

AGENDA FOR BOARD OF DIRECTORS  
AUBURN SCHOOL DISTRICT NO. 408  
Tuesday, November 13, 2012

- I. TIME AND PLACE
  - 1. 7 p.m. at the James P. Fugate Administration Building
- II. ROLL CALL
  - 1. Roll call of board members
- III. PLEDGE OF ALLEGIANCE
- IV. AUDIENCE PARTICIPATION
  - 1. Written communications
  - 2. Scheduled communications
  - 3. Unscheduled communications
  - 4. Community groups and organizations
- V. LEGISLATIVE UPDATE
- VI. STUDENT PARTICIPATION
  - 1. Ilalko Elementary School art display
  - 2. Activity/athletic report
  - 3. Requests for travel
- VII. SCHOOL PROGRAMS AND STUDENT ACHIEVEMENT
  - 1. 2012-13 Gildo Rey Elementary School Improvement Plan
- VIII. PERSONNEL
  - 1. Certificated and classified personnel report
  - 2. VEBA III
  - 3. Requests for travel
- IX. BUILDING PROGRAM
  - 1. Alpac Elementary School improvements project
- X. FINANCE
  - 1. Vouchers
  - 2. Request for authorization to surplus equipment

XI. DIRECTORS

1. Approval of minutes
2. Discussion
3. Executive session

LEGISLATIVE UPDATE

The board will discuss legislative items.

## STUDENT PARTICIPATION

1. Ilalko Elementary School Art Display

Tim Carstens, Ilalko Elementary School principal, will introduce Aynslee Hoffman and Aislynn Hoffman, students, who will present the Ilalko Elementary School art display and answer questions from the board.

2. Activity/Athletic Report--Auburn Mountainview High School and Auburn Riverside High School Boys' Water Polo Programs

Chris Carr, Auburn Mountainview High School athletics director, will introduce Justin Pritchard, Auburn Mountainview High School coach, who will introduce Hunter Arnold and Colin Lempert, students. Dave Halford, Auburn Riverside High School principal, will introduce Mike Van Eaton, Auburn Riverside High School coach, who will introduce Thomas Henline, Adam Benabid, and Matthew Benabid, students. The students will report on their respective school's boys' water polo program and answer questions from the board.

3. Requests for Travel

a. Five Auburn High School students and four Auburn Mountainview High School students requested permission to travel to Pasco, Friday to Saturday, November 2-3. The purpose of the trip was to compete in the State Cross-Country Tournament. Lodging was at the Shiloh and Red Lion Inns, meals were at local restaurants, and travel was by rental car. All expenses will be paid by ASB/WIAA funds. Greg Isham and Lacey Way, Auburn High School coaches, and Julianne Stricherz, Tim Tubbs, and Brandon Beck, Auburn Mountainview High School coaches, requested permission to accompany the students. Three substitutes were needed for one day. Prior administrative approval.

b. Eighteen Auburn Riverside High School students and 14 Auburn Mountainview High School students requested permission to travel to Lacey, Friday to Saturday, November 9-10. The purpose of the trip was to compete in the State Volleyball Tournament. Lodging was at the Ramada Inn, meals were at local restaurants, and travel was by school bus. All expenses will be paid by ASB/WIAA funds. Chris Leverenz, Cynthia Blau, and Elis Arias, Auburn Riverside High School coaches, and Eva Means, Jaclynn Claudon, Nicole Claudon, and Jen Irwin, Auburn Mountainview High School coaches, requested permission to accompany the students. Substitutes were needed for one day. Prior administrative approval.

c. Eleven Auburn Mountainview High School students request permission to travel to Vancouver, Friday to Saturday, November 16-17. The purpose of the trip would be to attend the Horticulture Career Development Event. Lodging will be at the Holiday Inn Express, meals will be at local restaurants, and travel will be by private vehicles. All expenses will be paid by ASB funds. Regina Grubb,

Auburn Mountainview High School teacher, requests permission to accompany the students. A substitute will be needed for one day.

Melani Hunt, parent chaperone, requests permission to accompany the students.

- d. Twenty Auburn Mountainview High School students request permission to travel to Beaverton, Oregon, Friday to Sunday, January 18-20, 2013. The purpose of the trip would be to compete in the Wrestling Tournament. Lodging will be at the Fairfield Inn, meals will be at local restaurants, and travel will be by private vehicles. All expenses will be paid by ASB funds. Adam France, Jerry Bowles, Darrell King, and Chad Perry, Auburn Mountainview High School coaches, request permission to accompany the students. A substitute will be needed for one day.

Recommendation: That the above requests for travel be approved as requested.

## SCHOOL PROGRAMS AND STUDENT ACHIEVEMENT

1. 2012-13 Gildo Rey Elementary School Improvement Plan

Rodney Luke, associate superintendent of K-12 student learning and technology, will introduce Colleen Barlow, principal, Gildo Rey Elementary, who will introduce Heather Hartley, first grade teacher, and Karen Jenks, fifth grade teacher. The team will present the 2012-13 Gildo Rey Elementary School improvement plan, share a PowerPoint presentation, and answer questions from the board. This presentation aligns with the 2009-12 district strategic improvement plan, Goal 1: student achievement, Objective 1.b school improvement plans and the 2012-13 stated district goals, Standard III "create conditions district wide for student and staff success."

Recommendation:

That the board approve the 2012-13 Gildo Rey Elementary School Improvement Plan.

Planning Year 2011-2012  
Implementation September 2012-June 2015  
***Gildo Rey Elementary School***  
Strategic Improvement Plan

School Improvement Plan Adopted by the Auburn School Board of Directors on *insert school board approval date here.*

September 2012-June 2015  
Auburn School District Strategic Improvement Plan

***District Improvement Goal 1: Student Achievement***

With district support, leadership, and guidance each student will achieve proficiency in the Washington Comprehensive Assessment Program (WCAP) and all schools will meet adequate yearly progress by meeting or exceeding the Washington State uniform bar in reading and mathematics in grades 3 through 8 and 10.

***District Improvement Goal 2: Dropout Rate and On-time Graduation***

Schools will reduce dropout rates and meet additional Adequate Yearly Progress indicators as determined by K-8 attendance and high school on-time graduation rates.

***District Improvement Goal 3: Parents/Guardians and Community Partnerships***

The district and schools will continue to develop partnerships to support student academic achievement and success.

***District Improvement Goal 4: Policies and Resource Management***

The district will focus on improving student academic achievement and narrowing the achievement gaps in its policy decisions and resource allocation.

***2010-2011 Stated District Objectives-Student Achievement and Accountability***

Superintendent implements district strategic improvement plan to establish professional learning communities, become a standards-based district, produce power standards, develop common formative assessments, monitor student achievement, and provide intervention for continuous improvement for 10% more students at or above standards in reading and math.

Superintendent increases high school graduation rates to 95% and increasing high school aggregate credits earned and decreasing failing grades in 9th grade.

Superintendent increases learning enrichment and achievement beyond standards for all students including less represented population.

## **Requirements for School Improvement Plan WAC 180-16-220**

Each school in the district shall be approved annually by the school board of directors under an approval process determined by the district board of directors. “At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan”.

The checklist below contains the required elements for School Improvement Plans under WAC 180-16-220. School Improvement Plans are subject to review by the Office of Superintendent of Public Instruction (OSPI).

1. ↑ Evidence and date of annual school board approval.
2. ↓ Evidence staff certification requirements were met.  
(Highly Qualified)
3. ↑ Evidence the plan is based on self-review and participation of required participants (staff, students, families, parents, and community members).
4. ↓ Brief summary of use of data to establish improvement.
5. ↓ How continuous improvement in student achievement of state learning goals and essential academic learning requirements (EALRs) is promoted.
6. ↓ Recognition of non-academic student learning, what and how.  
(School Climate, bullying, counselors, community resources, partnerships, student leadership; interpersonal relationship skills)
7. ↓ Plan addresses characteristics of successful schools.
8. ↓ Plan addresses educational equity (gender, race, ethnicity, culture, language, and physical/mental ability).
9. ↓ Plan addresses use of technology to facilitate instruction.
10. ↓ Plan addresses parent, family, and community involvement.

Failure to make AYP for two consecutive years will result in identification for school improvement beginning with Step 1. The consequences associated with each step are detailed at: <http://www.k12.wa.us/ESEA/AdequateYearlyProgress.aspx>

# Executive Summary

---

## Auburn School District Mission

In a safe environment, all students will achieve high standards of learning in order to become ethically responsible decision makers and lifelong learners.

## Auburn School District Vision

The vision of Auburn School District is to develop in students the skills and attitudes that will maximize their potential for lifelong learning and ethically responsible decision making.

## School Mission

The mission of the Gildo Rey community is to provide academic and social opportunities in a safe and positive environment dedicated to the belief that all students will reach their greatest potential.

## School Vision

At Gildo Rey we value the uniqueness of each child. We work together with the strong belief that “all of our kids are all of our kids”. We hold the expectation that each child can achieve to high levels with appropriate support and instruction.

## Background Information

WAC 180-16-220

### Requirements for School Improvement Plan

Each school shall be approved annually by the school board of directors under an approval process determined by the district board of directors and “At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan.” School Improvement plans must include a brief summary of use of data to establish improvement; acknowledging the use of data which may include DIBELS, MAP, WLPTII, Credit Attainment, Enrollment in Honors/AP Courses, CEE Perceptual Data, SAT/ACT, Discipline, and MSP or HSPE.

The Gildo Rey SIP team has met on a weekly basis during our development of this plan. The team was created from teacher leaders in the building. Each grade level was represented throughout the process. The SIP team presented data and facilitated discussions with all staff members. During this process, the SIP team received training in the construction of S.M.A.R.T. goals and use of data for instructional decision making.

As we move forward, we must continually monitor our progress toward the No Child Left Behind (NCLB) proficiency standard and be conscientiously aware of the 2014 standard of 100% of students being proficient in reading and mathematics. Along with our consistent

## SIP Gildo Rey

monitoring of reading and math progress, we will not lose sight of our other vital curricular areas in physical education, music, science, social studies and writing, all of which have performance standards and assessment requirements.

As a school community, we intend to maintain Gildo Rey's status as a National School of Distinction in reading and math. We will be guided by our improvement goals, grade level S.M.A.R.T. goals and results of our formative and summative assessments. We are refining our current practices to reach the students who have yet to meet standard.

Gildo Rey is on a continuous path of improvement. We are fully aware of the challenges ahead, yet along with a dedicated staff, engaged community and district leadership, are determined to produce a plan that continues to enhance instruction and student success.

### Highly Qualified Staff

100% of Gildo Rey teachers meet NCLB highly qualified definition. We have nine National Board Certified Teachers and two candidates.

Classroom Teachers	27
Average Years of Teacher Experience	11.4
Teachers with at least a Master's Degree	81.5%
Total number of teachers who teach core academic classes	21
% of teachers teaching with an emergency certificate	0.0%
% of teachers teaching with a conditional certificate	0.0%
Total number of core academic classes	21
<i>NCLB Highly Qualified Teacher Information</i>	
% of classes taught by teachers meeting NCLB highly qualified (HQ) definition	100.0%
% of classes taught by teachers who do not meet NCLB HQ definition	0.0%
% of classes in high poverty schools taught by teachers who meet NCLB HQ definition	100.0%

### Demographic data

#### *Category: Enrollment and Mobility*

Gildo Rey enrollment has declined from 575 in 2004-05 to 454 in 2010-11. This decline represents a 21% loss of total student FTE. The large decline in enrollment from 2005-06 to 2006-07 was due to the opening of a new elementary school in the Auburn School District and a change in boundaries. Since 2007-08 enrollment has remained consistent. Steady enrollment from 2006-07 to 2010-11 has allowed staff to remain stable. Staff continuity has been a strength in developing consistency in instructional practices.

The mobility rate has decreased seventeen percent between 2008-09 and 2010-11. Gildo Rey's mobility rate in 2010-11 was 28%, which means 20 out of 70 students enter Gildo Rey without knowing the behavior and academic expectations and procedures.

**Enrollment**

Year	Enrollment	Change
2004-2005	575	+75
2005-2006	654	+79
2006-2007	415	-239
2007-2008	440	+25
2008-2009	446	+6
2009-2010	442	-4
2010-2011	454	+12
2011-2012	493	+52

**Mobility\***

Year	2007/2008	2008-2009	2009-2010	2010-2011	2011-12	2012-13
% of students	31%	45%	32%	28%		

\* Mobility is calculated from the fourth day of school to the end of the same school year.

*Category: Free and Reduced Lunch Percentage*

The number of students qualifying for free and reduced lunch has increased from 46.0% in 2004-05 to 80.4% in 2010-11. Gildo Rey has met AYP each year in the low income cell. The percentage of free and reduced lunch allows us to implement an all building Title intervention model.

Year	Percentage	Change
2004-2005	46.0	-18.6
2005-2006	45.5	-0.5
2006-2007	60.0	+14.5
2007-2008	69.1	+9.1
2008-2009	71.4	+2.3
2009-2010	78.4	+7
2010-2011	80.4	+2
2011-2012	82.8	+2.4

## SIP Gildo Rey

### Category: Ethnic Data

Gildo Rey's enrollment had a drastic change at the beginning of the 2006-07 school year due to the change of boundaries with the opening of a new elementary school. There has been a significant increase in the Hispanic population paired with a significant decrease in the White population. American Indian, Asian and Black enrollment has remained steady. Gildo Rey has two main subgroups: Hispanic and White.

Year	2006-07		2007-08		2008-09		2009-10		2010-11		2011-12	
Amer. Indian/ Alaskan Native	15	3.6%	15	3.4%	23	5.2%	13	2.9%	9	2.0%	10	2.2
Asian/ Pacific Islander	39	9.4%	30	6.8%	38	8.5%	45	10.2%	43	9.5%	44	9.8
Black	29	7.0%	41	9.3%	43	9.6%	41	9.3%	39	8.6%	34	7.6
Hispanic	128	30.8 %	149	33.9%	164	36.8%	177	40.0%	194	42.7 %	215	47.9
White	204	49.2 %	205	46.6%	174	39.0%	166	37.6%	151	33.3 %	121	26.9
Total	415		440		442		442		436		424	

### Category: Gender Data

During the 2004-05 school year, the gender population at Gildo Rey was approximately 50% males and 50% female. From 2005 to 2010 there was a 5.2% increase in the number of males students. Gender assessment data is another area of review for targeting instruction to the specific populations that may be falling behind, but does not have implications for instruction at this time.

	2004- 2005	2005- 2006	2006- 2007	2007- 2008	2008- 2009	2009- 2010	2010- 2011	2011- 2012
<b>Males</b>	49.7%	51.1%	52.8%	53.2%	55.8%	56.3%	54.8%	54.1
<b>Females</b>	50.3%	48.9%	47.2%	46.8%	44.2%	43.7%	45.2%	45.9

### Category: Special Education

Gildo Rey has three special education programs. The Early Childhood Education (ECE) program serves students from ages birth to age five. The ECE classroom serves 3-4 year old students that include a mix of children with identified disabilities and peer models.

The Resource Room serves developmentally delayed, learning disabled, and/or students who are deficient in social skills. 100% of the resource room students spend at least 80% of their school day in the general education setting.

Gildo Rey has a Behavior Disorder (BD) program for students in grades kindergarten through grade five. This program contains students who have more severe behavior problems that hinder their educational progress in the general education setting. Several BD students are integrated into at least one general education subject area. **Left at end of 2011-2012 year.**

There was a 7.3% increase in special education students between the 2005-06 and 2006-07 school years, but the numbers have consistently decreased since 2006-07. The percentage of special education students has decreased from 15.4% in 2004-05 to 13.0% in 2010-11. This is a decrease of 34 students. The implementation of RTI in 2008-09 has contributed to this reduction.

Year	2004-2005	2005-2006	2006-2007	2007-2008	2008-2009	2009-2010	2010-2011	2011-2012
% of Students	15.4%	15.2%	22.5%	21.9%	19.0%	14.6%	13.9%	14.2
# of Students	90	100	95	96	83	66	66	70

*Category: Second Language Learners*

Gildo Rey has had a 21.6% increase in Second Language Learners over the past seven years from 13.7% in 2004-05 to 35.3% in 2010-11. The instructional needs of our ELL and our poverty students in the area of language acquisition and development are similar. The majority of our ELL students are Spanish speakers. This simplifies translation and instruction.

<b>Year</b>	<b>2004/05</b>	<b>2005/06</b>	<b>2006/07</b>	<b>2007/08</b>	<b>2008/09</b>	<b>2009/10</b>	<b>2010/11</b>	<b>2011/12</b>
% of students	13.7%	14.9%	23.7%	26.3%	29.3%	33.8%	35.3%	38.1

### Discipline and Attendance Analysis

Gildo Rey has a school-wide building behavior plan that is founded on the belief that “relationship” is the foundation to developing and maintaining school appropriate behavior (Capturing Kid’s Hearts Program). Gildo Rey’s programs support positive student behaviors. Under the direction of the counselor, behavior plans and specific interventions are developed for students with high needs. All school-wide behaviors are posted, systematically taught and reviewed each month. In addition to a positive behavior support plan, a progressive discipline system utilizes the components of Think Time, lunch detention, after school detention, Friday School, and in school suspension. Expulsion from school caps the tired discipline model. The system is communicated annually to parents via our school newsletter.

Gildo Rey implements an anti-harassment program utilizing Steps to Respect, Kelso’s Choice and “The Bridge” conflict resolution process. The counselor works in conjunction with the classroom teacher to teach and/or reinforce positive behavior programs and procedures for individuals and classrooms. Expulsion from school caps the progressive consequences but has not been required to date even with the BD program being housed at the school.

Attendance is managed by the classroom teacher, the school counselor and our Office Attendance Secretary. Progressive interventions range from a reward system for improved attendance to detentions for tardies. A “BECCA” petition is enforced for students with six or more unexcused absences.

## Assessment Decisions

Data based decisions define instruction at Gildo Rey. Student progress is recorded on a building data sheet on a matrix with the following building wide data:

- Kindergarten: ERI, DIBELS,
- First Grade: DIBELS, Read Well, DRA,
- Second Grade: DIBELS, Read Well, STAR, IRI,
- Third, Fourth Fifth: DIBELS, Read Well, MSP, STAR, Common Formative and Summative Assessments

Common formative and summative assessments of the power standards have been developed and are reviewed by all grade levels. This building-wide data is discussed by all teachers who work with a grade level every eight weeks for reading. Grouping and program changes are discussed and made on a student by student basis. Ongoing, formative assessments created by grade level teams measure each student's success in meeting specific power standards. These assessments guide instruction, student placement within learning intervention, enrichment learning groups and serve as an indication of the effectiveness of specific strategies and/or curriculum materials. Summative assessments, including MSP benchmark released item tests, the DIBELS benchmark tests, Read Well and ERI assessments in the primary grades provide data on student's progress in five key elements of reading (phonemic awareness, phonics, fluency, vocabulary and phonics). A balanced, comprehensive shared data system provides quick, relevant information to inform instruction.

## Data Analysis- DIBELS

DIBELS is given as a benchmark assessment three times a year as well as monthly progress monitors. Staff has been trained to give the assessment, analyzing data and making instructional decisions based on assessment results. DIBELS results are maintained on a building data sheet described above.

Grade K DIBELS LNF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	34	14	33	81	42	17
Spring	4	21	61	86	5	24	71

Grade 3 DIBELS ORF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	16	21	34	71	23	30
Spring	6	16	43	65	9	25	66

Grade 1 DIBELS NWF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	3	16	57	76	4	21
Spring	1	3	75	79	1	4	95

Grade 4 DIBELS ORF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	17	10	31	58	29	17
Spring	6	17	37	60	10	28	62

Grade 2 DIBELS ORF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	10	22	41	73	14	30
Spring	3	8	61	72	4	11	85

Grade 5 DIBELS ORF							
	Count				Percent		
	AR	MR	OT	Total	At Risk	Moderate Risk	On Target
	Fall	19	8	53	80	24	10
Spring	10	11	54	75	13	15	72

**Strengths:** Full-day Kindergarten supports gains in reading. Fluency is maintained in the upper grades, even though the focus shifts to comprehension. The number of At-Risk students is declining in all grade levels.

**Challenges:** Summer loss continues to impact our students. A high mobility rate affects our consistency and data accuracy. Primary has stronger gains in fluency than the intermediate grades.

## Data Analysis- MAPS

MAPS is given to third and fifth graders at Gildo Rey in the fall and spring. Gildo Rey students in the “Hispanic”, “Pacific Islander” and “All” category show growth but according to this measure show higher percentages of risk than on the MSP. MAPS scores are consistent from teacher to teacher in a given grade level indicating a high level of collaboration. Students show growth from fall to spring. Gildo Rey students’ score higher on measures such as the MSP, DIBELS and informal reading inventories than they do on the MAPS.

### Data Analysis- WLPTII

The ELL population at Gildo Rey is predominately Hispanic. Although 35% of students qualify for ELL, they continue to meet AYP in the ELL cell. Students show growth on the WLPT-II, however, more students need to move from a level 3 to a level 4. Students are provided ELL services in an inclusion model, placing in reading and math groups according to ability.

### Data Analysis- CEE Perceptual Survey

The CEE results were almost identical to other schools of distinction. Although staff perception of “Parent and Community Involvement” was only 55%, parent perception was approximately 80%. The staff discussed this discrepancy and what factors may have contributed to it. A review of the “Focused Professional Development” data shows a positive perception of only 60%. We will work to increase professional development for all staff members.

### Achievement

The MSP is given every spring to all third, fourth and fifth grade students at Gildo Rey. Our school met AYP in all required cells in 2010-2011. Gildo Rey has an ‘n’ size of greater than thirty-five in low income, ELL, Hispanic, and white.

**Made AYP Overall: Yes                      In Improvement: No**

<b>Number of Yes:</b> 21	<b>Number of No:</b> 0	<b>% of Yes/Total:</b> 100.0%	<b>Number of N&lt;Required:</b> 16	<b>Number of NA:</b> 0

### MSP Reading

The staff at Gildo Rey is committed to high achievement for all students. This is reflected in our MSP data. Gildo Rey continues to meet high standards in the area of reading, particularly in the areas of Low Income, ELL and Hispanic populations. AYP targets of 88.1% were met in all cells. Very few students score a level 1. Third grade has had significant gains over the past few years. When the strands were scrutinized, Analysis and Literary Text were the areas that showed the most need for improvement. We have not yet reached 100% in AYP across grade levels.

### MSP Math

The change in math standards in 2009-10 allowed the staff at Gildo Rey to narrow instruction which led to a sharp increase in scores. The targeted instruction of the standards, a commitment to teaching to mastery, consistent review and problem solving processes also contributed to this increase. Gildo Rey scores are well above the state average and are the top scores in the Auburn School District. After analyzing strand data, it is apparent that Problem Solving/Reasoning and Number/Algebraic Sense are areas of needed growth; however Geometric Sense and Procedures and Concepts are strengths across the grade levels.

## MSP Science

Science is taught at all grade levels using various materials. Science is integrated through reading and writing instruction. In 2010-2011, Gildo Rey’s scores were consistent with the district and the state.

<b>Gildo Rey Science WASL / MSP</b>	
<b>Year</b>	<b>Grade 5</b>
2003-2004	35.4
2004-2005	62.1
2005-2006	56.4
2006-2007	44.8
2007-2008	40.0
2008-2009	46.8
2009-2010	49.1
2010-2011	58.7
<b>2011-2012</b>	<b>54.2</b>

## MSP Writing

Writing instruction is implemented in all grade levels. Writing instruction is integrated into other content areas. Although overall writing scores are below state level, fourth grade convention scores are slightly above the district average.

<b>Gildo Rey Writing WASL / MSP</b>	
<b>Year</b>	<b>Grade 4</b>
2003-2004	50.0
2004-2005	52.5
2005-2006	63.6
2006-2007	61.8
2007-2008	57.6
2008-2009	54.7
2009-2010	48.7
2010-2011	49.2
<b>2011-2012</b>	<b>56.2</b>

## Prioritized Challenges

---

School achievement data (MSP, DIBELS, WLPT-II) show that Gildo Rey has many areas of strengths as well as various challenges. The most obvious challenge, made evident from the data, was that the high mobility rate has instructional implications. For example, in 5th grade Reading MSP data, the reading score for all students was 86.7% whereas the score for continuously enrolled students was 96.3%, a 9.6% increase. The 2010 Center for Educational Effectiveness (CEE) survey was used to consider building culture and structure in light of the 9 characteristics of high performing schools. Analysis of survey results identified many strengths as well as challenges including a need to increase professional staff development.

After a significant amount of study, using a variety of data sources, Gildo Rey has identified the areas of **Reading, Math** and **Building Culture** as the areas addressed by this School Improvement Plan.

Several factors were considered in this decision including MSP achievement over time, achievement levels compared to schools within the district, the number of students meeting state standard, as well as meeting the goals set forth by the District Improvement Plan and the requirements of NCLB. Building culture is a critical component in providing opportunities for improvement as identified on the CEE survey.

## Study Teams

**Literacy Goal Group:** Colleen Barlow, Karen Jenks, Robin Logan, Carla Carrizosa, Heather Hartley, Darcie Santman, Karine Rasmussen, Diana Severson

### Reading Goal Group Research Materials:

McEwan-Adkins, Elaine K. 40 Reading Intervention Strategies for K-6 Students: Research – Based Support for RTI; 2010

- Differentiated, systematic, supportive instruction is most effective
- Explicit instruction in phonemic awareness and decoding reported positive effects
- Low SES students, racial and ethnic minority, and ELL students are especially hard hit by “linguistic poverty”
- Provide both a definition and contextual information about a new vocabulary word to increase comprehension
- Teachers must intentionally teach and model cognitive strategies
- Selected text for fluency practice should contain limited and controlled vocabularies that insure multiple encounters with words.

**Math Goal Group:** Colleen Barlow, Karen Jenks, Robin Logan, Carla Carrizosa, Heather Hartley, Darcie Santman, Brendan Jeffreys, Maureen Green

### Math Goal Group Research Materials:

Stein, Kinder, Silbert, Carnine Designing Effective Mathematics Instruction: A Direct Instruction Approach; 2006

NCTM Principles for Improving Math Instruction

- High expectations and strong support for all students
- Curriculum must be coherent, focused on important mathematics and well-articulated across the grades
- Effective math teaching requires understanding what students know and need to learn. Then challenging and supporting them to learn it well.
- Students must learn mathematics with understanding, actively building new knowledge from experience and prior knowledge.
- Assessment should support the learning of important mathematics and furnish useful information to both teachers and students.
- Technology is essential in teaching and learning mathematics; it influences the mathematics that is taught and enhances students’ learning.

**Supportive Learning Environment Goal Group:** Colleen Barlow, Karen Jenks, Robin Logan, Heather Hartley

**Supportive Learning Environment Research Materials:**

*Wei, R.C. et al. Professional Learning in the Learning Profession: A Status Report on Teacher Development in the United States and Abroad; National Staff Development Council; 2009*

- Professional development should be sustained, coherent, take place during the school day and become part of a teacher's professional responsibilities, and focus on student results.

Read First New Jersey; <http://www.state.nj.us/education/readfirst/pd/>

- Professional development activities:
  - Relate to school and district mission and goals;
  - Require administrative participation and support;
  - Encourage educators to collaborate in planning their own professional learning;
  - Should be designed to address the needs of all students including Special Education, Behavior Disorder, and ELL students; and
  - Should foster active, investigative, reflective practitioners.

### Rationale for SMART Goals:

Gildo Rey staff has selected 3 goals to focus our attention on for the next 3 years as we work together for student success. Our growth in the areas of math and reading is above the state average. We will continue to use building created and nationally norm referenced assessments as a tool. Our ultimate goal is to have 100% of our students meeting standard on the state mandated assessments.

Our third area of focus is a supported learning environment. Our school is a challenging school due to the mobility rate, ethnic diversity and free and reduced lunch rates. We must be prepared to meet the dynamic needs of our student population. We will use our third goal area to expand our knowledge and resources available to equip our staff to have the most impact on student learning.

### SMART Goal 1:

A minimum of 95% of Gildo Rey students will meet standard in **literacy** as measured by the 2015 MSP.

### SMART Goal 2:

A minimum of 95% of Gildo Rey students will meet standard in math as measured by the 2015 MSP.

### SMART Goal 3:

By 2015, 80% of those surveyed will indicate a perception that at Gildo Rey there is a high level of focused professional development.

# Needs Assessment Data Documents

## **School Leadership Team Meetings:**

October 31, 2011: Initial steering meeting  
November 3, 2011: Staff meeting SIP Introduction  
November 7, 2011: Para meeting SIP Introduction  
November 14, 2011: Reading Subcommittee  
November 21, 2011: Steering team meeting  
November 28, 2011: Staff non-negotiable input  
December 1, 2011: Reading data with Staff/ Reading/CEE subcommittee  
December 5, 2011: Staff Action Plan for reading  
December 8, 2011: Steering Team crafts reading Action Plan/Whole staff CEE data  
December 15, 2011: Steering Team CEE data and math data organize  
January 5, 2012: Staff Math data/goals  
January 6, 2012: Steering Team finalize rough draft  
April 12, 2010: Finalize SIP Document as a Whole Group

## **District Meetings:**

October 31, 2011: Data Analysis and Goal Setting  
Facilitators: Pili Wolf and Adriane Hartness  
November 14, 2011: SMART Goals  
Facilitators: Pili Wolf and Adriane Hartness

## **Staff Professional Development:**

October: Guided Language Acquisition Design (GLAD)  
November: Common Assessments (ATLA)

# SIP Gildo Rey

## Timeline for Implementation

Goal 1 Reading		2012	2012-2013			2013-2014			2014-2015		
Action	Implementation	Spring	Fall	Winter	Spring	Fall	Winter	Spring	Fall	Winter	Spring
Deliberately address the assessed needs of students in phonemic awareness and phonics through explicit direct instruction in the identified areas of need.	Assess students										
	Group and/or regroup according to needs										
	Select materials and instructional staff to provide tiered instruction										
	Monitor instruction and student progress										
Implement consistent and deliberate direct instruction of fluency K-5.	Professional Development on researched based fluency instruction										
	Develop DIBELS assessment calendar										
	Assess students (DIBELS)										
	Data Meetings										
	Group and/or regroup according to needs										
	Select materials and instructional staff to provide tiered instruction										
Implement deliberate direct instruction of tier 2 vocabulary words for grades K-5.	Monitor instruction and student progress										
	Professional development in Tier 2 vocabulary										
	Develop word lists for each grade level										
	Implement Direct instruction strategies										
	Define formative and summative assessments; refine instruction										
Implement consistent and deliberate direct instruction using best practices in comprehension strategies and metacognition.	Monitor instruction and student progress										
	Professional Development on Metacognitive strategies										
	Deliberate implementation of strategies										
Adjust curriculum as well as formative and summative assessments to Common Core Standards	Monitor instruction and student progress										
	Review and learn standards and item specifications										
	Design and/or edit assessments										

Goal 2 Math		2012	2012-2013			2013-2014			2014-2015		
Action	Implementation	Spring	Fall	Winter	Spring	Fall	Winter	Spring	Fall	Winter	Spring
Design and deliver a direct instruction-based, balanced math program including: tight alignment to the standards, daily fact strategies and practice, consistent daily review and re-teaching, differentiated instruction	Align instruction to standards										
	Implement daily math fact practice										
	Implement consistent, daily mixed review										
	Differentiate instruction in whole class; re-teaching or enriching as needed										
Design and implement standards-based assessments and make data driven decisions based on assessment results	Edit current assessments										
	Administer end of PE assessments										
	Administer benchmark assessments grades 3-5										
	Meet as a data team to make grouping decisions										
Provide direct instruction in problem solving strategies	Collaborate on protocols and procedures										
	Implement strategies and consistent practice										
Increase vertical alignment through development of K-5 common vocabulary and instructional methods	Grade levels compile vocabulary lists and terminology										
	Collaborate and finalize common vocabulary and terminology K-5										
	Implement finalized procedures										
Adjust curriculum as well as formative and summative assessments to Common Core Standards	Review and learn standards and item specifications										
	Design and/or edit assessments										

Goal 3 Professional Development		2012	2012-2013			2013-2014			2014-2015		
Action	Implementation	Spring	Fall	Winter	Spring	Fall	Winter	Spring	Fall	Winter	Spring
Identify specific areas of need in professional development.	Survey staff										
	Data roundtable with all staff										
Identify available professional development resources.	Review funding sources										
	Determine availability of experts										
	Identify and apply for grants										
	Identify areas of expertise among staff members										
	Determine building professional development calendar										
	Identify professional development opportunities in surrounding area										
	Provide classroom coverage or stipends										
Increase participation in professional development for all instructional staff.	Bring opportunities to building during school hours										
	Ensure opportunities for all staff members to attend professional development										
	Encourage staff to be committed to the process										

Gildo Rey  
Strategic Improvement Plan  
2012-2015

# Gildo Rey Mission:

To provide academic and social opportunities in a safe and positive environment dedicated to the belief that all students will reach their greatest potential.

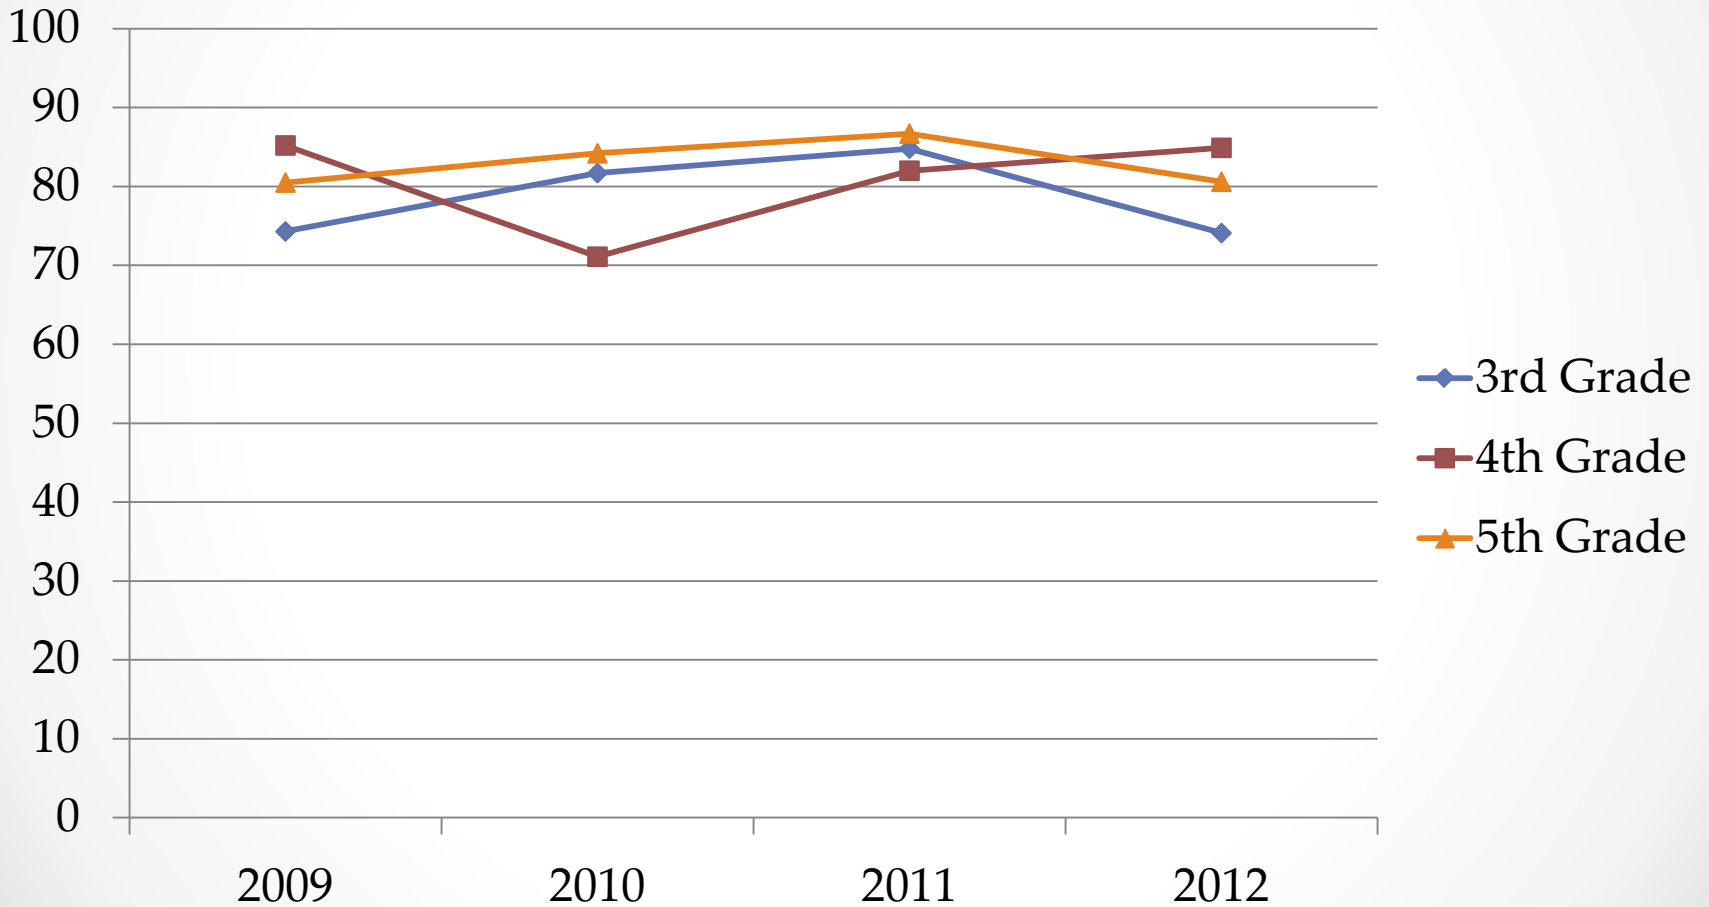

# Planning Process

- Teacher leaders gathered data from OSPI
- Data was presented to school staff and SIP leaders facilitated discussions once per week (Demographic, Achievement, CEE Perceptual Survey)
- SMART goals were written based on MSP achievement over time, number of students meeting state standards, and requirements of NCLB
- Plan was written and presented to entire school staff for approval
- Reviewed each fall and spring to determine on-going needs

# Student Demographic Data

	<u>Past</u> 2008-09	<u>Now</u> 2011-12
• Free and Reduced	71.4%	82.8%
• Hispanic Population	36.8%	47.9%
• English Lang. Learners	29.3%	38.1%
• Enrollment	437	493

# Math Trends for Grades 3-5

# Annual Measureable Objectives (AMO)

## Math

# Fully-Revised SIP

- Develop a needs assessment (at grade level and across grade-levels)
- Refine current practices to reach students who have yet to meet standard (Flexible, differentiated groups)
- Implement School-wide SIP based on data (CEE, MSP, DIBELS, WLPT-II, classroom assessments and monitoring)
- Focused Professional Development

# Professional Development

- Guided Language Acquisition Design (GLAD)  
(K-2) 2010-present
- Auburn Teacher Leadership Academy (ATLA)  
2009-present
- Anita Archer (Explicit Instruction) August 2012
- Ruby Payne (Understanding Poverty) March 2013
- Marcy Stein (Math Fact Fluency, Direct Instruction) 2011-present

# Meeting the Needs of ALL Students

## Instruction

Question 1: What do students need to learn?

- State standards/Common Core Standards

Question 2: How will we know when they learned it?

- On-going classroom assessments, data review meetings, classroom observations and monitoring

Questions 3/4: What will we do when they do/don't succeed?

- Flexible groupings for intervention/enrichment, re-assess and regroup/professional development

Letter of Agreement  
Participation within VEBA III at Retirement

It is agreed between the parties that at the time of separation from school district employment due to retirement, an eligible employee will receive non-monetary remuneration at a rate equal to one (1) day's current monetary compensation of the employee for each four (4) full days accrued leave for illness or injury up to a maximum of one hundred eighty (180) days in the form of post-retirement medical benefits consistent with the terms and conditions of participation within VEBA III.

Should the legislature revoke any benefits granted under this section, no affected employee shall be entitled thereafter to receive such benefits as a matter of contractual right.

It is understood that the terms of this letter of agreement are applicable for the 2012-13 school work year only commencing with the effective date below.
