual Survey demonstrated significant gains in all areas. In particular, in Parent and Community Involvement which has historically been an area of struggle. In 2012, this area scored 40%, whereas in 2014 this grew to a total of 60% (a gain of 20%). Areas where we continue to need improvement are Cultural Responsiveness, Collaboration and Communication and District Support for Improvement.

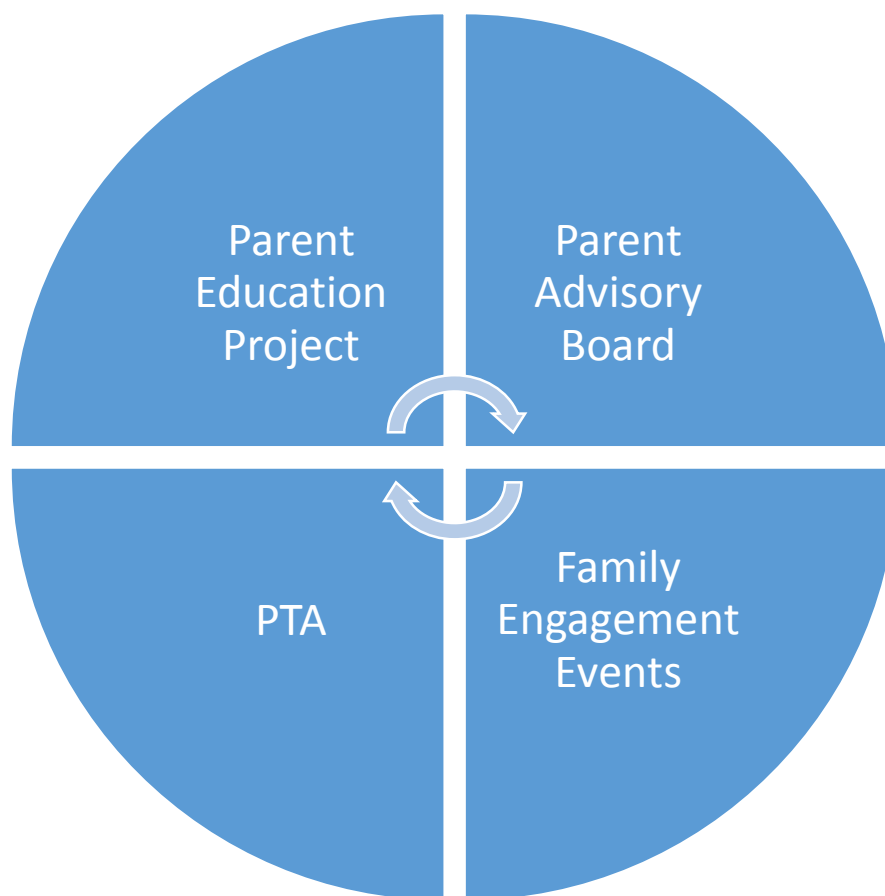

SIP Template

SBA ELA & Math

When we looked at the state assessment results, we compared the number of students passing between our school, district, and the state. We then looked at the difference between our school versus the state, along with our school versus the district. Our data carousel also included analysis of specific subgroups within our building including: 3rd, 4th, 5th grade students, Special Education, ELL, Hispanic, Male and Female students.

Parent Involvement – SWT 6

Dick Scobee Elementary has a four-pronged approach to Parent Involvement:

Parent Education Project

This is a series of classes that parents and guardians are invited to attend. The goal is to create capacity within our families to be able to successfully support their child in navigating the public education system. The class topics are described below:

- 8 Sessions
 - Understanding the Public School System

SIP Template

- Basic Education Rights and School Policy
- Communicating with Your Childs' School
- School Discipline Process
- Bullying, Intimidation, and Harassment
- Cyber-safety and Social Media
- Attendance and Academics
- Support and Special Services
- Becoming an Academic Partner (advocacy, recruitment, & feedback)

Parent Advisory Board

This is a small group of parents who represent a cross-section of our student demographics. The purpose of this group is to be a voice for parents, a voice to parents, and to provide authentic input for decisions made in the school house. These individuals also serve on our School Improvement Plan Committees.

Family Engagement Events

We host monthly events for our students and families to gather together for a range of purposes. Some of the events are simply fun and focused on family connection like our Winter Wonderland Craft Night. Some of the events are planned to support parents in the area of academic resources such as how to help their child with reading and math at home. Every spring, through a team made up of both staff and parents, a Multicultural Night is planned. This is an opportunity for our families to share with one another the unique contributions of their cultures.

PTA

The Parent Teacher Association is created by parents/teachers to raise money and support student learning, enrichment, and the goals of the school. They support field trips, incentives, movie nights and much more.

Assessment Decisions – SWT 8

In ELA, DIBELS is our primary filter for establishing leveled reading CORE groups as well as our Tier II leveled reading groups. Both words per minute and accuracy data are analyzed for these decisions. While DIBELS is the primary filter in K-2, additional assessments are also used to drive instruction. Early Reading Intervention (ERI) assessment results are analyzed in Kindergarten, whereas Read Well unit assessment results are discussed in grades 1-2. While DIBELS is also a primary filter in grades 3-5, they also use MAPS and SBA scores for additional information. All grade levels use Common Formative Assessments to make instructional decisions regarding the progress of students and/or need for additional remediation. At various grade levels additional diagnostic assessments are used to target specific deficits for students for the purpose of targeted assistance.

SIP Template

In Math, Common Formative Assessments, Unit Pre-Assessments, and district provided Engage New York Summative Assessments are used for grades K-5. Additionally, we utilize building wide monthly fact fluency assessments. MAPS and SBA results are also analyzed for grades 3-5 in order to provide information regarding systemic needs and targeted support for students.

Effective, Timely Assistance – SWT 9

Through our routine monitoring of grade level and building wide data, interventions and acceleration is planned, implemented, and monitored. In both ELA and Math there is weekly data, monthly progress monitoring, and building wide data meetings three times a year. Our building utilizes instructional coaching cycles through the use of a building Instruction Specialist, Principal, and Student Support Specialist. There has been a culture of co-teaching, collaboration and peer observation developed as well.

Prioritized Challenges

To provide consistency, all three SIP sub-committees utilized the same strategies to prioritize our challenges for our building. Each sub-committee met to analyze the data from each area, which also included parent input. By using the data, each sub-committee compiled a list of strengths and weaknesses. At the conclusion of that meeting, the sub-committee chairs then organized all of the ideas from team members and looked for commonalities. As we continued to analyze the results, the sub-committee chairs then produced a document that listed common strengths and weaknesses to each team. The areas that were consistently recognized by the team provided the direction to create each SMART goal. The SMART goals were then taken back to each sub-committee for confirmation and then ideas for action steps were compiled. The sub-committee chairs were then able to enter the suggestions into an Action Step Prioritization tool, which helped to aid in ranking of highest need. From that tool, action steps were finalized and then shared back with building staff.

ELA

- Our male third grade state assessment scores have declined by 21.7% from 2012-2015.
- In 2014-15 3rd grade gained 13% more intensive students from the start of the year to the end of year.
- In 2014-2015 the number of benchmark 3rd graders (as measured by DIBELS) fell 22% from start of year to end of year.
- Historically, our 3rd grade students struggle with reaching benchmark in fluency. Research shows that students who struggle with reading fluency, generally have more difficulty comprehending what is read because their focus is on decoding all the words instead of understanding what those words mean. As a building, we need to get our students to read fluently prior to reaching 3rd grade, in order for those students to spend more time reading to learn and focusing on comprehension strategies.

Math

- Male 3rd grade students decreased from 76% passing the math MSP in 2012-2013 to 45% passing in 2014-2015.
- In 4th grade, male students are still 9.8% lower than the state average on MSP in 2014-2015.
- On average, 5th grade male scores have dropped by over 15% from 2012-2013. There was only a 1% difference in scores between 2013-2014 and 2014-2015, which accounts for the change in standards and state test.
- On average, the discrepancies between 3rd, 4th, and 5th male and female scores for the state versus the district, varied between 1-3% over two years. At Dick Scobee, the male scores have continued to drop and have reached an 11% difference compared to the female scores in math.

Environment

- In the top 5 referrals for 2014/15 there was a significant gain in the areas of non-compliance, physical aggression, inappropriate behavior, and disrespect.
- Based on student data from the CEE survey, 34% of students believe they cannot change how smart they are.
- In October of 2012 there was about 2.5 office referrals per day compared to October of 2014 in which there was about 6.5 per day.
- Although we have brought the absentee rate down overall, we are currently at 52% (total number of day missed schoolwide).
- On average in 2013-2014, males missed approximately 2,000 intensive instructional hours (4) per day due to absences. Compared to 2014-2015, males missed approximately 600 intensive instructional hours due to absences. Despite the decrease, absences still continue to be an issue.

SMART Goal 1:

We will improve the percentage of 3rd graders meeting standard from 60% in 2014-2015 to 81% in 2018-2019 as measured by the Smarter Balance Computer Adaptive Test (CAT).

SMART Goal 2:

Male scores will improve by 7% from spring of 2015 to spring of 2019 as measured by the Smarter Balance math assessment.

SMART Goal 3:

Out of class time score will decrease by 15% from 82.9 in spring of 2015 to 70.47 in spring of 2019. (This score is generated through the following formula:

Attendance Score + Behavior Score + Calendar Score = “Out of class time score”

Attendance	Behavior	Calendar	Total “Intended Hours”
$\frac{(\text{Absences} + (\text{Tardies} * .33))}{\text{Total Enrollment}}$ = Avg # hrs lost/student/year	$\frac{\text{Total ODR's}}{\text{Enrollment}} * .5$ = Avg # hrs lost/student/year	$\begin{aligned} &\text{Last full day of school} \\ &+ \text{PLC's (1 hr ea)} \\ &+ (\# \text{ of field trips } 8 \\ &\quad 4.25) \\ &+ (\# \text{ of assemblies } * 2 \\ &\quad \text{hrs}) \end{aligned}$ = Avg # hrs lost/student/year	$\begin{aligned} &(177 \text{ Days} * 4.25 \text{ learning} \\ &\text{hrs/day}) \\ &- 5 \text{ hrs} \\ &\text{(Conferences/Thanksgiving)} \\ &- 8.5 \text{ hrs (1 day and Last day)} \end{aligned}$ = 738.75 hrs of real intended learning time

Early Learning

Auburn School District

Nikki Budzynski, Adam Couch, Tom Dudley, Brendan Jeffreys

Why Early Learning?

“Developmental science has long identified the years from birth through age 8 (the age at which most children are in third grade) as a critical period during which children’s educational pathways are set. Brain science tells us that it becomes more difficult - not to mention more expensive - to close achievement gaps in populations of older children.”

“Development during the preschool through third-grade years sets the tone for children’s later educational and lifelong success.”

“It is during these [birth through third grade] years that children acquire the skills, behaviors, and dispositions that are foundational as they transition to later learning.”

Developmental Preschool in Auburn:

ECE

- 8 classrooms, AM/PM sessions
- 8 students with IEPs + 8 tuition paying peer models
- 6 elementary schools

Extended Day

- 2 classrooms: preK in AM + extended programming for children with Autism
- Research based practice, modeled after program at University of Washington

Other Models

- 1 itinerant teacher serving children with special needs and partnering with teachers in our Head Start and ECEAP programs
- 1 blended ECE and ECEAP program

ECE

Curriculum:

- Houghton Mifflin
- Second Step
- Social Thinking
- Engage New York
- Handwriting Without Tears
- Common Sense Media

Classes Tuesday - Friday,
Mondays are typically reserved for:

- Family Community Connections
- Program Outreach
- Home Visits
- Child Find
- 0-3 Evaluations
- IEP Meetings
- Team Meetings

Head Start/ECEAP:

Head Start

- federally funded preschool for at-risk children/low income families
- 5 days/week
- 3 locations, 6 sessions

Early Childhood Education and Assistance Program (ECEAP)

- state funded preschool for low income and at-risk families
- 4 days/week
- 2 locations, 4 sessions (including blended model)

Rigorous program requirements include the use of Creative Curriculum/Teaching Strategies GOLD and participation in the Early Achievers Rating System

Preschool Enrollment:

2013-2014: started at 99 students with special needs, ended at 165

2014-2015: started at 117, ended at 169

2015-2016: started at 100, ended at 173

Fall 2016: starting at 125

+ Full enrollment of peers, Head Start, and ECEAP

- Currently space for 172 students with IEPs across programs,
 - 144 in ECE
 - 12 in Head Start/ECEAP
 - 16 in blended ECE/ECEAP
- 144 peer models, ECE

Head Start:

- 114 slots

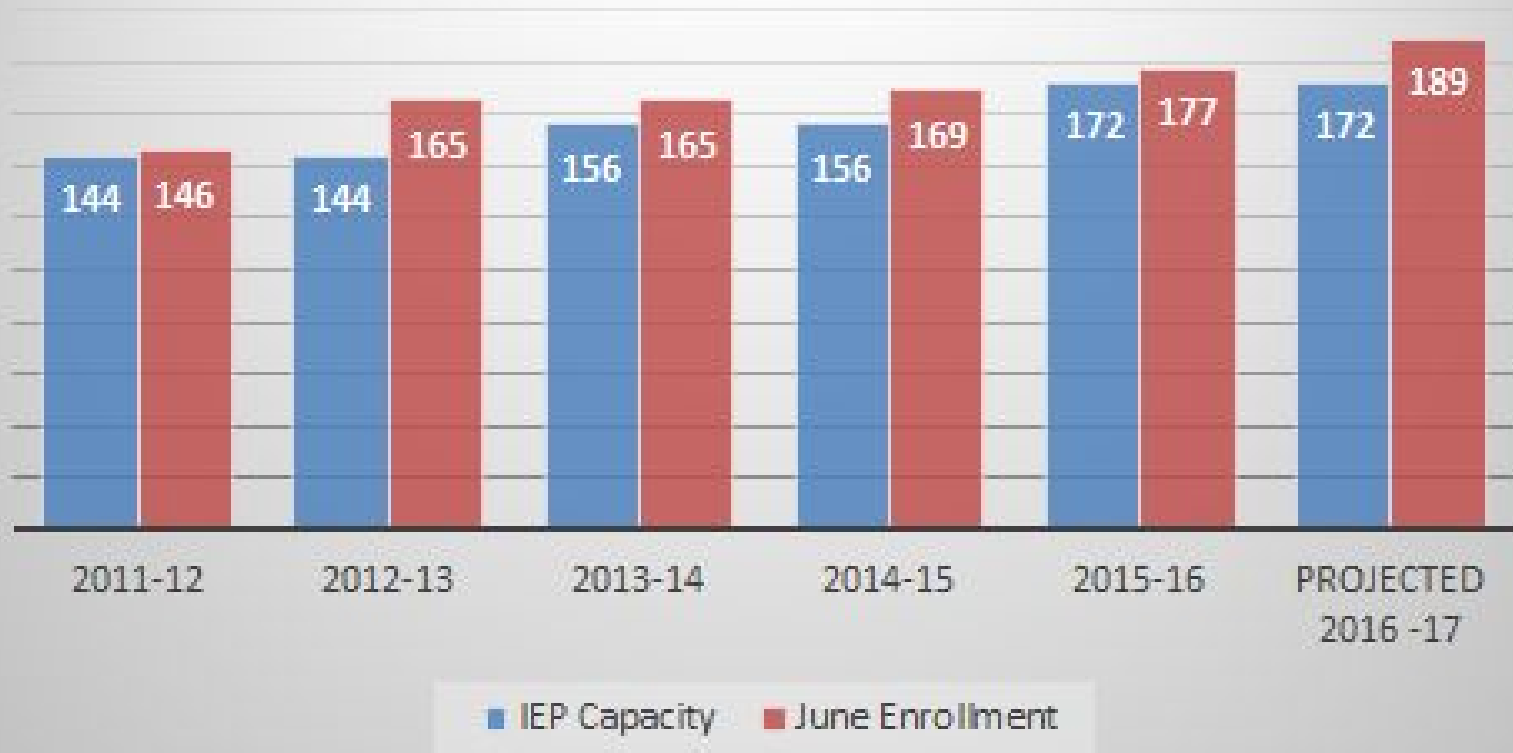

ECEAP:

- 76 slots

Total Enrollment Capability = 478

ECE Enrollment Trends

Kindergarten Transition

Of the 1222 Kindergarteners Registered in Fall 2016:

275 (23%) come from district programs,

- **150** students transitioned out of ECE
- **125** students transitioned out of Head Start/ECEAP

947 come from other programs, such as

- childcare centers
- private preschool
- family/friend/neighbor childcare
- home

= importance of partnership with community early learning programs and with buildings

Partnership with Community Programs

Historical:

The Department of Student Learning built an **early childhood cohort**, providing curriculum and training in high quality instructional practices to community and district early childhood programs

- expectation was continued participation in PD + required trimester data
- all district and community programs aligned in instruction and curriculum, exchanging information and partnering

Early Learning Fair in the Spring - opportunity for connection between families and community programs

2016 - 2017:

Early Childhood Cohort - professional development in literacy, math, GLAD (vocabulary) and social emotional learning

Block Fest - research-based interactive exhibit for science and math learning through block play now available through the district

Spring Early Learning Fair

Early Learning Fall Family Event - partnering with the Library, White River Museum and the Parks & Rec department to provide early learning opportunities for families

ECE Block Fest Family Event, May 2016

UW P-3 Executive Leadership Program

10 month program designed for early learning administrators to:

- develop the skills and vision to lead cross-system improvements, implement instructional reform and ensure a high-quality continuum of learning for students in preschool through third grade regardless of race, class, culture or zip code
- examine strategies for aligning elementary schools with community-based early learning programs, which help improve organizational practice and contribute to comprehensive P-3 approaches
- strengthen ability to effectively implement reforms - Common Core, Early Learning and Development Guidelines, teacher evaluations, WaKIDS and Early Achievers - in ways that benefit young children and education professionals
- learn innovative methods for engaging families, teachers and communities in strategically closing opportunity and achievement gaps as early as possible

P-3 Cohort in the Auburn School District

- Tami Petrina, Executive Director of Early Learning and Student Special Services (2014)
- Adam Couch, Principal of Dick Scobee Elementary (2015)
- Nikki Budzynski, Early Childhood Coordinator (2016)
- Tom Dudley, Principal of Terminal Park Elementary (2016)
- Brendan Jeffreys, Assistant Director of the Department of Student Learning (2016)

Action Research Projects

2014:

Outreach to Dick Scobee families whose 3 or 4 year olds were not enrolled in preschool.

Provided early learning, meal and parent training and support twice a week. Goal was increased kindergarten readiness.

2015:

Focused on creating authentic relationships and connections with families through multiple avenues of access: a Parent Advisory Board (carefully recruited to reflect student population), PTA, and monthly family engagement events. Goal was to allow parents to participate at different levels, to share knowledge, and to give them a voice in decision making.

2016:

Focus on strengthening partnerships with community providers through the preK cohort

- 12 dates for PD throughout the year
- Literacy, Math, GLAD strategies, Social Emotional Learning
- Flyers delivered (in person) to various community providers with personal invitations to attend
- Clock Hours, Merit/STARS credit

Learning Labs - include PreK teachers with K teams to booster collaboration and understanding, helps to establish grade level systems

P-3 at Terminal Park

Collaborate with the community to help prepare students for kindergarten

- Academic standards
- Effective instruction
- Social/emotional learning
- Family outreach

P-3 at Terminal Park

Collaborate with the community to help Terminal Park better serve incoming students

- Effective instruction
- Social/emotional needs
- WaKIDS

P-3 at Dick Scobee

Parent Advisory Board

- targeted recruitment, created a team of parents representing the demographics of our students
- shared the secret language of education.
- Empowered them with a voice in decision making (SIP, Policy, Practice)
- Set a vision
- Systems level support

PTA - mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

- fundraising
- programs that support individual classes, grade levels, classrooms etc.

Family Engagement Events

- monthly events planned for a range of purposes, from fun and community building to providing families with information and tools to support their kids
- some events are planned by a small committee and others alongside parents

UNIVERSITY of WASHINGTON

CERTIFICATE IN WASHINGTON P-3 EXECUTIVE LEADERSHIP

Approved by the UW College of Education

The Certificate in P-3 Executive Leadership will provide elementary school principals, as well as early learning directors and managers, with the skills necessary to lead cross-system improvements and to implement instructional reforms. This year-long executive-style, cohort-based program is for working professionals (administrators) who want to improve their practice and contribute to a comprehensive P-3 approach while still leading a school or center.

Designed to Equip Established & Emerging Leaders With:

- Strong leadership skills and knowledge to ensure a high-quality continuum of learning for students in preschool through third grade
- Effective strategies to link and align elementary schools with community-based early learning programs
- Outstanding abilities to effectively implement current reforms (e.g. Common Core, Early Learning Guidelines, teacher evaluations, WaKIDS, and Early Achievers) in ways that benefit young children and education professionals
- Effective strategies to involve families, teachers, and communities in closing opportunity and achievement gaps early

Key Outcome

Participants will develop the knowledge and skills necessary to ensure Washington's young children have a high-quality continuum of learning that begins at birth and extends through elementary school regardless of income, race, class, culture, or zip code. Participants will work in teams to design a culminating Action Research Project to implement in their district or educational setting after the program's end.

Who Should Participate

- Elementary and PreK-8 school principals employed in WA State, in partnership with Early Learning directors/program managers - child care, Head Start and ECEAP directors – employed in WA State
- Teams from WA school districts or communities (principals/assistant principals and early learning site directors PLUS community based organizations, central office administrators, school board directors, ESD administrators)

START DATE

February 2017

DURATION

10 months

CREDITS

Option to earn 10 academic credits or 10 continuing education units (CEUs), and STARS credit hours

Please note:

The Washington P-3 Executive Leadership Certificate is awarded by the University of Washington. Participants in this course of study will not earn residency or professional certification from the State of Washington.*

** An application to be an approved Administrator Pro-Certification Program is underway, and could be finalized as soon as Autumn 2016.*

1. Certificated and Classified Personnel Report

Recommendation: That the board approve the attached report.

The state recognizes that at times it may be necessary for teachers to teach courses in which they are not endorsed on their teaching certificate. The Professional Educator Standards Board requires the local school board to authorize teachers who are teaching in out-of-endorsement assignments: The following teachers fall under this requirement during the 2016-17 school year:

- Debbie Leighton, assistant superintendent of human resources, will present information regarding the challenges the district faces with filling positions due to a lack of candidates.

Recommendation: That the school board authorizes out-of-endorsement teaching assignments as noted above for the 2016-17 school year.

b. Frank Ramirez, Auburn Riverside High School assistant principal, requests permission to travel to San Diego, California, Thursday to Sunday, October 27-30. The purpose of the trip is to attend the Leadership Academy 2016. Lodging will be at the Marriott Marquis hotel, meals will be at local restaurants, and travel will be by airplane. All expenses will be paid by district funds. No substitute will be needed.

c. Dennis Grad, executive director of transportation; John Lobdell, coordinator of support services; Carol Barker, director of child nutrition; Jim Bayer, coordinator of technology; Colleen Barlow and Amanda Roberson, Lakeland Hills Elementary School principal and counselor, respectively, request permission to travel to Emmitsburg, Maryland, Sunday to Thursday, November 6-10. The purpose of the trip is to attend Federal Emergency Management Agency (FEMA) Emergency Preparedness Training. Lodging will be at the FEMA facility, meals will be at FEMA and local restaurants, and travel will be by airplane. All expenses will be paid by district funds. No substitutes will be needed.

Recommendation: That the above trips be approved as requested.

THIS EASEMENT AND AGREEMENT made and entered into this _____ day of _____, 2016, by and between the City of Auburn, a municipal corporation of King County, Washington, hereinafter referred to as "CITY" and The Auburn School District #408 hereinafter referred to as "PROPERTY OWNER".

WHEREAS, PROPERTY OWNER has applied for certain permits with the CITY for the construction of improvements for **Auburn Riverside High School Ball Fields** located at **501 Oravetz Road**, which create impervious surface; and

WHEREAS, the PROPERTY OWNER and the CITY desire that the elements of the storm management plan be implemented and maintained to provide adequate performance for controlling both the quantity and quality of storm drainage; and

WHEREAS, for maintenance of storm system elements, it is necessary to have appropriate right-of-way to bring in equipment to conduct maintenance functions; and

WHEREAS, maintenance requirement is a covenant running with the land and binding upon all heirs, successors and assigns of both parties; and

WHEREAS, the parties desire that this Agreement be recorded to advise heirs, successors and assigns of both parties as to the existence of this easement and agreement; and

WHEREAS, an easement is needed to bring in maintenance equipment; and

WHEREAS, the parties are both desirous of permitting inspection of the storm management plan elements to make certain that they are functioning properly and for purposes of determining the appropriate repairs.

NOW, THEREFORE, BASED UPON MUTUAL COVENANTS TO BE DERIVED THE PARTIES AGREE AS FOLLOWS:

Section 1, EASEMENT

PROPERTY OWNER hereby provides an easement to the City for access, inspection, and maintenance for the purposes of this Agreement, the Easement Area being a portion of the above-designated Tax Parcel ("Parent Parcel"), and described as Exhibits "A" and "B", and on that portion of the property as showing on the approved Record Drawings revised pursuant to construction records for the City of Auburn under Permit No. **GRA14-0023**, which record drawings are hereby incorporated by reference as if set out in full. This easement shall be a burden to that real estate which is legally described and depicted attached as Exhibit "A" & "B" and incorporated herein by this reference, and shall be a benefit to the City Storm Drainage Utility System.

Section 2, HEIRS, SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon the heirs, successors and assigns of the parties.

Section 3, MAINTENANCE

The PROPERTY OWNER agrees to maintain the storm system in accordance with the ordinances and all applicable codes of the CITY and the Maintenance and Operation Manual included as "Appendix A" in the approved Stormwater Site Plan Report dated February 2015 and approved as part of Permit No. GRA14-0023 and incorporated herein by this reference as if set out in full. The PROPERTY OWNER does hereby agree that the CITY may enter onto the property of the PROPERTY OWNER via the easement described above to inspect and perform necessary maintenance if, after the PROPERTY OWNER is given notice to maintain, the PROPERTY OWNER fails to maintain. Further, the PROPERTY OWNER agrees the CITY may enter onto the property of PROPERTY OWNER via the easement described above to perform emergency maintenance in the event of failure of the storm-management plan elements which might result in adverse impacts(s) on public facilities or private facilities of other property owners. In both events the PROPERTY OWNER agrees to reimburse the CITY for the costs incurred by the CITY in maintaining the storm system. Should the CITY incur attorney's fees and/or costs in enforcing the agreement and/or in maintaining or collecting maintenance fees, the PROPERTY OWNER agrees to pay reasonable attorney's fees and all costs incurred by the CITY.

The Storm System Includes the following BMP's:

- Underground Detention Pond
- Control Structure
- Catch Basins

Section 4, ACKNOWLEDGMENT OF OTHER ENFORCEMENT ACTIONS

PROPERTY OWNER acknowledges that there may be liability for violations of codes that could result in additional fines and/or the possibility of incarceration in addition to the fees for maintenance should violations occur.
