

AGENDA FOR BOARD OF DIRECTORS
AUBURN SCHOOL DISTRICT NO. 408
Monday, October 8, 2012

- I. TIME AND PLACE
 - 1. 7 p.m. at the James P. Fugate Administration Building
- II. ROLL CALL
 - 1. Roll call of board members
- III. PLEDGE OF ALLEGIANCE
- IV. AUDIENCE PARTICIPATION
 - 1. Written communications
 - 2. Scheduled communications
 - 3. Unscheduled communications
 - 4. Community groups and organizations
- V. LEGISLATIVE UPDATE
- VI. STUDENT PARTICIPATION
 - 1. Evergreen Heights Elementary School art display
 - 2. Activity/athletic report
 - 3. High school proms
 - 4. Requests for travel
- VII. SCHOOL PROGRAMS AND STUDENT ACHIEVEMENT
 - 1. 2012-13 Auburn Riverside High School Improvement Plan
- VIII. PERSONNEL
 - 1. Certificated and classified personnel report
 - 2. Approval of salary schedules
 - 3. Ratification of agreement
 - 4. Requests for travel
- IX. BUILDING PROGRAM
 - 1. Alpac Elementary School improvements project
 - 2. Gildo Rey Elementary School improvements project
- X. FINANCE
 - 1. Vouchers

XI. DIRECTORS

1. Approval of minutes
2. First reading of revised policy
3. Discussion
4. Executive session

LEGISLATIVE UPDATE

The board will discuss legislative items.

STUDENT PARTICIPATION

1. Evergreen Heights Elementary School Art Display

Anne Gayman, Evergreen Heights Elementary School principal, will introduce Kaycee Valdez and Hannah McLaughlin, students, who will present the Evergreen Heights Elementary School art display and answer questions from the board.

2. Activity/Athletic Report–Cascade and Olympic Middle Schools' Football Programs

Darice Johnson, Cascade Middle School assistant principal, will introduce Steve Homfeldt, Cascade Middle School coach, who will introduce Gavin Strojan and Darius Hatcher, students. John Aiken, Olympic Middle School assistant principal, will introduce Orlyn Carney and Lew Keliher, Olympic Middle School coaches, who will introduce Christian Inda, Justin Chase, Mark Bradford, Jonathan Short, and Anthony George, students. The students will report on their respective school's football program and answer questions from the board.

3. High School Proms

Richard Zimmerman, Auburn High School principal, will introduce Jennifer Skeel, senior class advisor, who will introduce Joseph Vizzare, senior class president, and Rebecca Galati, senior class vice president. Terri Herren, Auburn Mountainview High School principal, will introduce Kay Lorrain, senior class advisor, who will introduce Jeffrey Lacey, senior class president, and Ryan Wilson, ASB president. Meri Benedict, Auburn Riverside High activities director, will introduce Sue Neu, senior class advisor, who will introduce Lauren Jackson, senior class president. The students will report on prom plans for their respective schools and request permission to hold their proms as indicated below:

- Auburn High School, The Space Needle, Seattle, on June 8, 2013, from 9 p.m. to midnight.
- Auburn Mountainview High School, Newcastle Country Club, Renton, on June 8, 2013, from 9 p.m. to midnight.
- Auburn Riverside High School, E.M.P., Seattle, on April 27, 2013, from 8:00 to 11:00 p.m.

Recommendation: That the board approve prom plans as outlined and presented.

4. Requests for Travel

- a. Six Auburn Mountainview High School students request permission to travel to Kennewick, Friday to Saturday, October 12-13. The purpose of the trip would be to attend the FFA (Future Farmers of America) Floral CDE (Career Development Events) Competition. Lodging will be at the Holiday Inn Express, meals will be at local restaurants, and travel will be by rental car. All costs will be paid by ASB funds. Regina Grubb, Auburn Mountainview High School teacher, requests

permission to accompany the students. A substitute will be needed for one day.

- b. Ten Auburn Riverside High School students request permission to travel to Randle, Saturday to Tuesday, October 20-23. The purpose of the trip would be to attend as counselors for the Middle Level Leadership Retreat. Lodging and meals will be at the Cispus Learning Center and travel will be by personal car. All costs will be paid by the Retreat sponsors. Greg Brown, Mt. Baker Middle School principal, requests permission to accompany the students. No substitute will be needed.

Mrs. Kelly Brown, chaperone, requests permission to accompany the students.

- c. One Auburn High School student and three Auburn Mountainview High School students request permission to travel to San Antonio, Texas, Thursday to Sunday, November 15-18. The purpose of the trip would be to present at the National Journalism Convention. Lodging will be at the Marriott hotel, meals will be at local restaurants, and travel will be by airplane. Lodging and travel costs will be paid by ASB funds and meal expenses will be paid by personal funds. Thomas Kaup, Auburn High School teacher, and Katja Hiltunen, Auburn Mountainview High School teacher, request permission to accompany the students. Two substitutes will be needed for two days.

Recommendation:

That the above trips be approved as requested.

SCHOOL PROGRAMS AND STUDENT ACHEVEMENT

1. 2012-13 Auburn Riverside High School Improvement Plan

Rodney Luke, associate superintendent of K-12 student learning and technology, will introduce Dave Halford, Auburn Riverside High School principal, who will introduce Nola Wilson, assistant principal; Andrew Monsen, social studies teacher; and Susan James, language arts teacher/principal intern. The team will present the 2012-13 Auburn Riverside High School improvement plan, share a power-point(prezi)presentation and answer questions from the board. This presentation aligns with the 2009-12 district strategic improvement plan, Goal 1: student achievement, Objective 1.b school improvement plans and the 2012-13 stated district goals, Standard III "create conditions district wide for student and staff success".

Recommendation:

That the board approve the 2012-13 Auburn Riverside High School Improvement Plan.

SMART Goal 1

Subject Area: Reading

Target Population

All 9th and 10th graders

Our Reality

2010 Spring Reading HSPE scores show that 82% of 10th graders met standard.

Our SMART Goal

The number of 10th graders meeting standard on the Reading HSPE will be increased to 90% by 2014.

SMART Goal 2

Subject Area: Math

Target Population	9 th – 11 th Graders
Our Reality	Because this is the first year of statewide EOC implementation, no credible baseline data exists for the exam in terms of passing or raw score analysis. Once we have an EOC baseline, this goal and our data analysis will be adjusted to incorporate meaningful and statistically accurate data.
Our SMART Goal	The number of students who are failing Algebra and Geometry End-of-Course exams will be decreased by a total of 5% by 2014.

SMART Goal 3

Subject Area: Supportive Learning Environment and On Time Graduation

Target Population	9 th grade at risk Freshman and credit deficient upperclassmen
Our Reality	11.16% of ARHS 9 th graders are At Risk after their first semester
Our SMART Goal	Starting with the class of the 2015 ,there will be a 10% decrease of at risk 9 th graders, over the previous year at risk 9 th graders , as measured by the district using credit attainment.

A TIME TO ASSESS AND RESET

Is it possible, half way? 5 months until graduation? Where did the time go? As you complete your grades and begin planning for this next semester please consider experimenting with some of the "Best Talks & Walks" from this years Professional Development. I'm always interested in hearing successes and failures. We can learn from both.

Sign Waving. Thanks to everyone who signed up. There is always room for more to join. Please see Tom Adams if interested. 1/30, 1/31, 2/13

Leaflet Distribution. Thank you Kelly and Key Club for volunteering to distribute this information to houses in Lakeland. Please be sure to give them

your personal thanks allowing us to focus our resources elsewhere.

Breaking Down the Walls. We have had an overwhelmingly positive response to the program this week. Your flexibility as a staff to see how this can have a positive effect on the building environment is appreciated. 35 Staff Members & 600 Students involved!

Professional Development. You will be receiving emails from administrators next week organizing the book studies you signed up for to organized dates and times. Also, please don't forget to complete and turn in your Peer Observation forms to Mary. Once you have them completed, clock hours will be distributed.

By request, "Best Walks & Talks":
"DI: One Size Fits All?"

Nola Wilson

If you're reading this on Monday, then you're reading on the half way day. We are half way through the school year. Hard to believe that ninety school days, give or take a few snow days, have passed. Hard to believe that my almost 18 year old, who was one year old when ARHS opened, will be graduating in another 90 school days...but I digress.

We are at the half way point, the start of a new semester for kids and courses. So I wanted to share a DI idea that you may find helpful at the beginning of a new semester. This DI idea addresses the myth that One Size Fits All. I mean really, is it truly possible for the same swim suit cover up to look good on Kaisa Swendall-White and look good on me? Seriously? No, we all know that one size never fits all.

Think about the last teacher's conference you went to that promised to improve your teaching. Unless it was a subject specific conference, you went in with great hopes but in the end left with routine comments on your evaluations. Those comments usually consist of, "wish this could have been applied to my subject area to make it more relevant" or "In theory I get it, but I need more application to my subject area." These are statements of relevance. We want conferences to be relevant to our interests, our subject area, and our needs at the time. One size does not fit all in conferences.

Kids want relevance too. Engaging students in curriculum and tasks they find irrelevant is always a challenge. **Relevance is a key factor in human motivation!**

Differentiated instruction, offers clear avenues for students to find meaning in what and how they are taught, through student inventories and interest surveys. By developing and using Student Profiles in your classroom, you can keep your curriculum more closely tied to student interests and preferences, allowing relevance to help keep students motivated...making your job easier.

For clarification, *student interests* refers to such topics as outside interests, hobbies, routines, family life, goals, and dreams. Student inventories can also be referred to as learning inventories. Inventories can include learning styles (visual vs kinesthetic), grouping preferences (alone or partnered), environmental preferences (quiet work area or active surroundings). [Student Profiles can be gathered over the next few days and then used as you plan and orchestrate learning throughout the semester.](#)

Remember, DI is not an everyday thing and to begin with, try just one thing a month.

Attached are a few different types of inventories or surveys. There are other surveys available in books as well...Corin Malone is a great resource, she has a fabulous DI library started. Once you've gathered information, consider these ideas to start:

Group kids based on preferences.

Kids who love to read aloud work in one group, while kids who love to read first alone then discuss work in another.

Kids who love to draw or design work in one group while kids who love to play with words work in another.

Character analysis: If Martin Luther King had been a __ (insert student's favorite hobby...ie: skateboarder) __ how would famous events have looked differently?

Career orientation: In what way did this invention/scientific discovery/historical turning point impact your future career?

Metaphor: How is your __ (favorite hobby) __ like this "concept" or what similarities are there between them or contrast "this" to "that".

Further reading of another type of inventory:

IT'S WINTER SPORTS PLAYOFFS

Remember the "Big Elephants" - Be Nice!
ASB's Charge - "It's 'R' Time!"

"My mind is my biggest asset. I expect to win every tournament I play." -- Tiger Woods

A 4 DAY WEEK FOLLOWED BY A 4 DAY WEEKEND!

On Friday, I heard the greatest story of how Breaking Down the Walls made an impact. It's not mine to share but please take time to ask Art or Julie. It's pretty amazing.

Advisory Day. Today, Monday 2/13, is ARHS' last advisory day for this year. All information was distributed last week. 9th grade is in the gym with Raven Crew, 10th grade is working on their Student Led Conference packets (mailed & performed at home), 11th grade is in the ART for the state mandated HIV/AIDS presentation, and this is the 12th graders last opportunity to work with advisors in completing their state mandated portfolios. Please note adjusted schedule for the day. If you are unsure

of your role please contact an administrator.

No School Friday 2/17. Only 12 month employees must report on this Friday, 2/17.

Election Day is Valentine's Day. 2/14 is the BIG day for the School Levy and Bond. Our last four groups of sign waivers happen today! Thanks to everyone who played a role and donated time towards this worthy cause. It was very much appreciated.

Professional Development. Teachers have already begun turning in sign-off sheets for the 3 hours of Peer Observations. Please don't forget to complete these and turn them into Mary Shabel.

Have a great week! - Dave

Auburn Teacher Leadership Academy - "ATLA" -presents:
Part 1 – Why use Common Assessments?

by Susan James - "ATLA #2 Member"

As a staff, we've been working with our PLCs for a while.

With our teams we've created assessments, through collaboration, with the hope of identifying what students have learned or not learned yet. It's been a learning process for everyone, through trial and error. Hopefully, we have increased our knowledge of what works (and doesn't work) each time through the cycle. Now that we've all completed at least a couple assessment cycles, it's time to examine specific ways we can strengthen, add clarity, and more effectively use the data generated in these cycles.

"Education if not the filling of a pail, but the lighting of a fire." –William Butler Yeats

Assessment, whether formative (to support continued learning) or summative (assessment of learning), involves collecting data to help make decisions. According to Rick Stiggins, "you can enhance or destroy students' desire to succeed in school more quickly and permanently through your use of assessment than with any other tools you have at your disposal." As teachers, we should be able to effectively monitor student responses to our instruction and assessment tasks, ask the right questions, analyze the responses we gather to find the learner where they are, and then work to take them where they need to be. These strategies should involve students in the process, and include checking and rechecking along the

way so we can continue the learning and know when each learner has "arrived" at mastery.

Team-developed common assessments can inform and improve the practice of teaching, and help build team capacity to achieve at higher levels, with greater impact. The more we collaborate with effective assessments, the better we all become at understanding and addressing roadblocks in student learning. We become more effective in the classroom.

Common assessments have the power to greatly impact student learning. They provide the information needed to answer the four questions we've been asking ourselves since we started PLCs: *What it is we expect students to learn?*

How will we know when they have learned it?

How will we respond when they don't learn?

How will we respond when they do learn?

For the next couple months, the ATLA team will be breaking down and sharing a 2-day workshop on building common assessments.

Keys to Quality Classroom Assessment.

The purpose of the assessment is clear.

The targets of the assessment are clear.

Appropriate methods and methodology are employed.

Effective communication is utilized.

Students are involved in the process.

Over the next several readings, we'll address these keys in more detail. Researchers studying assessments have determined that better formative assessments can produce higher test scores. *In fact, a meta-analysis by Stiggins in 2005 revealed that a good formative assessment rivals one-on-one tutorial instruction, with the largest gains for low achievers.* However, formative assessments must be accurate, provide descriptive feedback, and include student involvement to be most effective.

In order to know who gets it and how doesn't, *PLCs need to create Common Assessments with specific learning targets, clear rubrics for measurement, an effective way to survey the data, and application of the results, in a descriptive and timely manner, to improve student learning.* We will break down each step over the next two months, providing additional handouts and resources your PLC can use to continue your improvement with Common Assessments. If you want to preview some of these resources, see the "Building Common Assessments" folder on the share drive. The texts we are using include The Teacher as Assessment Leader, edited by Thomas R. Guskey, and Building Common Assessments (an extensive, bound hand-out from the 2 day presentation Nov. 30, Dec. 1).

Your ATLA 2 Team Thanks you!

Planning Year 2010-2011
Implementation September 2011-June 2014
Auburn Riverside High School

Strategic Improvement Plan
Prioritized challenges

Strategic Plan Adopted by the Auburn School Board of Directors on

September 2011-June 2014
Auburn School District Strategic Improvement Plan

District Improvement Goal 1: Student Achievement

With district support, leadership, and guidance each student will achieve proficiency in the Washington Comprehensive Assessment Program (WCAP) and all schools will meet adequate yearly progress by meeting or exceeding the Washington State uniform bar in reading and mathematics in grades 3 through 8 and 10.

District Improvement Goal 2: Dropout Rate and On-time Graduation

Schools will reduce dropout rates and meet additional Adequate Yearly Progress indicators as determined by K-8 attendance and high school on-time graduation rates.

District Improvement Goal 3: Parents/Guardians and Community Partnerships

The district and schools will continue to develop partnerships to support student academic achievement and success.

District Improvement Goal 4: Policies and Resource Management

The district will focus on improving student academic achievement and narrowing the achievement gaps in its policy decisions and resource allocation.

2010-2011 Stated District Objectives-Student Achievement and Accountability

Superintendent implements district strategic improvement plan to establish professional learning communities, become a standards-based district, produce power standards, develop common formative assessments, monitor student achievement, and provide intervention for continuous improvement for 10% more students at or above standards in reading and math.

Superintendent increases high school graduation rates to 95% and increasing high school aggregate credits earned and decreasing failing grades in 9th grade.

Superintendent increases learning enrichment and achievement beyond standards for all students including less represented population.

Requirements for School Improvement Plan WAC 180-16-220

Each school in the district shall be approved annually by the school board of directors under an approval process determined by the district board of directors. “At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan”.

The checklist below contains the required elements for School Improvement Plans under WAC 180-16-220. School Improvement Plans are subject to review by the Office of Superintendent of Public Instruction (OSPI).

1. ↑ Evidence and date of annual school board approval.
2. † Evidence staff certification requirements were met.
(Highly Qualified)
3. † Evidence the plan is based on self-review and participation of required participants (staff, students, families, parents, and community members).
4. ↑ Brief summary of use of data to establish improvement.
5. ↑ How continuous improvement in student achievement of state learning goals and essential academic learning requirements (EALRs) is promoted.
6. ↑ Recognition of non-academic student learning, what and how.
(School Climate, bullying, counselors, community resources, partnerships, student leadership; interpersonal relationship skills)
7. ↑ Plan addresses characteristics of successful schools.
8. ↑ Plan addresses educational equity (gender, race, ethnicity, culture, language, and physical/mental ability).
9. ↑ Plan addresses use of technology to facilitate instruction.
10. ↑ Plan addresses parent, family, and community involvement.

Failure to make AYP for two consecutive years will result in identification for school improvement beginning with Step 1. The consequences associated with each step are detailed at: <http://www.k12.wa.us/ESEA/AdequateYearlyProgress.aspx>

Executive Summary

Auburn School District Mission

In a safe environment, all students will achieve high standards of learning in order to become ethically responsible decision makers and lifelong learners.

Auburn School District Vision

The vision of Auburn School District is to develop in students the skills and attitudes that will maximize their potential for lifelong learning and ethically responsible decision making.

Sample School Vision

ARHS: where personalized learning reaches every R espectful, contributing citizen
A ccountable to self and others
V alued critical thinkers
E ffective at communicating
N avigators of life's challenges and opportunities

Sample School Mission

Reaching every R.A.V.E.N.!

Background Information

WAC 180-16-220

Requirements for School Improvement Plan

Each school shall be approved annually by the school board of directors under an approval process determined by the district board of directors and "At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan." School Improvement plans must include a brief summary of use of data to establish improvement; acknowledging the use of data which may include DIBELS, MAP, WLPTII, Credit Attainment, Enrollment in Honors/AP Courses, CEE Perceptual Data, SAT/ACT, Discipline, and MSP or HSPE.

We began this process in November, 2010, with monthly trainings, staff data carousels in January, and SIP work meetings throughout the spring of 2011. This document includes the following: school's mission and statements, demographics data, school climate information, student achievement data, goals, and an action plan.

Demographic data

Introduction

The Auburn School District is medium in size. Located southeast of Seattle, Auburn's population growth has slowed in the last two years after making gains in size the previous four years. This rate change is attributed to economic changes in our nation. Auburn Riverside opened in 1995 making this the third high school. Percentages of Auburn Riverside High School's free or reduced-price lunches (26.7%) are lower than the district's (48.6%) and state (42.3%) however, information from feeder middle schools indicates that these numbers may not be accurate, and indicate that we should perhaps have up to 37% of our students receiving free and reduced lunches. This can possibly be attributed to high school students being less willing to report this information.

Enrollment

Auburn Riverside High School is the second of three comprehensive high schools in the Auburn School District. The enrollment of Auburn Riverside High School has grown from 1,110 students in 1995 to 1,694 students in 2010.

Ethnicity

Auburn Riverside High School's ethnicity is becoming more diverse, although we are not as diverse as the district as a whole. The Native American population is approximately 1.7% of the population. The Asian/Pacific Islander population is approximately 11.6%. Our Black population is 4.8%. The Hispanic population is 12.2%. The White population is 69.5%.

Gender

Data indicates a decrease in the male population and an increase of the female population at Auburn Riverside High School. In 2006 males comprised 51% of the population, while in 2010 they comprised 48.7% of the population. The female population went from 49% in 2006 to 51.3% in 2010. The district gender data, on the other hand, has remained stable, with males comprising 51.6% of the population and females 48.4% of the population.

Special Education

The percentage of students enrolled in Special Education at Auburn Riverside High School increased from 5.1% in 2006 to 5.6% in October of 2010. The total district rate of students enrolled in Special Education is 11.8%.

Free or Reduced Lunch

Free and reduced lunch rate increased from 18.4% in 2006 to 26.7% in 2010. Students experiencing poverty in the Auburn Riverside High School boundary area continues to be a concern. Processes are in place to discreetly identify students who qualify for free or reduced lunch. Our district's current Free and reduced lunch rate is 48.6%

SIP Template

Transitional Bilingual

Data suggests the English Language Learners number at Auburn Riverside High School is fluctuating and in 2006 was 2.8% and is currently 3.8%. Hispanic, Eastern European, and Marshallese students account for the majority of students enrolled in the English Language Learner program at ARHS.

Graduation Rates

The recent on time graduation rate at Auburn Riverside High School is 88.6%. The most recent dropout rate at Auburn Riverside High School is 2.7% or 44 students.

Teacher Statistics

The number of classroom teachers at Auburn Riverside increased from 67 teachers in 1995 to 87 teachers in 2010. The percentage of teachers with a master's degree at Auburn Riverside High School is 71.3%. The average years of teaching experience at Auburn Riverside High School is 13.2.

Discipline and Attendance Analysis

In the 2009-10 school year, ARHS reported 358 suspensions, with 77 students comprising 2 or more of those suspensions as repeat offenders. Of the 358 suspensions, 60% were white students and the other 40% were of other ethnicity.

For the 2009-10 school year, the average number of absent students per period was 27,339 with 1st period and 6th period have the highest at 28,895 and 28,639 respectively.

Assessment Decisions

The ARHS leadership team, part of the campus decision making model made up primarily of department chairs and PLC leaders, utilize MAPS, HSPE/EOC, WLPT, CEE, and credit attainment as primary assessment indicators of student learning.

Data Analysis- MAPS

Fall 2009 MAPS data indicates:

18.9% of 9th graders are At Risk in Reading; 19.3% are Moderate Risk; and 61.7% are On Target.

In Math, 14.8% of 9th graders are At Risk; 16.2% are Moderate Risk; and 68.9% are On Target.

ARHS students in 9th grade national MAPS math are achieving above the national average.

In 2010, girls are more than a grade level ahead than the boys on the reading Maps test

Data Analysis- WLPTII

Spring 2010, WLPT II data indicates:

- 100% of Ell students enrolled at AHRHS at the time of testing took the test.
- Out of 56 students tested, 5 students achieved transitional status and exited program, which did not meet the requirement for AMAO 2.
- 16 of 45 students made gains, which did not meet the requirement for AMAO 1.

SIP Template

- Most of the Ell students grade 9-12 at ARHS scored in the Level 3, advanced English, category.
- The smallest number of ELL students grade 9-12 scored in the Level 1, beginning, category.

Data Analysis- Credit Attainment, Honors/AP/CTE Enrollment

2010/11 School Year Honors Class enrollment:

Honors Lang Arts 9	152
Honors Lang Arts 10	126
Honors World Studies	122

2010/11 School Year AP Class enrollment:

AP Calculus	68
AP Statistics	18
AP Language/Comp	103
AP Literature/Comp	20
AP European History	108
AP US History	66
AP US Pol & Go	62
AP Psychology	8
AP Chemistry	29
AP Biology	15
AP Physics	8
AP Computer Sci	12
AP French	3
AP Spanish	13
AP Japanese	7
AP Studio Art	1

2010/11 Career and Tech Ed Class enrollment:

Automotive	8
Business	86
Carpentry	160
Computer Network	34
Culinary Arts	200
Drafting/Eng	114
Electronics	71
Family/Con Sci	25
Marketing	91
World Language	129
Viscom/Drawing	302

Data Analysis- CEE Perceptual Survey

Data from the CEE Survey, which includes information on curriculum, mission, beliefs, vision, assessment, leadership, and organization, provides valuable perceptual input from the community, parents, students and staff.

Strengths

- 99% of staff want to make ARHS a better place.
- 90% of students feel ARHS celebrates student academic success.
- 82% of students feel that teachers find ways to help them learn.

Weakness

- Only 14% of ARHS staff believe that struggling students almost always receive early intervention help, and 40% of parents and students believe staff will adjust instruction or accommodate student needs.
- Less than 50% of teachers believe students will hit standard in any given area (with the exception of reading).
- 34% of students think ARHS teachers don't expect all students to succeed.

Achievement

At Auburn Riverside, no cell met AYP for Proficiency in Math for 2010-2011. All other cells met AYP. The following were not trigger cells due to low numbers of students in these cells: American Indian, Limited English, and Special education.

Overall, in Reading and Math, Riverside met AYP in 19 cells and did not meet AYP in six cells. This represents a 76% success rate in Proficiency. Riverside met the Participation Goal in all cells, except for the three sections not triggered due to low numbers, as mention in the paragraph above.

MSP/HSPE Reading

Since 2004-05, Auburn Riverside has scored above the district and state average in Reading. The percentage of students meeting standard in Reading for the last four years has been:

Percentage of Students Meeting Standard

2007	82.2% WASL Reading	State 80%
2008	82.8% WASL Reading	80%
2009	85.0% WASL Reading	81%
2010	82.0% HSPE Reading	79%

Group	Adjusted % Met AYP	421 Continuously Enrolled Students were eligible for the assessment
American Indian	Not required	
Asian/Pacific Islander	97.3	
Black	94.7	
Hispanic	82.1	
White	93.6	Source: http://reportcard.ospi.k12.wa.us/AYPProficiencyDetail.aspx?schoolID=1413&reportLevel=School&yrs=15&year=15&chartType=1
Limited English	Not required	
Special Education	Not required	
Low Income	77.2	

In 2009, students in both the district and state all scored lower than the previous year. In 2009 the state changed the Reading Assessment to the HSPE, which differed structurally from the WASL, including more multiple choice questions, addition of fill-in-the-blank questions, and elimination of extended responses.

MSP/HSPE Math

From 2004 to 2010, Riverside students have outscored other students in the district. From 2005-06 through 2009-2010, Riverside students have outpaced the state average for Math scores.

Percentage of Students Meeting Standard

2007	53.6% WASL Math	State 50.4%
2008	51.1% WASL Math	49.6%
2009	47.3% WASL Math	45.4%
2010	43.4% HSPE Math	41.7%

Group	Adjusted % Met AYP	420 Continuously Enrolled Students were eligible for the assessment
American Indian	Not required	
Asian/Pacific Islander	51.8	
Black	37.0	
Hispanic	42.8	
White	59.9	Source: http://reportcard.ospi.k12.wa.us/AYPProficiencyDetail.aspx?schoolID=1413&reportLevel=School&yrs=15&year=15&chartType=1
Limited English	Not required	
Special Education	Not required	
Low Income	32.9	

Even though Riverside students have scored higher than the district and state averages, ARHS student scores have followed the same trends as the scores at other schools and the district. The year 2007 appears to be the current high point for math scores.

In 2011, the state assessment is changing to an end-of-course exam, so we will have a new reference point for student achievement after we receive data on the new assessment. The newer exams are course-specific for Algebra and Geometry, and should provide better data to address teaching and student learning.

MSP/HSPE Science

From 2004 through 2010, WASL and HSPE scores for Riverside students and the district as a whole, have generally lagged behind the state.

Percentage of Students Meeting Standard:

ARHS		State	
2007	26.7% Science WASL	2007	36.4%
2008	33.6% Science WASL	2008	33.6%
2009	21.4% Science WASL	2009	38.8%
2010	38.1% Science HSPE	2010	44.8%

SIP Template

It should be noted that from 2007-2010 Riverside has had 41.1%, 62.1%, 61.4%, and 22.6% of students with no score, due primarily to lack of attendance during testing due in turn to lack of state requirements. As 2011 is the first year students have been required to take the test, the data should provide some new insights. Next year as well, the state assessment is changing to an end-of-course Biology Exam, so like Math, we will have a new reference point for student achievement.

MSP/HSPE Writing

From 2003 through 2010, scores for Riverside students have been above the district average, except for 2010; district scores were .4% higher in 2010. Versus state scores, Riverside students have scored lower in three of the past six years, 2005, 2008, and 2010.

Percentage of Students Meeting Standard

2007	89.3% Writing WASL	State 83.9%
2008	86.4% Writing WASL	86.8%
2009	90.7% Writing WASL	86.7%
2010	84.5% Writing HSPE	86%

The assessment changed between 2009 to 2010, from the WASL to the HSPE. It is unknown whether that change contributed to the lower scores in 2010. We will have more data for comparison after we receive the 2011 HSPE Writing scores.

Writing is not one of the measured areas for AYP, for ESEA and NCLB.

Prioritized Challenges

Less than 50% of all students taking the Math HSPE are currently passing. Although the test has changed for this current year and will be an EOC, strategies must still be put in place to better prepare the majority of students for success on this graduation requirement.

Low income student score 20-25% lower on HSPE reading than non-low income students.

The on-time graduation rate dropped for the first time in 4 years to under 90% and the extended graduation rate has also declined over the past 4 years to 93% while the drop-out rate increased by 1%

In 2009-10, for every grade level, the GPA's in the range from a 3.0 – 4.0 or higher dropped, and the range from 0.0 – 1.0 increased.

Study Teams

(Each study team should consider parent/community involvement, cultural competency and integration of technology as potential strategies in each goal area e.g. How can parent involvement, cultural competence and technology assist the school in meeting its reading goal?)

Literacy Goal Group: Nola Wilson, Susan James, John Erickson, Andrew Monsen, Jacque DeHaven, Carol Barnett, Gina Sandland, Toni Dudley, Scott Husar, Robin Saarenaas, Stephanie Swift

Improvement Goal Group research and rationale:

Using the Smart Goal format and a PLC foundation for instructional change, Literacy strategies in the areas of reading and math have been crafted to meet SIP goals from the following resources and best practices:

K-12 Reading model and best practices – systemic summarization skills and targeted academic vocabulary

National math standards and best practices – Targeted standards teaching, standards based assessment alignment, effective questioning strategies

Differentiated Instruction – Common vocabulary, classroom based interventions, pre-assessment instructional alignment, targeted learning standards.

PLC – Common assessments, Maps analysis, data driven instructional decisions

Improvement Goals

SMART Goal 1:

The number of 10th graders meeting standard on the Reading HSPE will be increased to 90% by 2014.

SMART Goal 2:

The number of students who are failing Algebra and Geometry End-of-Course exams will be decreased by a total of 5% by 2014.

SMART Goal 3:

Starting with the class of 2015, there will be a 10% decrease of at risk 9th graders, over the previous year's at risk 9th graders , as measured by the district credit attainment report.

SMART Goal 1

Subject Area: Reading

School Name:	Auburn Riverside High School			
Target Population- <i>based on demographic, discipline and attendance data analysis:</i>	All 9 th and 10 th graders			
Our Reality- <i>based on assessment data analysis:</i>	2010 Spring Reading HSPE scores show that 82% of 10 th graders met standard.			
Our SMART Goal- <i>based on target population and your reality:</i>	The number of 10 th graders meeting standard on the Reading HSPE will be increased to 90% by 2014.			
Action Steps	Responsibility	Timeline	Resources	Evidence of SMART Goal Attainment
<i>Sequential- what comes first?</i>	<i>Who will monitor? Who will implement?</i>	<i>Detailed milestones/markers of progress towards evidence</i>	<i>Examples include: PLC, Building 21, CEE data, Power Standards</i>	<i>Student evidence Staff evidence Evidence of impact</i>
Build Staff and PLC capacity and implementation of research based best practices in the areas of: Building-wide Common Academic Vocabulary Reading strategies (summarization, vocabulary) Differentiated Instruction practices and paradigms Formative assessment	- Administrators - ATLA - Leadership team - PLCs	August inservice Waiver day, building optional hour workshops PLC work Classroom	Wormeli and DI Conference attendance Language Arts Dept experts PLC Building 21 ATLA inservice August 2011 Dist. Days	PLC Meeting Notes/Forms on learning targets and applied strategies Formative Assessment Data Observable use of strategies in classroom Maps scores HSPE scores

SIP Template

Train staff on MAPS data analysis for PLC and classroom use	- Principal - MAPS coordinator - lab para-educator - Leadership team - Trained Teachers - ATLA - PLC	Fall Inservice Lab workshops PLC	Computer Labs ATLA Training Trained Para/instructors for inservice providing Waiver days/building optional	Attendance at training sessions PLC discussion notes Use of MAPS data in classroom Differentiated Instruction work Maps improvement HSPE improvement
Feasibility study of ELL Flight Program for Reading Intervention	- Principal - ELL instructor - counselor	Spring 2011 master schedule	Staffing Master Schedule	Sections created Increased Maps scores Reduction in gen. ed failing grades Increased HSPE/EOC scores
Alignment to District Improvement Plan Objectives:				
1.b.1 Develop and submit school improvement plans modified in accordance with student achievement data aligned to the district strategic improvement plan and the Nine Characteristics of High Performing Schools	1.c.3 Monitor student learning and adjust instruction to assure achievement of district-identified power standards	Schools implement prevention, intervention, and retention strategies to reduce student dropouts.		

SMART Goal 2	
Subject Area: Math	
School Name:	Auburn Riverside High School
Target Population- based on demographic, discipline and attendance data analysis:	9 th -11 th Graders
Our Reality-based on assessment data analysis:	Because this is the first year of statewide EOC implementation, no credible baseline data exists the exam in terms of passing or raw score analysis. Once we have an EOC baseline, this goal and our data analysis will be adjusted to incorporate meaningful and statistically accurate data.
Our SMART Goal- based on target population and your reality:	The number of students who are failing Algebra and Geometry End-of-Course exams will be decreased by a total of 5% by 2014.

PERSONNEL--CERTIFICATED AND CLASSIFIED

1. Certificated and Classified Personnel Report

Attached is the personnel report, for certificated and classified personnel, for the board's approval.

Recommendation: That the board approve the attached report.

2. Approval of Salary Schedules

Attached are the Mechanics and Miscellaneous Personnel Salary schedules for the 2012-13 school year. Timothy Cummings, associate superintendent of human resources, will be available for questions.

Recommendation: That the board approve the salary schedules as outlined above.

3. Ratification of Agreement

Timothy Cummings will present the ratified agreement with the Mechanics and will be available to answer questions.

Recommendation: That the agreement with the Mechanics is ratified and the school board president be authorized to sign the negotiated Agreement.

4. Requests for Travel

- a. Brooke Broussard, West Auburn High School teacher, requests permission to travel to Oklahoma City, Oklahoma, Wednesday to Sunday, October 17-21, to attend the NIEA (National Indian Education Association) Convention and Trade Show. Lodging will be at a hotel to be determined, meals will be at local restaurants, and travel will be by airplane. All expenses will be paid by Muckleshoot grant funds. A substitute will be needed for three days.
- b. Beverly Ferguson, Lea Hill Elementary School music teacher, requests permission to travel to St. Louis, Missouri, Wednesday to Saturday, November 14-17. The purpose of the trip is to attend the National AOSA (American Orff-Shulwerk Association) Professional Development Conference. Lodging will be at a hotel to be determined, meals will be at local restaurants, and travel will be by airplane. All travel expenses will be paid by personal funds. A substitute will be needed for two half-days.

- Recommendation: That the above trips be approved as requested.

Auburn School District No. 408
Auburn, Washington
SALARY SCHEDULE FOR MECHANICS
September 1, 2012 - August 31, 2013

	Per Hour	Per Month
Lead Mechanic	\$29.08	\$5,041
Journeyman mechanic (beginning and maximum salary)	\$27.08	\$4,694

Notes:

Working conditions and fringe benefits will be in accordance with the Contractual Agreement between the Auburn School District No. 408 and the Auburn Association of Automotive Machinists.

Effective upon receipt of legislatively authorized and funded annual salary increases, the salary schedule will be adjusted accordingly.

Each journeyman and lead mechanic will receive a \$1,250 resource stipend. This stipend will be paid on the September payroll and mechanics will be responsible for maintaining their own receipts.

A Washington State Patrol Inspection Incentive will apply to each mechanic as follows:
(Inspection failure will only be due to mechanic errors)

Buses out of service (winter) = \$500

(90% of 25% of the fleet)

Buses out of service (spring) = \$500

(95% of 100% of the fleet)

Additional \$400 for passing winter and summer

CERTIFICATED RESUMES

a. Colleen Brassington--nurse--Administrative Annex

Ms. Brassington earned her bachelor degree at American Sentinel University.

Colleen has been a nurse at Physicians Care Family Medicine in Sedro Woolley.

b. Sarah Brown--kindergarten (.5)--Alpac Elementary

Ms. Brown earned her bachelor degree at Central Washington University.

Sarah completed her student teaching experience in the Kent School District in June, 2012.

c. Karly Jonasson--learning specialist--Cascade Middle School

Ms. Jonasson earned her bachelor degree at Pacific Lutheran University.

Karly has been a substitute in the Peninsula and Tacoma School Districts.

BUILDING PROGRAM

1. Alpac Elementary School Improvements Project

Attached are copies of Change Order Nos. 6 and 7 for the Alpac Elementary School Improvements project which should be considered to permit a change in the construction contract.

Original Contract	\$949,200.00
Previously Approved	79,154.00
Change Order No. 6	25,920.00
Change Order No. 7	+\$ 4,586.00
New Contract Amount	<u>\$1,058,860.00</u>

Adam DeBruler, capital projects coordinator, will be present to recommend acceptance of these change orders.

Recommendation: That Change Order Nos. 6 and 7 be accepted for the Alpac Elementary School Improvements project and the contract amount be increased by \$30,506.00 for a new contract amount of \$1,058,860.00.

2. Gildo Rey Elementary School Improvements Project

Attached are copies of Change Order Nos. 4, 5, 6, 7, and 8 for the Gildo Rey Elementary School Improvements project which should be considered to permit a change in the construction contract amount and an increase in the contract time.

Original Contract	\$1,777,500.00
Previously Approved	63,989.00
Change Order No. 4	20,225.00
Change Order No. 5	13,112.00
Change Order No. 6	7,993.00
Change Order No. 7	8,625.00
Change Order No. 8	+\$ (34,914.00)
New Contract Amount	<u>\$1,856,530.00</u>

The contract time shall be increased by seven calendar days for Change Order No. 4 and seven calendar days for Change Order No. 5.

Adam DeBruler will be present to recommend acceptance of these change orders.

Recommendation: That Change Order Nos. 4, 5, 6, 7 and 8 be accepted for the Gildo Rey Elementary School Improvements project and the contract amount be increased by \$15,041.00 for a new contract amount of \$1,856,530.00 and the contract time be increased by 14 days for a new substantial completion date of August 31, 2012.

Change Order

PROJECT: Alpac Elementary School Improvements
310 Milwaukee Blvd N.
Pacific, WA 98047

DIRECTORS

1. Approval of Minutes

The minutes of the regular meeting of Monday, September 24, have been forwarded to the board.

Recommendation: That the minutes be approved.

2. First Reading of Revised Policy

Revised Policy 2410–High School Graduation Requirements is being submitted to the board for first reading. Timothy Cummings will answer questions from the board. The revised policy has been reviewed by the committee of the board for policies.

Recommendation: That the above-mentioned revised policy be accepted for first reading with second reading and adoption scheduled for Monday, October 22.

3. Discussion

RTT Grant

4. Executive Session

HIGH SCHOOL GRADUATION REQUIREMENTS (DRAFT 8/13/12)

- A. The board ~~shall~~ **will** award a regular high school diploma to every student enrolled in the district who meets the requirements of graduation established by the district. Only one diploma ~~shall~~ **will** be awarded with no distinctions being made between the various programs of instruction which may have been pursued.

The board ~~shall~~ **will** establish graduation requirements which, **as a minimum**, satisfy those established by the State Board of Education:

English (reading, writing and communications)	4 credits
Mathematics	3 credits
Science (physical, life and earth; one laboratory credit)	2 credits
Social Studies (civics, history and geography)	2.5 credits
Health and Fitness	2 credits
Arts	1 credit
Occupational Education	1 credit
Electives	7 credits

TOTAL: 22.5 credits

Subject	Class of 2013-15 Minimum State Credit Requirements	Class of 2016 Minimum State Credit Requirements (unless district has filed an extension with the State Board of Education for Class of 2018)
English	3	4
Mathematics	3	3
Science (including 1 lab credit)	2	2
Social Studies	2.5	3
Health and Fitness	2	.5 credit health; 1.5 credit fitness
Arts	1	1
Occupational Education	1	1
Electives	5.5	4
Total State Credit Requirements	20	20
District Requirement:		
District Requirement:		
District Requirement:		
Total State and District Credit Requirements		

~~A credit is defined as 150 hours of planned instructional activities excluding passing time. The board shall will approve additional graduation requirements as recommended by the superintendent.~~

In addition to the minimum credit requirements, to earn a diploma each student must:

1. Pass the reading and writing portions of the statewide assessment;
 2. Complete a High School and Beyond Plan: Within the first year of high school enrollment, each student ~~shall~~ **will** develop a plan for satisfying the state and district's high school graduation requirements and for their first year after high school completion. The plan should be developed in collaboration with the student, parent and district staff. The plan should include how the student will satisfy the district's academic credit requirements, preparation for successfully completing the ~~Washington Assessment of Student Learning~~ **statewide assessment**, a description of the student's culminating project and the student's goals for the year following graduation. Each student plan should be reviewed annually at the beginning of the school year to assess student progress, to adjust the plan, and to advise the student on steps necessary for successful completion of the plan;
 3. Complete a Culminating Project: During the course of their high school career, each student shall complete a culminating project. The project ~~shall~~ **will** demonstrate the student's ability to think analytically, logically and creatively, and to integrate experience and knowledge to form reasoned judgments and solve problems. The project will also have a connection to the world of work in that it will demonstrate that the student understands the importance of work and how performance, effort, and decisions directly affect future career and educational opportunities;
 4. Complete math requirements: ~~Students in the class of 2009-12 who fail to successfully pass the mathematics portion of the statewide assessment or an appropriate alternative, must earn two mathematics credits or career and technical education equivalent mathematics credits after 10th grade. Credits earned must meet high school standards. Students in the classes of 2013 and beyond 2014 must pass the mathematics portion of the statewide assessment, an alternative assessment, or an end of course examination; and one end of course assessment (either Algebra 1 or Geometry or their integrated math equivalents) or state-approved alternative. Students in the classes of 2015 and beyond must pass two end of course assessments (Algebra I and Geometry or their integrated math equivalents) or state-approved alternative.~~
 5. Complete science requirements: Students in the class of ~~2013~~ **2015** and beyond must pass the ~~science statewide~~ **biology end-of-course** assessment or an ~~appropriate~~ **state-approved** alternative.
- B. Students in the class of 2013 and beyond must complete mathematics courses in one of the following progressive sequences.
1. Algebra I, Geometry, and Algebra II; or
 2. Integrated Mathematics I, Integrated Mathematics II, and Integrated Mathematics III; or

3. Any combination of (a) and (b) in progressive sequence.

In lieu of a third credit of mathematics, students may choose an alternative mathematics course if the parent/guardian agrees that the third credit mathematics elective is supportive of the student's education and career goals. Before approval of the elective third mathematics credit, a meeting will be held with the student, the parent/guardian, and the school staff to discuss the student's High School and Beyond Plan and the mathematics requirements for post-secondary and career choices.

The district will obtain a signed consent from the parent for the student to enroll in the alternative third credit of mathematics. The consent form will confirm the meeting, that the parent understands the impact of the selection on the student's educational and employment options, and that the alternative is most appropriate for the needs of the student.

Students may also satisfy the mathematics requirements by earning equivalency based credit in career and technical education mathematics courses. Those credits must be recorded using the equivalent academic high school department designation.

- C. A student will receive a certificate of academic achievement only if they earn the appropriate number of credits required by the district, complete a culminating project, complete the high school and beyond plan; and meet the reading, writing and math standards on the high school statewide assessment or an appropriate alternative assessment.

~~Students qualifying for special education services will earn a certificate of individual achievement as determined by their individual education plan.~~ **Students qualifying for special education services who receive modifications to graduation requirements, as determined by their individual education plan, will earn a certificate of individual achievement.**

- D. **High school credit will be awarded for successful completion of a specified unit of study. In this district, successful completion of a specified unit of study means:**

1. **Earning a passing grade according to the district's grading policy; and/or**
2. **Demonstrating proficiency/mastery of content standards as determined by the district; and/or**
3. **Successfully completing an established number of hours of planned instructional activities to be determined by the district.**

The district will establish a process for determining proficiency/mastery for credit-bearing course of study.

- DE. The superintendent ~~shall~~ **will** develop procedures for implementing this policy which include:

1. Establishment of the process and assessment criteria for the high school culminating project requirements, and determination of the education plan process for identifying competencies.

2. Establishing the process for completion of the High School and Beyond Plan.
3. Recommending course and credit requirements which satisfy the State Board of Education requirements and recognize the expectations of the citizens of the district.
4. Determining which courses satisfy particular subject area requirements and whether a particular course may satisfy more than one subject area requirement, including a process for determining the credits, the district will recognize for courses taken through another program recognized by the state (**e.g.** another public school district **or** an approved private school) or those courses taken by students moving into the state from another state or country. Decisions regarding the recognition of credits earned before enrolling in the district will be based on the professional judgment of the high school principal or designee based on an evaluation of the student's former program and demonstrated knowledge and skills in the discipline for which credit is sought. ~~The decision of the principal may be appealed to the superintendent within fifteen school days.~~
5. Making graduation requirements available in writing to students, parents, and members of the public.
6. Providing for a waiver of graduation requirements for an individual student when permitted. All state graduation requirements must be satisfied unless a waiver is permitted by law.
7. Granting credit for learning experiences conducted away from school, including National Guard high school career training.
8. Granting credit for correspondence, vocational-technical institutes ,and/or college courses for college or university course work the district has agreed to accept for high school credit;. Sstate law requires that the district award one high school credit for every five quarter hour credit or three semester hour credit successfully earned through a college or university, except for community college high school completion programs where the district awards the diploma;. Ttenth and eleventh grade students and their parents ~~shall~~ **will** be notified annually of the Running Start Program.
9. Granting credit for work experience.
10. Granting credit based upon competence testing in lieu of enrollment.
11. Granting credit for high school courses completed before a student attended high school, to the extent that the course work exceeded the requirements for seventh or eighth grade.
12. Counseling of students to know what is expected of them ~~for completion of their schooling~~ **in order to graduate.**
13. Preparing a list of all graduating students for the information of the board and release to the public.
14. Preparing suitable diplomas and final transcripts for graduating seniors.

15. Planning and executing graduation ceremonies.
16. Developing student learning plans for students who are not successful on one or more components of the statewide assessment.

In the event minimum test requirements are adopted by the board, a student who **qualifies for special education services** ~~possesses a disability shall~~ **will** ~~may~~ satisfy those competency requirements which are incorporated into the Individualized Education Program (IEP). Satisfactory completion of the objectives incorporated into the IEP ~~shall~~ **will** serve as the basis for determining completion of a course.

A student ~~shall~~ **will** be issued a diploma after completing the district's requirements for graduation. In lieu of the certificate of academic achievement, special education students may earn a certificate of individual achievement. A student ~~shall~~ **will** also be advised that he/she may receive a final transcript.

~~However, a student's diploma or transcript may be withheld until the student pays for any school property that has been lost or willfully damaged. Upon payment for damages or the equivalency through voluntary work, the diploma or transcript will be released. When the damages or fines do not exceed \$100, the student or his/her parents shall will have the right to an appeal using the same process as used for short term suspension as defined in Policy 3241, Classroom Management, Corrective Actions or Punishments. When damages are in excess of \$100, the appeal process for long term suspension as defined in Policy 3241, Classroom Management, Corrective Actions or Punishments shall will apply.~~

Graduation requirements in effect when a student first enrolls in high school ~~shall~~ **will** be in effect until that student graduates unless such period is in excess of ten years.

~~In the event that other forms of corrective actions are imposed for violations of school rules, the student may be denied participation in graduation ceremonies. Such exclusion shall be regarded as a school suspension. In such instances, the diploma will be granted.~~
