Alternative Learning Programs

West Auburn High School

Board Policy 2255*

West Auburn High School

- Traditional high school (Day Program)
  - Smaller learning environment
  - 9th Grade academy
- Virginia Cross
  - Tribal partnership
- Alternative Programs
  - Virtual Program
  - Learning Center
  - Graduation Alliance

Types of Alternative Learning Programs

- Remote = an alternative learning experience course or course work that is not an online course where the student has in-person instructional contact time for less than 20 percent of the total weekly time - **NONE**
- Online = means a course or a grade level course work in which…
  - More than half of the course content is delivered electronically using the internet
  - More than half of the teaching is conducted from a remote location through an online course learning management system - **Virtual and Grad Alliance**
- Site-Based = an alternative learning experience course or course work that is not an online course where the student has in-person instructional contact time for at least 20 percent of the total weekly time for the course - **Learning Center**

Identification Process/Intake

- How to place kids into alternative programs?
  - Credits, how many do they have, which credits do they need?
  - Age, how long they have before they age out?
  - Schedule, jobs, families?
  - Learning styles and anxiety; what environment will work best for them?

- How are parents/guardians involved in the process?
  - Parents/guardians must attend the intake meeting to discuss strengths and weaknesses of the student, and be aware of what the different programs can offer.
  - Handful of students are self-enrolled (must be at least 18).

Virtual Program

- 30 Students maximum
- 1 certificated teacher
- 1 classified staff member
- Virtual works well for the student that is self-motivated, has higher level of maturity, goal oriented.
- Students generally have family obligations or work schedules that prevent them from attending school on a daily basis.

Typical Duration of the Program

- 2 hours per week must have face to face contact with certificated teacher
  - Student comes to the school 1 hour, twice a week
  - Can be completed by meeting at school
  - Face time
  - Skype etc…
- Expect 28 hours a week of course work completed outside of school
- Tracked by progress made, can also be tracked by online program

Specific Learning Goals and Performance Objectives

- Students are expected to complete, on average, one course a month.
- If students complete one course a month they will receive 5 credits for the year; a students who receives all their credits in a day school environment will receive 6 credits.
- One course a month is the minimum expectation. I encourage them to receive no less than 6 credits a year, so they need to complete 2 courses in a month, twice during the school year.
- Some students have completed two courses a month more often, receiving more than 6 credits in a year.

Instructional Materials Used

- Online APEX is used for every instructional course
- Teacher support provided at face to face meetings, or via e-mail
- Some students are also enrolled in Work Based Learning, receiving elective credits

Learning Center Program

- 60 students
- 2 certificated staff members
- 1 classified staff member
- Learning Center works well for students who need a quiet environment, even smaller class sizes
- Depression/anxiety
- More face to face contact than virtual provides
- Work conflicts/family obligations

Typical Duration of the Program

- 8 hours per week contact with certificated teacher
  - 2 hours day/4 days a week
  - Must be face to face at school
- Expect 22 hours of coursework completed outside of school
- Tracked by progress made, can also be tracked by online program if online course is being used
- 4 different meeting times during the day:
  - 9:00 AM – 11:00 AM
  - 12:30 PM – 2:30 PM
  - 3:00 PM – 5:00 PM
  - 5:30 PM – 7:30 PM

Specific Learning Goals and Performance Objectives

- Students are expected to complete, on average, one course a month.
- If students complete one course a month they will receive 5 credits for the year; a student who receives all their credits in a day school environment will receive 6 credits.
- One course a month is the minimum expectation; I encourage them to receive no less than 6 credits a year, so they need to complete 2 courses in a month, twice during the school year.
- Some students have completed 2-3 courses a month more often, receiving more than 6 credits in a year.
- I will use this program for students who need to make up the credits at a faster rate due to age restrictions (almost 21 years old).

Instructional Materials Used

- Combination of instructional materials used
- APEX online program
- District Approved Curriculum
- Work based learning
- Running Start

Graduation Alliance Program

- All online
- Contracted company
- Teachers are not district employees
- Program provides computers to our students

- Principal receives a list of students and progress made on a monthly basis
- Students are given "coaches" by the program
  - Coaches provide tracking
  - Support for program questions
  - Academic counseling
  - Not certificated teachers
