ROLL CALL

1. Swearing in of Board Members

Anne Baunach, Robyn Mulenga, Ryan Van Quill, and Ray Vefik will take the Director's Oath of Office to begin their term on the Auburn School Board of Directors. The Honorable Nathaniel B. Green, Jr. will administer the oath.

LEGISLATIVE UPDATE

The board will discuss legislative items.

STUDENT AND STAFF RECOGNITION

1. Student Recognition

The Auburn School District Board of Directors will recognize Tayler Peterson, a senior at Auburn Mountainview High School, for being an outstanding student.

Tayler is a running start student at Green River College and takes three classes at Auburn Mountainview.

Tayler works hard for her success and challenges herself with difficult courses. In addition to her academic schedule, Tayler maintains a job, played on the junior varsity softball team, and is a sports medicine trainer.

"Tayler has been a great asset in the training room preparing kits and the facility for after-school practices and games," said Steve Calhoun, sports medicine teacher.

Tayler is positive, energetic, and never asks or expects anything in return for the many hours she puts into being an outstanding student, person and citizen. Tayler works hard until she feels she has reached her full potential in whatever she is pursuing and does this out of her own motivation.

One of her teachers said, "Tayler is the most positive, inspirational and helpful student I have had the pleasure of teaching in my 12 year career."

Another staff member said, "In my 10 year career as a teacher and coach, I have never seen a student overcome adversity in such a selfless, self-motivated, hardworking manner."

Tayler enjoys orchestra, playing softball and watching football with friends. Her favorite subject is math because, she said, "There is only one answer!"

Her future plans are to double major in bio-chemistry and athletic training and become a pediatric cardiothoracic surgeon.

Auburn Mountainview is very proud of Tayler!

2. Staff Recognition

The Auburn School District Board of Directors will recognize Billy Daniels, day custodian at Mt. Baker, for his outstanding service.

Billy is more than "just a custodian" according to Mt. Baker principal Greg Brown. He is friendly, personable, and truly gets to know the students. Known as Mr. Billy to staff and students, there is a long waiting list of students who want to be a TA for him.

Billy received his plaque for 15 years of service to the ASD last spring. He has been at Mt. Baker for eight years. Prior to his time at Mt. Baker, he worked at Dick Scobee and at Boeing.

Born in Louisiana, Billy moved to Washington with family. Most of his family moved back to the south, but he stayed in Washington.

He loves the people, staff, and students at Mt. Baker. He likes to connect with kids. He remembers kids' birthdays, asks them about their athletic events, gives them high-fives and just talks with them.

Billy has two adult children and between him and his partner, Brenda, they have 10 grandchildren.

In his non-work time, Billy loves all things football. He is a University of Washington Husky fan, Louisiana State University Tigers fan and, of course, he loves the Seahawks.

3. Gold Star

The Auburn School District Board of Directors will present the Gold Star Volunteer Award to Hugh Hoover and Steve Ray for their support to the Auburn School District.

Bringing 80 years of computer programming experience with them, Hugh and Steve volunteer from 7:30-9:00 a.m. every day at Auburn High School in Scott McLaughlin's Advanced Placement Computer Science course.

Brought in through Microsoft's Technology Education and Literacy in Schools (TEALS) program, Steve and Hugh agreed to a two-year stint to prepare Scott to teach computer programming.

"When we started last year, Scott couldn't spell programming," joked Steve.

During the 2014-15 school year, Hugh and Steve taught the students and Scott observed. During this school year, Scott has taken over teaching and Hugh and Steve augment and assist as needed. It's a big time commitment that both men believe strongly in.

The goal is to familiarize students with computer programming and provide the knowledge so Scott can successfully teach without their support next year.

Last year, the five students who took the Advanced Placement Computer Science exam scored high enough to get college credits.

Steve has a BS in computer programming and retired in March from 40 years at Boeing. He began volunteering in the program before he retired.

Hugh retired two years ago, also, after a 40-year programming career, working for multiple companies and retiring from Microsoft.

Steve has four children, all Auburn School District grads, and two grandchildren. His wife, Kathy, retired from Auburn High last year. In addition to volunteering at AHS, Steve also volunteers weekly at Lea Hill where his daughter, Liz, is a second grade teacher.

Hugh has three children, one Auburn High graduate, a current AHS senior and sophomore. This year has been especially rewarding for him because his son is enrolled in the AP Computer Science course.

STUDENT PARTICIPATION

1. Alpac Elementary School Art Display

Ryan Foster, associate superintendent of principal leadership and school programs, will introduce Jim Riley, Alpac Elementary School principal, who will introduce Madelyn Drangstveit and Payton Collins, students, to present the Alpac Elementary School art display and answer questions from the board.

2. Alpac Elementary PTA Report

Jim Riley will introduce Patty Barney and Amy Collins, Alpac Elementary School PTA president and treasurer, respectively, who will share a brief PowerPoint as they present the Alpac Elementary School PTA report and answer questions from the board.

3. Activity/Athletic Report–Auburn Mountainview High School Girls' Basketball Program

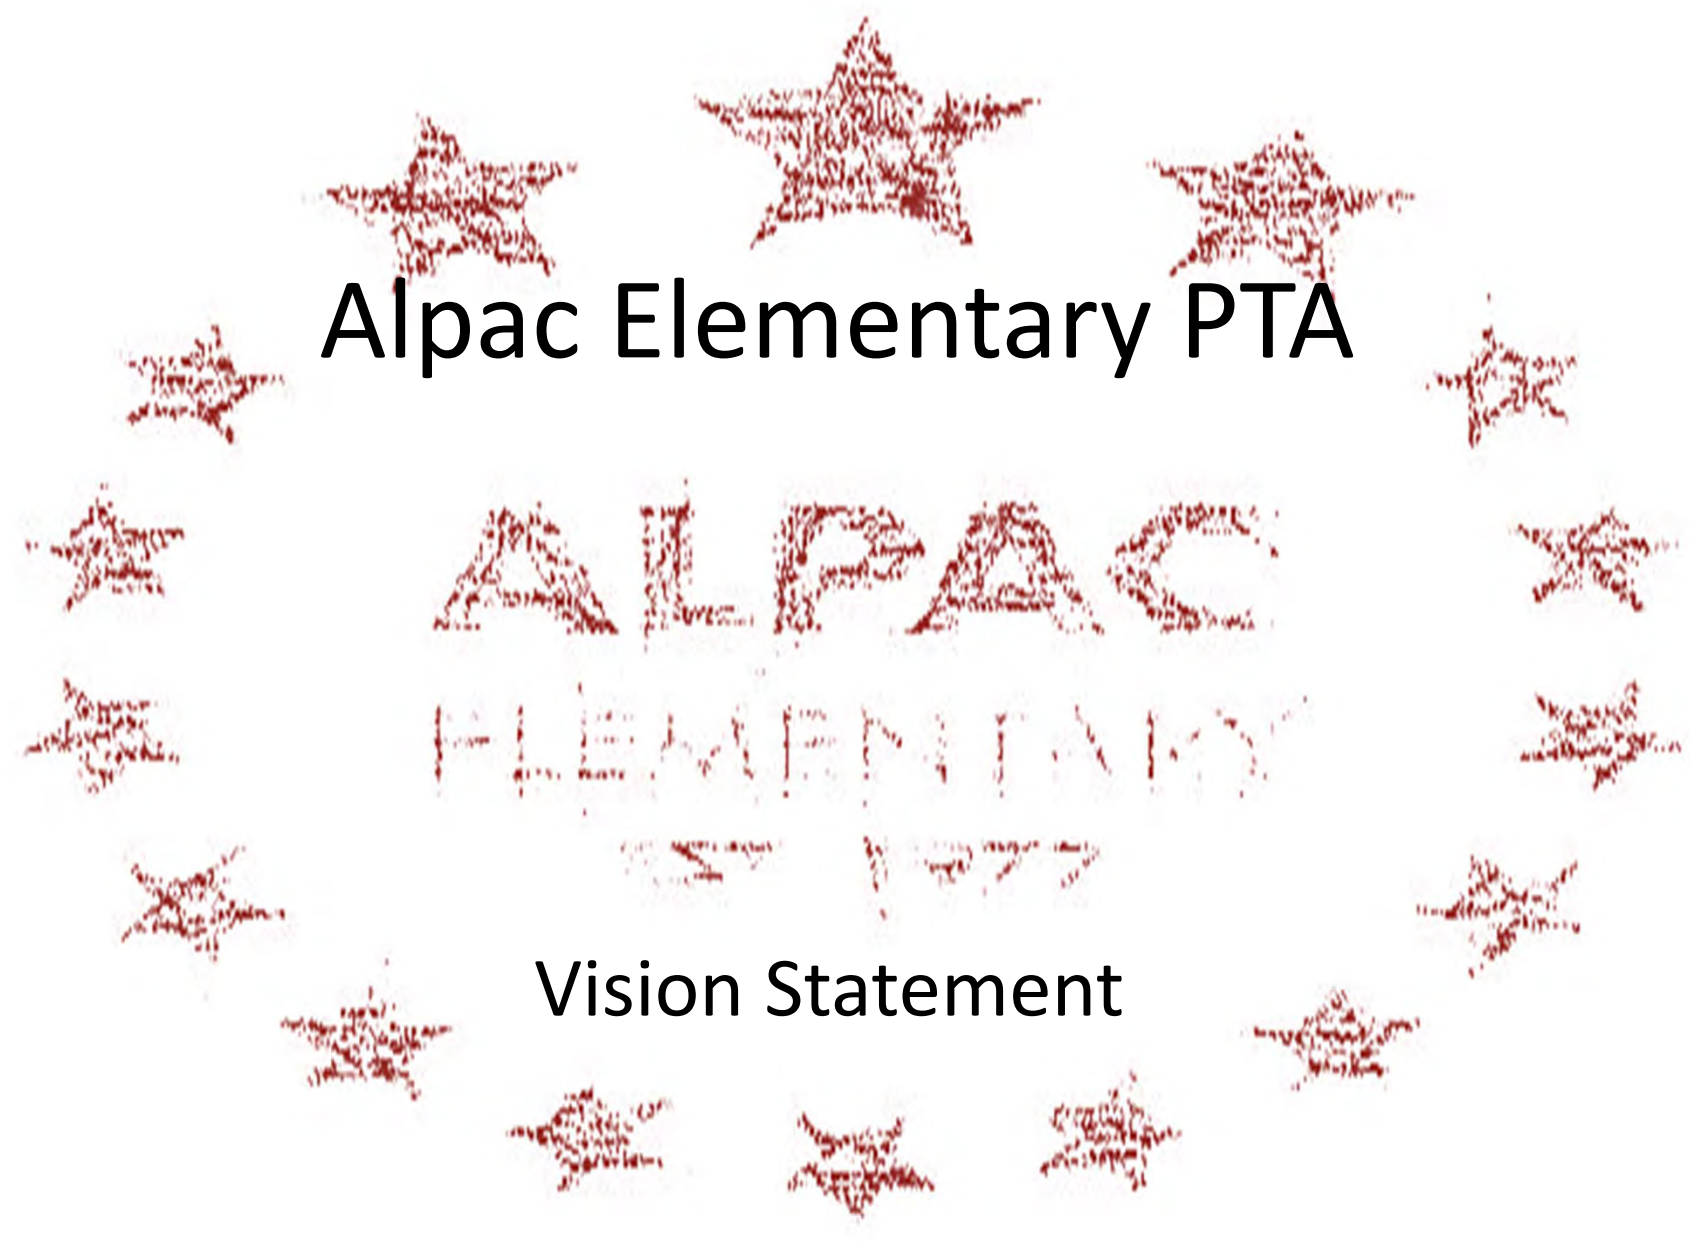

Ryan Foster will introduce Terri Herren, Auburn Mountainview High School principal, who will introduce Chris Carr, Auburn Mountainview High School activities director, who will introduce Brianna Zaragoza-Jones and Megan Butler, students. The students will report on the Auburn Mountainview High School girls' basketball program and answer questions from the board.

4. Requests for Travel

- a. Thirteen Auburn Mountainview High School students request permission to travel to Pasco, Thursday to Saturday, December 17-19. The purpose of the trip is to compete in the wrestling tournament. Lodging will be at the Super 8 hotel, meals will be at local restaurants, and travel will be by rental car. All expenses will be paid by ASB funds. Brad Comstock, Auburn Mountainview High School teacher, and Jay McGuffin and Nick Harteau, Rainier Middle School teachers, request permission to accompany the students. No substitutes will be needed.
- b. Ten Auburn Riverside High School students request permission to travel to Berkeley, California, Friday to Tuesday, February 12-16, 2016. The purpose of the trip is to compete in the forensics tournament at the University of California-Berkeley. Lodging will be at the Double Tree hotel, meals will be at local restaurants, and travel will be by airplane. All expenses will be paid by personal and ASB funds. Mark Davis and Kelli Meeker, Auburn Riverside High School teachers, request permission to accompany the students. Two substitutes will be needed for one day.

- Geri Lee, parent chaperone, requests permission to accompany the students.

That the above trips be approved as requested.

SCHOOL PROGRAMS AND STUDENT ACHIEVEMENT

1. High School Proms

Richard Zimmerman, Auburn High School principal, will introduce Jennifer Skeel, senior class advisor, who will introduce Cameron Tsosie and Titus Ross, Jr., senior class president and vice president, respectively.

Terri Herren, Auburn Mountainview High School principal, will introduce Joshua Junious, senior class public relations officer.

Meri Benedict, Auburn Riverside High School activities director, will introduce Sue Neu, senior class advisor, who will introduce Micah Metje and Katerina Zhuravel, senior class president and vice-president, respectively.

Auburn High School, Auburn Mountainview High School, and Auburn Riverside High School request permission to hold their proms as indicated below:

- Auburn High School, Pacific Science Center, Seattle, on June 11, 2016, from 8:00 p.m. to 11:00 p.m.
- Auburn Mountainview High School, Newcastle Golf Club, Newcastle, on June 4, 2016, from 9 p.m. to midnight.
- Auburn Riverside High School, E.M.P., Seattle, on May 14, 2016, from 8:00 p.m. to 11:00 p.m.

2. 2015-18 Chinook Elementary School Improvement Plan

Heidi Harris, assistant superintendent of student learning, will introduce Jennifer Davidson, Chinook Elementary School principal, who will introduce Lindsey Johnson and Jesse Rodriguez, Chinook Elementary School staff. The team will present the 2015-18 Chinook Elementary School Improvement Plan, share a PowerPoint presentation, and answer questions from the board. This presentation aligns with the 2013-16 District Strategic Plan, goal 1: Student achievement, objective 2: School improvement plans and the 2015-16 Stated District Goals, standard III "Create conditions district wide for student and staff success."

Recommendation: That the board approve the 2015-18 Chinook Elementary School Improvement Plan.

3. Instructional Technology: School Highlights–Dick Scobee and Pioneer Elementary Schools

Vicki Bates, assistant superintendent of technology, will introduce Doug Gonzales, assistant director of instructional technology. Doug Gonzales will acknowledge Adam Couch, Dick Scobee Elementary School principal, and Debra Gary, Pioneer Elementary School principal, then introduce teachers Tim Pfab of Dick Scobee and Jay Massimino of Pioneer. Tim will share a video to showcase how students at Dick Scobee interact with iPads, lab PCs, and classroom Chromebooks to support skill building

and content learning. Jay will showcase the efforts of Pioneer educators to integrate technology into daily instruction. This presentation aligns with the 2013-16 District Strategic Plan, goal 1: Student achievement, objective 4: Technology will be integral to administration and teaching and learning to prepare all students for career, college, and life beyond high school.

3rd Grade Reading Trend

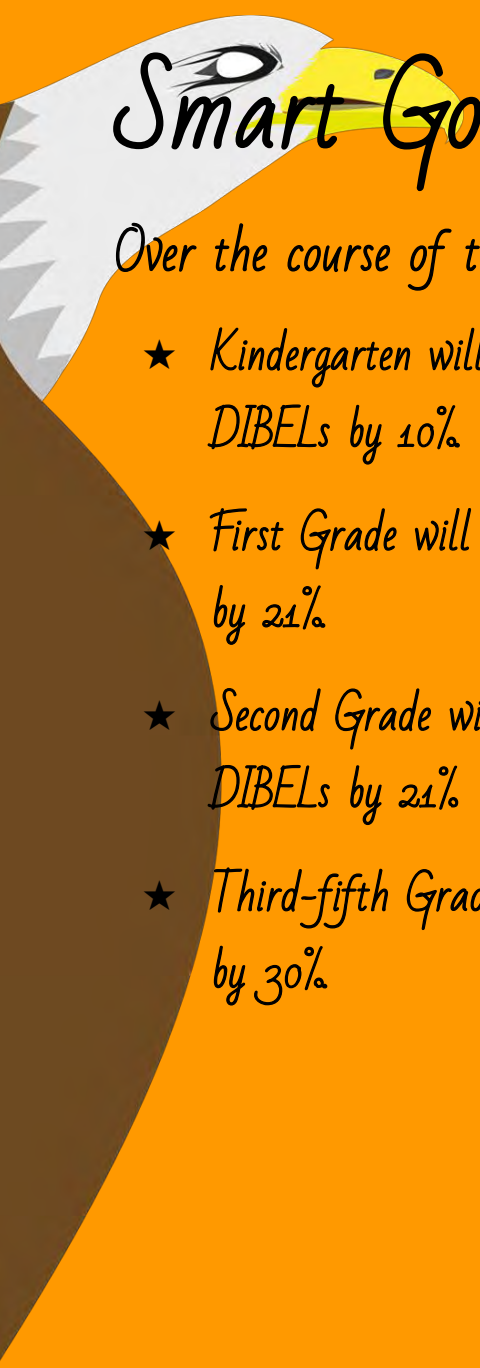

4th Grade Reading Trend

5th Grade Reading Trend

Smart Goal 1: Reading

Over the course of three years, the following will occur:

- ★ Kindergarten will increase the number of students meeting benchmark according to the NWF DIBELS by 10%.
- ★ First Grade will increase the number of students meeting benchmark according to the ORF DIBELS by 21%.
- ★ Second Grade will increase the number of students meeting benchmark according to the ORF DIBELS by 21%.
- ★ Third-fifth Grade will increase the number of students meeting benchmark according to the SBA by 30%.

Smart Goal 1: Reading Action Plan Step 1

Implementing three tiers of instruction with research-based instructional practices that positively affect student learning in all intermediate grades.

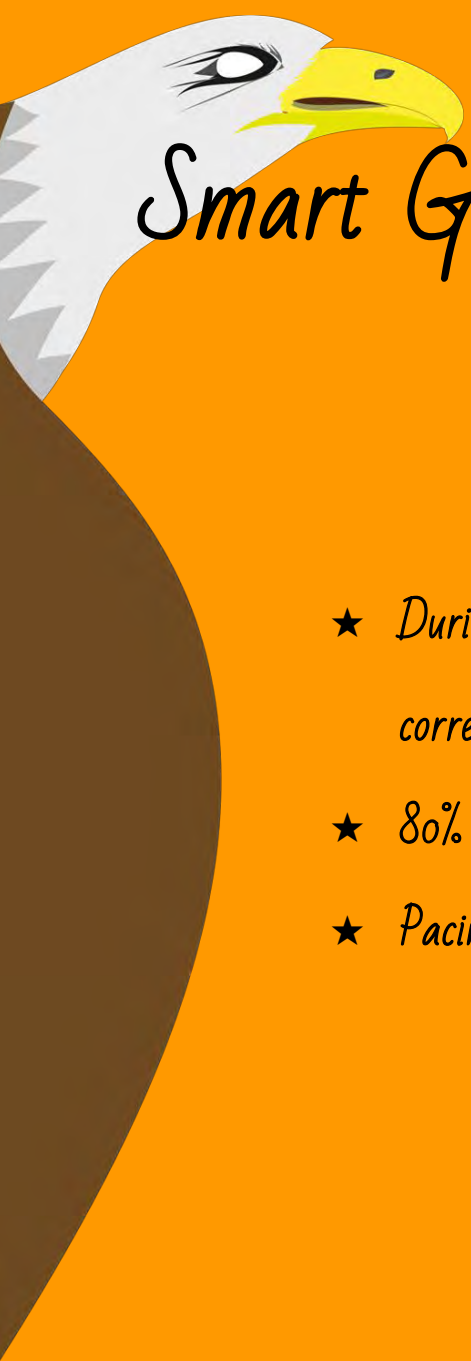

- *Lessons will be clear and focused on targets/standards with repetition and perky pacing*
- *Phonics pieces will be created for all core reading texts and weekly passages*
- *Core reading will have a balance of phonics, fluency, vocabulary, comprehension, and writing to meet the needs of the students*
- *We will use common gestures, language, and graphic organizers for all reading targets.*
- *The number of minutes our students spend in reading instruction will increase to meet the demands*
- *Interventions will correlate with the skills students are completing in core.*

Smart Goal 1: Reading Action Plan Step 2

Implementing three tiers of instruction with research-based instructional practices that positively affect student learning in all primary classrooms.

- Students will receive 45 minutes of reading at their instructional level and 45 minutes at grade level.*
- All students reading below grade level will receive 30 minutes of intensive intervention with a grade level teacher.*
- All primary teachers will use templates to increase their engagement and pacing.*
- Second grade teachers will use the common gestures, language, and graphic organizers as 3-5th grade.*

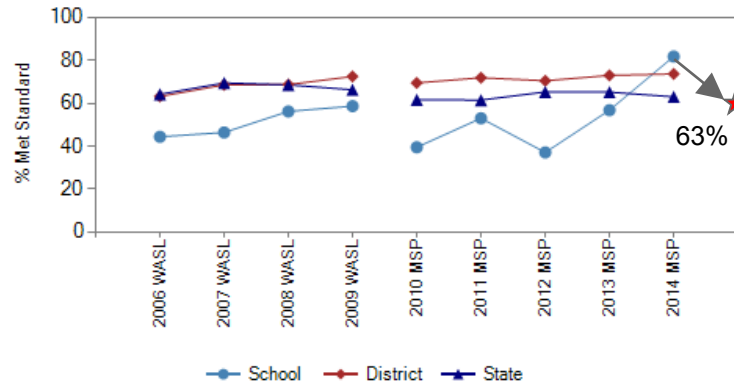

Smart Goal 1: Reading Action Plan Step 3

- ★ *During instruction, teachers will continually monitor and adjust their pacing in direct correlation to student output.*
- ★ *80% of students will be engaged in learning during all instruction.*
- ★ *Pacing will be lively and brisk in all reading groups.*

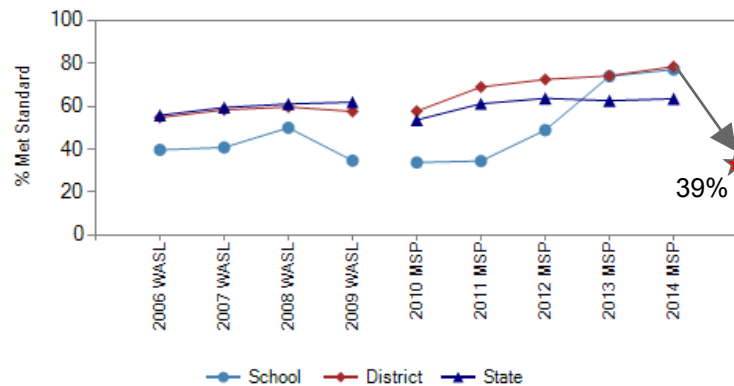

Math Data

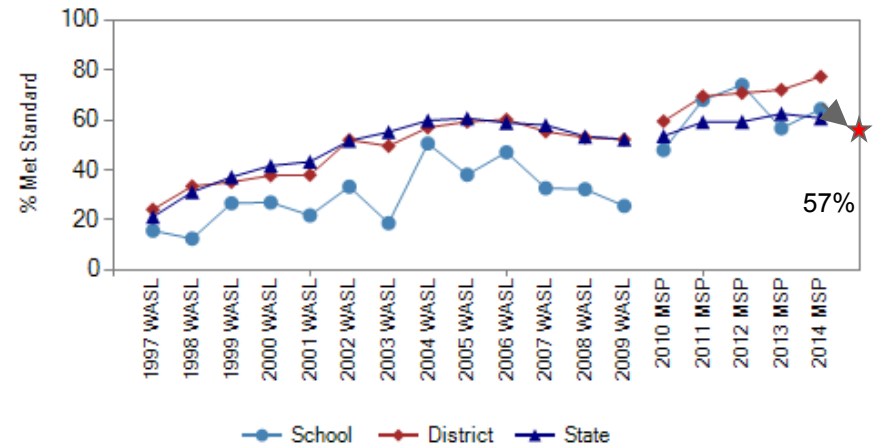

3rd Grade Math Trend

5th Grade Math Trend

4th Grade Math Trend

Smart Goal 2: Math

- ★ Third Grade will increase the number of students meeting benchmark according to the SBA by 21%
- ★ Fourth Grade will increase the number of students meeting benchmark according to the SBA by 21%
- ★ Fifth Grade will increase the number of students meeting benchmark according to the SBA by 30%

Smart Goal 2: Math Action Plan Step 1

During instruction, teachers will continually monitor and adjust their pacing in direct correlation to student output.

**80% of students will be engaged in learning during all instruction.*

**Pacing will be lively and brisk in all math groups.*

Smart Goal 2: Math Action Plan Step 2

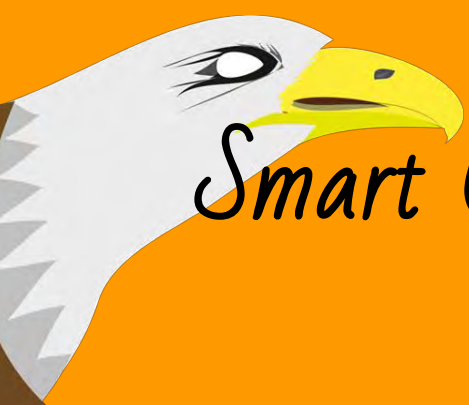

Create and implement a K-2 building-wide math assessment.

**Chinook will pilot the EasyCBM*

**K-2nd will have building-wide benchmark assessments.*

**K-2nd will have a progress monitoring system for math.*

**K-2nd will have a data sheet*

Smart Goal 2: Math Action Plan Step 3

Refine and deliver a direct-instruction, balanced math program including: tight alignment to the standards, daily fact strategies and practice, consistent daily review and re-teaching, and differentiated instruction.

**All students will receive 60 minutes of core math. This group will be heterogenous.*

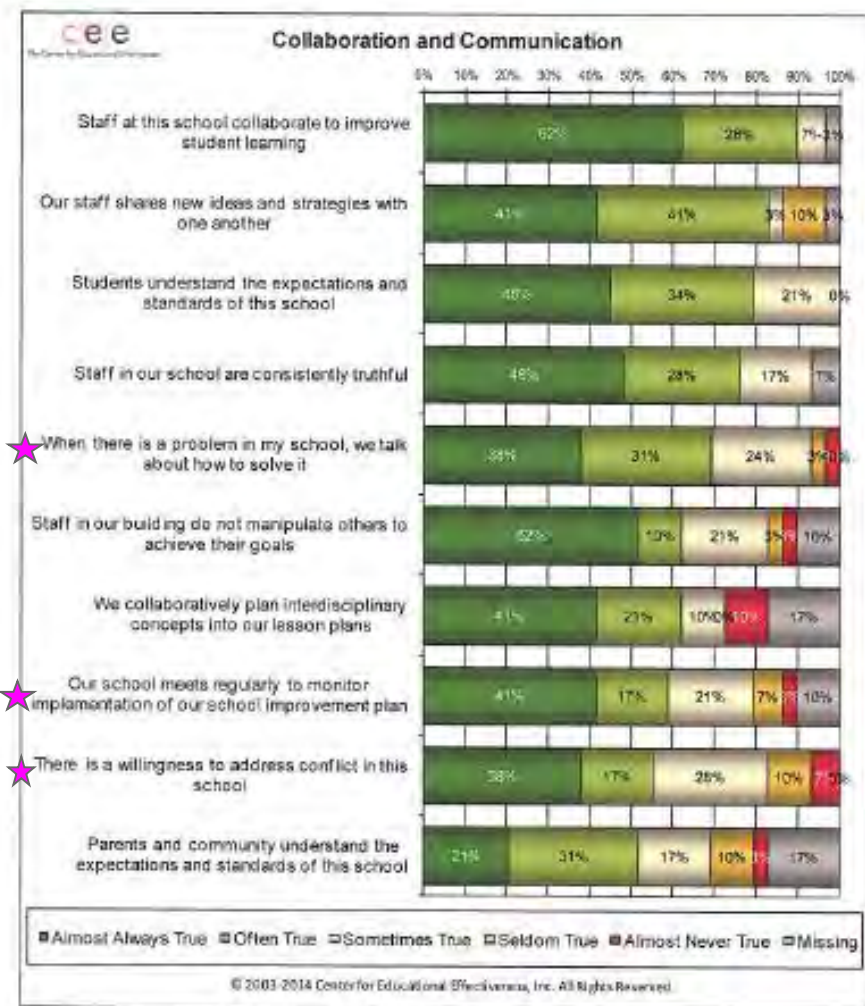

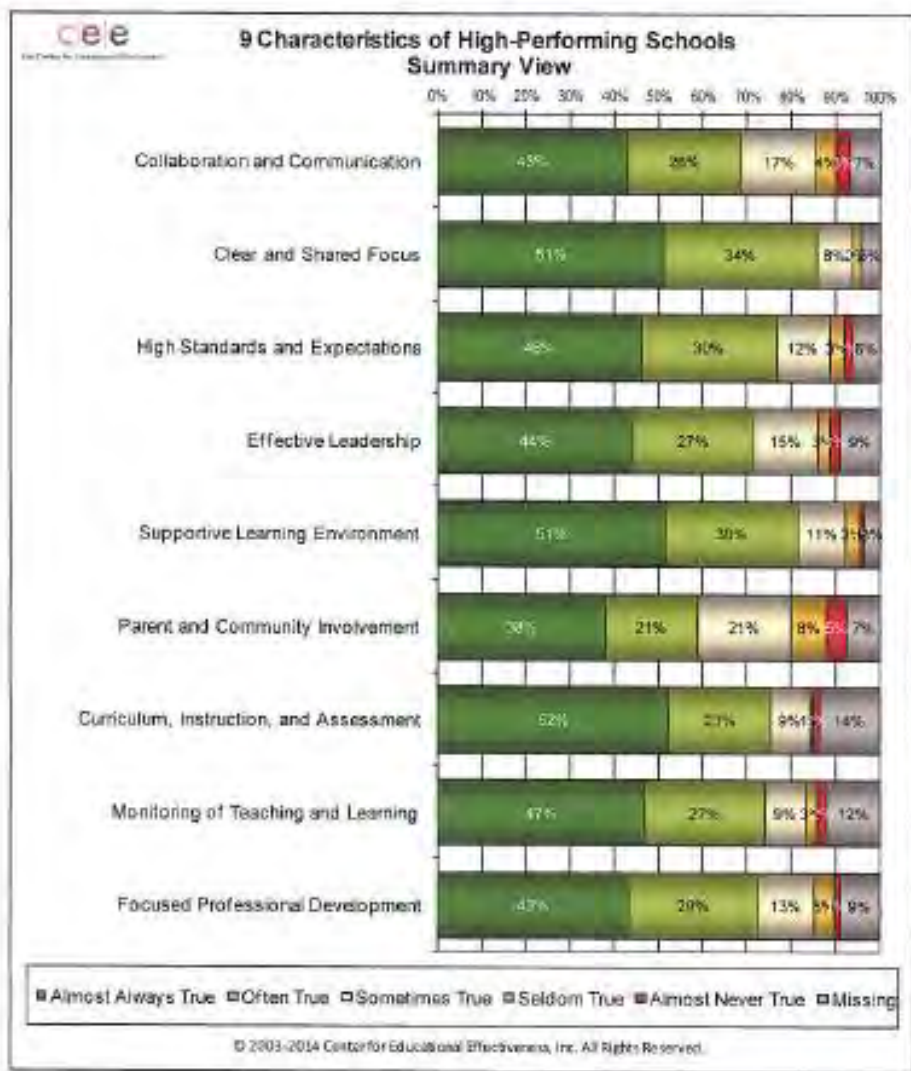

**Each student will have 45 minutes of problem solving that follows 2 weeks behind core instruction. This group is homogenous so the instruction will be tailored to the group's needs.*

**Each classroom 3-5 will use the district morning math work as review.*

Common language, gestures, and teaching strategies will be used across grade levels.

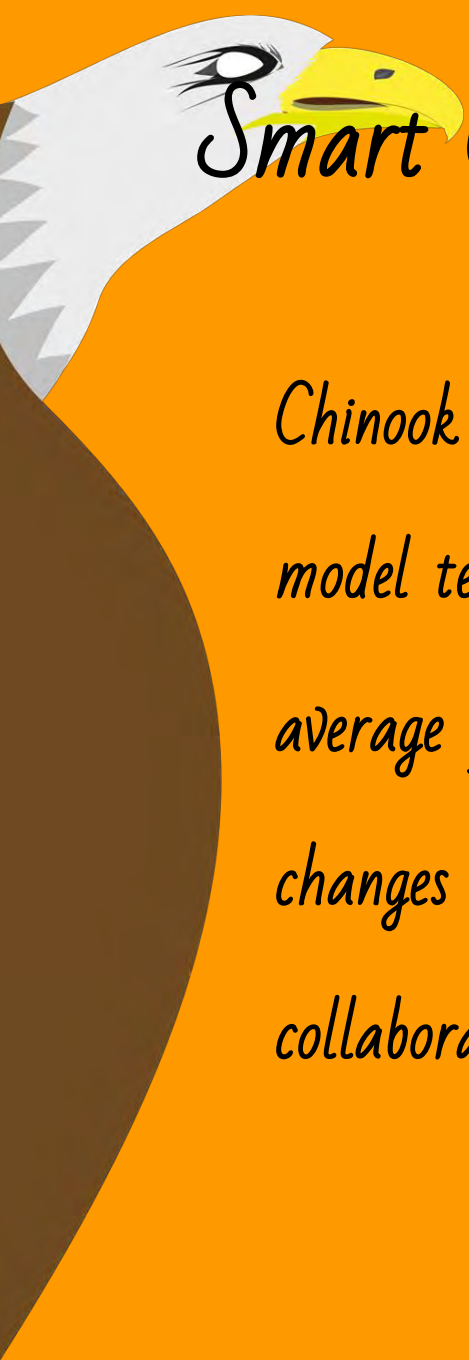

Supportive Learning Environment Data

Smart Goal 3: Supportive Learning Environment

*Over the course of the next three years, Chinook staff will
increase their belief that school staff has effective
collaboration and communication from 69% to 85%.*

Smart Goal 3: SLE Action Step 1

Chinook staff members will have the opportunity to watch model teaching. This model teaching will be running an average of once a week and will allow teachers to implement changes to their own teaching and increase our feeling and collaboration.

Smart Goal 3: SLE Action Step 2

Chinook staff members will regularly review the SIP plan.

Twice yearly, the staff will meet to review the SIP plan and our progress. (Generally, August and May except this year which will be November and May.)

Smart Goal 3: SLE Action Step 3

Twice a year, Chinook staff will attend a staff meeting where they can share building-level concerns in a solution-focused manner. (Our first meeting will be scheduled for February.)

Aspiration:

The Auburn School District aspires to be a world-class education system preparing all students to be globally competitive for career, for college, and for life in the twenty-first century.

Chinook School Improvement Plan

District Goal 1: Student Achievement

All staff in the Auburn School District provide support, leadership, and guidance to ensure each student meets or exceeds state and district standards, graduates on time, and is prepared for career and college.

District Goal 2: Community Engagements

All staff in the Auburn School District are accountable for engaging its diverse community as partners to support and sustain a world-class education system.

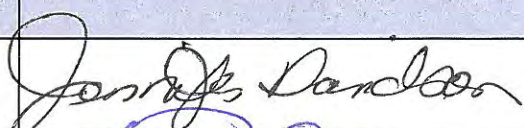

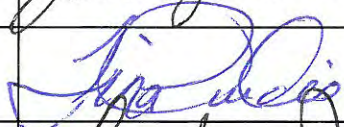

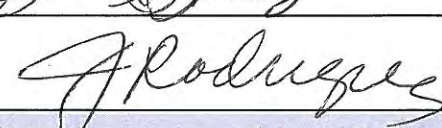

District Goal 3: Policies and Resource Management

Auburn School District policies and resources are aligned to the strategic plan.

Requirements for School Improvement Plan

Each school shall be approved annually by the school board of directors under an approval process determined by the district board of directors and “At a minimum the annual approval shall require each school to have a school improvement plan that is data driven, promotes a positive impact on student learning, and includes a continuous improvement process that shall mean the ongoing process used by a school to monitor, adjust, and update its school improvement plan.” School Improvement plans must include a brief summary of use of data to establish improvement;

acknowledging the use of data which may include DIBELS, MAP, WELPA, Credit Attainment, Enrollment in Honors/AP Courses, CEE Perceptual Data, SAT/ACT, Discipline, and MSP or HSPE.

Highly Qualified Staff

Chinook staff members are highly qualified and are continually learning and growing professionally in order to serve the needs of our diverse student population.

Stakeholder Input

The Chinook building leadership team met regularly during the development of our plan. We began the process in November of 2014. Our team met 6 times from November 2014 until present to review, build and adjust our plan. The team was created from leaders at Chinook. All the included data has been presented and discussed by Chinook staff. The data sharing was a

reflective practice around student scores in reading, math and the EES data from Chinook's own staff.

Discipline and Attendance Analysis

As one looks at the discipline data in the chart below, it is obvious that Chinook is on an effective path. The introduction of Tier 1 school-wide PBIS in September of 2011 and later Tier 2 in September of 2012 has made a positive impact on the behavior of Chinook students. The students are directly taught the school-wide expectations through Recess Rodeo and This Is How We Do It as well as through classroom discussion. Direct teaching, paired with positive reinforcement, really helps most of our students on the path to success. Those students who continue to struggle are identified and given extra interventions through Tier 2 PBIS. At the heart of the issue is the fact that students must feel safe in order to be ready to learn.

Assessment Decisions

Data drives Chinook's academic decisions. Aided by the development and implementation of standards based teaching and learning, teachers use data from common formative and summative assessments to meet the needs of every learner. Instructional staff use normed and standardized

data to determine the needs and placement of each student within the appropriate groups. The data is examined at team meetings, including PLCs, to provide enrichment, intervention, and growth opportunities for each student. Instructional decisions are based on data. Student progress is recorded on a building data sheet maintained by the LAP/Title/ELL programs. The data used for student placement and instructional decisions are:

- Kindergarten: DIBELS, Early Reading Intervention (ERI), Read Well 1
- First Grade: DIBELS, Read Well (1, Plus, and 2)
- Second Grade: DIBELS, Read Well (1, Plus, and 2)
- Third, Fourth Fifth: DIBELS, Read Well, SBA, MAPS, and Common Formative and Summative Assessments such as the District Weekly Passages and Performance Tasks

When a student's academic need changes, instructional staff use our Group Movement Protocol to decide the best move for the student. This protocol includes having three data points from any of the above data sources that show a need for instructional change. The data is presented to the team and the team makes a collaborative decision about what changes should be put in place.

Data Analysis- DIBELS

DIBELS is a significant assessment tool utilized at Chinook Elementary. Our reflection is based on the grade level data over the course of the year because this will help us make decisions about instruction at each grade level. We also analyze cohorts to determine whether what we are doing in each grade level is helping kids be successful in future grades. One critical piece of data is whether the reading foundational skills taught in kindergarten and the beginning of first grade are helping our kids become strong readers by the middle of first grade and continuing through second grade. Another critical piece of data that we analyze is whether our 2nd graders are confident readers before they move to the 3rd grade where the rigor increases. The analysis of our DIBELS data proves our students are making statistically significant progress. This measure will continue to be a significant assessment, especially in our primary grades.

Chinook School Improvement Plan

Data Analysis- WELPA

Our number of ELL has greatly increased over the course of three years. With the increase in the number of ELL students who are part of our building, we have maintained similar percentages in each of the levels of proficiencies. In 2013-14, we had 10 ELL kids transition to a level 4. We notice that this happens for kids who have high reading levels at their grade level and are on the upper band of the assessment. The majority of our ELL students are at a level 3 proficiency. In 2013-14, 57% of our students were at a level 3. These level 3 students tend to be at grade level in reading or just a little below. In 2013-14, Chinook had 27% of kids remain at, or transition to, a level 2. These students are part of our ELL program and are also part of our Tier 3 in LAP and Title reading. 4 students remained at a level 1.

Strength: 67% of students either transitioned to a level 4 or are at an advanced proficiency in their English skills.

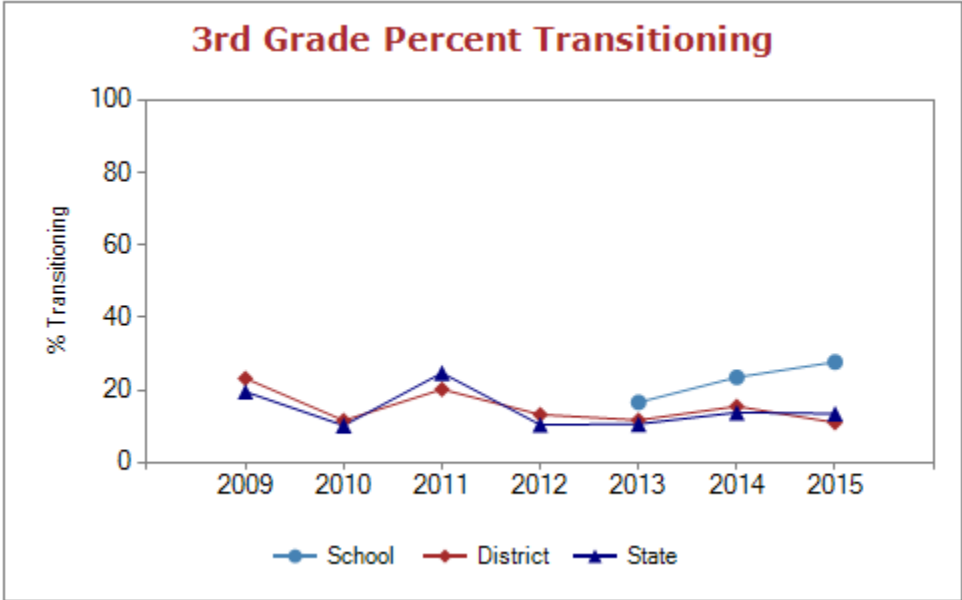

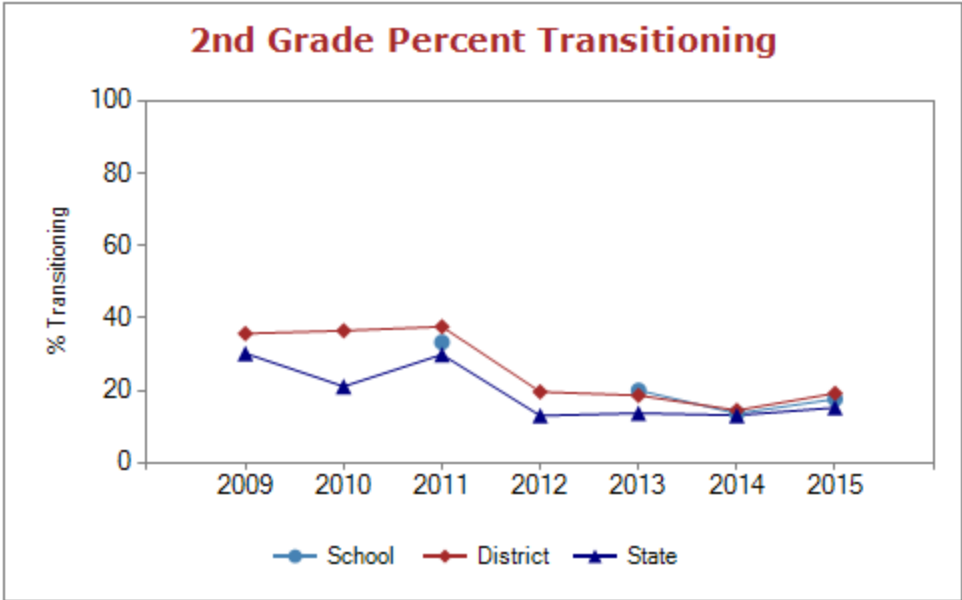

Challenge: Most of our students who start at level 3, remain at a level 3.

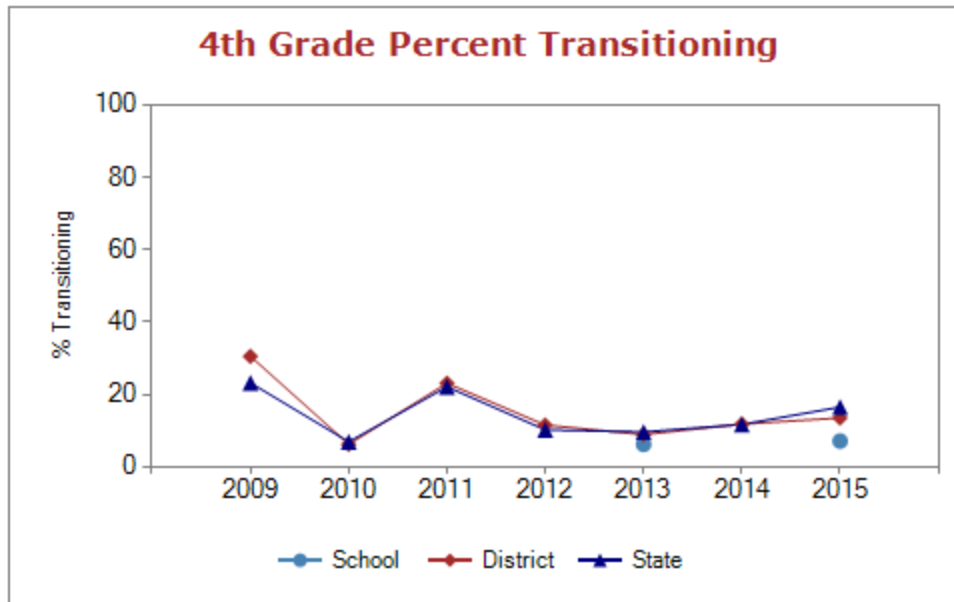

Challenge: The students' proficiency level is connected highly to their oral reading scores.

Data Analysis- CEE Perceptual Survey

When reviewing the CEE Perceptual data, it was clear that Chinook has many strengths. For instance, 97% of staff believe that they welcome new ideas and change. Additionally, 100% of staff said they would be willing to work at changing Chinook for the better. Knowing that Chinook staff embraces change and improvement, it was not surprising that we were intrigued by the areas that needed the most improvement. As a staff, we are always looking to improve and refine our practices. When we examined the 9 Characteristics of High-Performing Schools, one area that appeared to be ripe for improvement was Collaboration and Communication. With 69% of the staff believing Chinook often or almost always has effective communication and collaboration, that leaves 31% believing that our communication and collaboration is sometimes, seldom or almost never effective. This area was worth delving into more carefully. Examination revealed that three subsets of the area would be worth focusing on: willingness to address conflict, monitoring the implementation of our SIP and sharing new ideas and strategies with one another. Seeing the opportunity for improvement, we have created one of our Action Plan goals to be increasing the effectiveness of our Collaboration and Communication.

Strength: 100% of staff are willing to work at changing Chinook for the better.

Challenge: 69% of staff believe Chinook staff has effective communication and collaboration.

MSP/HSPE/SBA Reading

The staff at Chinook is committed to high achievement in reading for all students. This has been reflected the last three years in our DIBELS (K-2) and MSP (3-5) data. In the last three years, grades 3-5 have continued to show improvement on the MSP assessment. Third grade increased the number of kids meeting benchmark in reading from 61% to 80% in 2011-2014. This was a 19% gain. In 2014-2015, we began the SBA assessment and our third grade scores dropped to 45% meeting benchmark. Fourth grade maintained 85% at benchmark from 2011 to 2014. In 2014-2015, 47% met benchmark on the SBA. Fifth grade increased the number of kids meeting benchmark from 71% in 2011 to 79% in 2014. In 2014-2015, 59% of students met benchmark in reading on the SBA. As a school, we now are reflecting on what changes we need to make in instruction while also maintaining the pieces that made our students successful in reading for the past three years.

Strength: Up until 2014-2015 grades 3-5 made consistent gains in the number of kids meeting benchmark.

Challenge: Grades 3-5 all dropped significantly when SBA testing began in 2014-15.

MSP/EOC/SBA Math

The staff at Chinook is committed to high achievement in math for all students. From the 2012 to 2014 school years, Chinook staff has designed and delivered a direct-instruction, balanced program including: tight alignments to the standards, daily fact strategies and practice, 45 minutes focused on problem solving, consistent daily review, re-teaching, and differentiated instruction. Due to the increased focus on review, problem solving, and focused alignment to standards, each grade level 3-5 saw an increase in the number of kids meeting benchmark on the math MSP. 3rd grade saw a dramatic increase from 58% meeting benchmark to 82% meeting benchmark, which is a gain of 24% over the course of two years. In 2014-2015, we began giving the SBA and only 63% of our kids met benchmark in math. Fourth grade increased the percentage of kids meeting benchmark in math from 58% to 63% from 2012-2014. In 2014-15, 57% percent of the fourth graders met benchmark in math. This grade level had the smallest decrease in kids meeting benchmark in math when we started giving the SBA assessment. Between 2012 and 2014, 5th grade increased from 76% to 79%, which was a plateau in data for 5th grade level. However, the next year, 2014-15, 5th grade dropped dramatically to only 39% meeting benchmark on the SBA in math.

Strength: Third grade made gains of 24% in the course of two years from 2012-2014.

Strength: Fourth grade dropped only 6% when the SBA was given in 2014-15.

Challenge: Grades 3-5 all decreased the percentage of students meeting benchmark from 2013-14 to 2014-15 due to the change of the test.

Challenge: Only 39% of 5th graders in 2014-15 met standard on the math SBA.

Science MSP/EOC Science

Chinook had significant gains in science from 2011 to 2012. This increase was linked to the strength of reading of the students. In 2011, 42% of the 5th graders met benchmark on the science MSP. In 2012, 61% of 5th graders met benchmark. That was an increase of 19% over the course of a year. In 2014-15, only 27% of 5th graders met benchmark on the science MSP, which also connects to the low percentages in reading that same year. When the strands were scrutinized, the areas that showed the most need for improvement were inquiry and application.

Challenges:

Prioritized Challenges

Reading

At Chinook, our first priority is reading. We have a goal to have all of our kids reading at grade level by the end of the year. For the past six years, we have seen significant gains in reading. In 2014-15, we gave our first SBA assessment. The number of kids that were able to meet benchmark in reading dropped significantly in grades 3-5. We knew the rigor and depth of knowledge would be difficult for our kids. We now have the challenge to keep the research-based, explicit instruction that we know works in place while making instructional decisions that will help our students be successful in this new level of learning.

Math

During the 2012-13 school year, Chinook staff designed and delivered a direct-instruction, balanced program including: tight alignments to the standards, daily fact strategies and practice, consistent daily review and re-teaching, as well as differentiated instruction. From 2012-2014, the number of student meeting benchmark on MSP math increased. Third grade saw the greatest increase from 58% meeting benchmark to 82%. Both 4th and 5th grades also had increases. However, a new challenge came to Chinook in 2014-15 when the SBA assessment began. In all grades, we had a decrease in the number of students meeting benchmark, with our biggest drop in 5th grade going from 79% meeting benchmark in 2013-14 to only 39% meeting standard in 2014-15. Our new challenge that we face is to make a new instructional plan that contains all of the above pieces we put in place in 2012, but provides more rigor to create deeper thinkers when problem solving.

School Environment

The Chinook staff participated in a CEE survey. From that survey, we have noticed that communication and collaboration are one of our lowest areas. Currently, only 69% of staff members believe we have effective collaboration and communication. Our challenge is create a plan where all staff members in our building feel part of decision making, information is clear for all, and all staff understand instructional systems in the building.

Timeline for Planning Process

Vision:

Support Grade Level Collaboration

- More efficient classroom preparation
- Increase student engagement

Supports Staff During Core Instruction

- Differentiates classroom focus
- Supports Balanced Math/ E.L.A

Benefits:

- Consistency across grade levels
- Class Management/Engagement
- Differentiation
- Increased Repetition
- Ongoing portfolio
- SBA Transition

PERSONNEL--CERTIFICATED AND CLASSIFIED

1. Certificated and Classified Personnel Report

Attached is the personnel report, for certificated and classified personnel, for the board's approval.

Recommendation: That the board approve the attached report.

2. Requests for Travel

- a. Alan Spicciati, Auburn School District superintendent, requests permission to travel to Boston, Massachusetts, Friday to Monday, April 8-11, 2016. The purpose of the trip is to attend the NSBA (National School Board Association) Conference. Lodging will be at the Boston Park Plaza, meals will be at local restaurants, and travel will be by airplane. All trip expenses will be paid by district funds. No substitute will be needed.
- b. Jennifer Clouser, executive director of technology, requests permission to travel to Denver, Colorado, Friday to Thursday, June 24-30, 2016. The purpose of the trip is to attend the ISTE (International Society for Technology in Education) 2016 Conference and Expo. Lodging will be at the Magnolia hotel, meals will be at local restaurants, and travel will be by airplane. All trip expenses will be paid by district funds. No substitute will be needed.

Recommendation: That the above trips be approved as requested.

DIRECTORS

1. Approval of Minutes

The minutes of the regular meeting of Monday, November 23, and the special meeting of Tuesday, December 8, have been forwarded to the board.

Recommendation: That these minutes be approved.

2. First Reading of Revised Policies 3416–Medication at School; 5240–Evaluation of Staff; and 6114–Gifts and Living Memorials

The following revised policies are being submitted to the board for first reading: Policy 3416–Medication at School; Policy 5240–Evaluation of Staff; and Policy 6114–Gifts and Living Memorials. Debbie Leighton, assistant superintendent of human resources, will introduce Mike Weibel, director of human resources, who will present the revised policies and answer questions from the board. These policies have been reviewed by the committee of the board for policies.

Recommendation: That the above-mentioned revised policies be accepted for first reading with second reading and adoption scheduled for Monday, December 28.

3. Second Reading of Revised Policies

The following revised policies are being submitted to the board for second reading and adoption: Policy 3207–Prohibition of Harassment, Intimidation, and Bullying; Policy 3210–Nondiscrimination; and Policy 5010–Nondiscrimination and Affirmative Action. MEDICATION AT SCHOOL

~~Under normal circumstances, prescribed oral medication and oral over-the-counter medication should be dispensed before and/or after school hours under supervision of the parent or guardian. Oral medications are administered by mouth either by swallowing or inhaling including through a mask that covers the mouth or mouth and nose.~~

~~If a student must receive prescribed or non-prescribed oral medication from an authorized staff member, the parent must submit a written authorization accompanied by a written request from a licensed health professional prescribing within the scope of his or her prescriptive authority. If the medication will be administered for more than 15 consecutive days, the health professional must also provide written, current, and unexpired instructions for the administration of the medication.~~

Under normal circumstances prescribed and over-the-counter medication should be dispensed before and/or after school hours under supervision of the parent or guardian. If a student must receive prescribed or over-the-counter oral or topical medication, eye drops, ear drops or nasal spray (“medications”) from an authorized staff member, the parent must submit a written authorization accompanied by a written request from a licensed health professional prescribing within the scope of his or her prescriptive authority. If the medication will be administered for more than 15 consecutive days, the health professional must also provide written, current and unexpired instructions for the administration of the medication.

The superintendent shall establish procedures for:

- A. Training and supervision of staff members in the administration of prescribed or ~~non-prescribed~~ **over the counter (OTC)** ~~oral~~ medication to students by a physician or registered nurse;
- B. Designating staff members who may administer prescribed or ~~non-prescribed oral~~ **OTC** medication to students;
- C. Obtaining signed and dated parental and health professional request for the dispensing of prescribed or **OTC medications, including instructions from health professional if the medication is to be given for more than 15 days;**
- ~~D. Non-prescribed oral medications, including instructions from health professional if the medication is to be given for more than 15 days;~~
- D. Storing prescribed or non-prescribed OTC medication in a locked or limited access facility;**
and
- E. Maintaining records pertaining to the administration of prescribed or ~~non-prescribed oral~~ **OTC medication; and**
- F. Permitting, under limited circumstances, students to carry and self-administer medications necessary to their attendance at school.

~~No medication shall be administered by injection except when a student is susceptible to a predetermined, life-endangering situation. In such an instance, the parent shall submit a written and signed permission statement. Such an authorization shall be supported by signed and dated written orders accompanied by supporting directions from the licensed health professional. A staff member shall be trained prior to injecting a medication.~~

~~Medications administered by routes other than oral (ointments, drops, nasal inhalers, suppositories or non-emergency injections) may not be administered by school staff other than registered nurses or licensed practical nurses.~~

~~If the district decides to discontinue administering a student's medication, the superintendent or designee must provide notice to the student's parent or guardian orally and in writing prior to the discontinuance. There shall be a valid reason for the discontinuance that does not compromise the health of the student or violate legal protections for the disabled.~~

~~Written authorization for administration of medication to students will be for a specific period of time not to exceed one school year or the remainder of one school year.~~

~~All medication must be in the original container and properly labeled, including name of student, name of medication, dosage, and the name of the prescribing medical practitioner.~~

~~All medication to be given at school will be deposited in a locked location in the school office. The principal, secretary, nurse, or health aide will administer the medication in accordance with these written procedures.~~

~~The school nurse will monitor administrative practices and follow up at regular intervals to ensure administration is in compliance with Policy 3416. The nurse will be notified, in writing, of any student receiving medication at school. Such notification will include the name of the student and the parent(s) or guardian(s), name of the medication, dosage, name of the prescribing medical practitioner, and a statement regarding the reason for medication, visible side effects, and applicable emergency procedures.~~

Nasal inhalers, suppositories, and non-emergency injections may not be administered by school staff other than registered nurses and licensed piratical nurses. No medication will be administered by injection by school staff except when a student is susceptible to a predetermined, life-endangering situation [See Policy 3420, Anaphylaxis Prevention and Response]. In such an instance, the parent will submit a written and signed permission statement. Such an authorization will be supported by signed and dated written orders accompanied by supporting directions from the licensed health professional. A staff member will be trained prior to injecting a medication.

If the district decides to discontinue administering a student's medication, the superintendent or designee must provide notice to the student's parent or guardian orally and in writing prior to the discontinuance. There must be a valid reason for the discontinuance that does not compromise the health of the student or violate legal protections for the disabled.

Administration of legend (prescribed) drugs or controlled substances by nasal spray

If a school nurse is on the premises, he/she may administer a nasal spray containing a prescribed drug or controlled substance to a student. If a school nurse is not on school premises, a nasal spray containing a legend (prescribed) drug or controlled substance may be administered by: 1) a trained school employee, provided that person has received appropriate RN delegation and volunteered for the training pursuant to RCW 28A.210.260; or 2) a parent-designated adult.

A parent-designated adult is a volunteer, who may be a school district employee, who receives additional training from a healthcare professional or expert in epileptic seizure care selected by the parents who provides care for the student consistent with the student's individual health plan on file with the school.

Required Notification of EMS

After every administration of any legend (prescribed) drug or controlled substance by nasal spray to a student, Emergency Medical Services (911) will be summoned as soon as practicable.

EVALUATION OF STAFF (DRAFT 12-14-15)

A. Evaluation of Non-administrative Certificated Staff

Evaluation of the performance and/or accomplishments of individual staff members is an important process in improving the effectiveness and efficiency of the school district. Staff is expected to perform the duties identified in their job descriptions in addition to any additional responsibilities that may be assigned by their administrator.

The superintendent shall develop a system for evaluating staff. Such a system shall provide for supervisory assignments for staff evaluation; **align with state law regarding teacher observations and evaluations;** ~~observations~~; evaluation of new staff; criteria and related forms to be used for evaluating **non-classroom** teachers, educational staff associates, and classified staff; observation and evaluation procedures; and probationary action; and non-renewal procedures. All principals and administrators with staff evaluation responsibilities shall be appropriately trained and shall be expected to demonstrate the necessary skills to implement the staff evaluation plan of the district. The district may require the teacher to take inservice training provided by the district in the area of teaching skills needing improvement. The superintendent shall annually assess the quality of evaluation that exists in each administrative unit.

B. Evaluation of Administrative Staff

Each administrator shall be evaluated annually in order to provide guidance and direction to the administrator in the performance of his/ her assignment. Such evaluation shall be based on his/her job description, accomplishment of annual goals and performance objectives, and established evaluative criteria.

The superintendent shall develop procedures for these evaluations. Prior to the beginning of the school year, the superintendent shall inform the administrator of the criteria to be used for evaluation purposes, including the adopted goals for the district. **For principals and vice-principals, a comprehensive summative evaluation assesses eight state-defined evaluation criteria. All criteria contribute to the comprehensive summative evaluation performance rating. For all other administrative staff,** sSuch criteria shall include: performance statements dealing with leadership; administration and management; school financing; professional preparation; effort toward improvement; interest in students, staff, citizens and programs; and staff evaluation.

Both staff members involved in the evaluation conference shall sign the written report and retain a copy for their respective records. The person being evaluated shall have the right to submit and attach a written disclaimer to his/her evaluation following the conference.

C. Evaluation of Classified Staff

Criteria for evaluating classified staff shall be based upon the job description of the specific assignment.

PROHIBITION OF HARASSMENT, INTIMIDATION AND BULLYING (DRAFT 11-23-15)

The district is committed to a safe and civil educational environment for all students, employees, volunteers, and patrons, free from harassment, intimidation, or bullying. “Harassment, intimidation or bullying” means any intentionally written message or image, including those that are electronically transmitted; a verbal or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36.080(3), (race, color, religion, ancestry, national origin, gender, sexual orientation or mental or physical disability); or other distinguishing characteristics, when an act:

- Physically harms a student or damages the student’s property; or
- Has the effect of substantially interfering with a student’s education; or
- Is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation or bullying. “Other distinguishing characteristics” can include but are not limited to: physical appearance, clothing or other apparel, socioeconomic status, gender identity and marital status.

Intentional acts” refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s).

Behaviors/Expression

Harassment, intimidation, or bullying can take many forms including: slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral, physical, or electronically transmitted messages or images. ~~“Intentional acts” refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s).~~ This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom or program rules.

This policy is a component of the district’s responsibility to create and maintain a safe, civil, respectful, and inclusive learning community and is to be implemented in conjunction with comprehensive training of staff and volunteers, including the education of students in partnership with families and the community. This policy is to be implemented in conjunction with the *Comprehensive Safe Schools Plan* that includes prevention, intervention, crisis response, recovery and annual review. Employees, in particular, are expected to support the dignity and safety of all members of the school community.

Depending upon the frequency and severity of the conduct, intervention, counseling, correction, discipline and/or referral to law enforcement will be used to remediate the impact on the victim and the climate and change the behavior of the perpetrator. This includes appropriate intervention, restoration of a positive climate and support for victims and others impacted by the violation. False reports or retaliation for harassment, intimidation and bullying also constitute violations of this policy.

The superintendent is authorized to direct the development and implementation of procedures addressing the elements of this policy, consistent with the complaint and investigation components of procedure 6590, Sexual Harassment.

Students with Individual Education Plans or Section 504 Plans

If allegations are proven that a student with an Individual Education Plan (IEP) or Section 504 Plan has been the target of harassment, intimidation or bullying, the school will convene the student's IEP or Section 504 team to determine whether the incident had an impact on the student's ability to receive a free, appropriate public education (FAPE). The meeting should occur regardless of whether the harassment, intimidation or bullying incident was based on the student's disability. During the meeting, the team will evaluate issues such as the student's academic performance, behavioral issues, attendance, and participation in extracurricular activities. If a determination is made that the student is not receiving a FAPE as a result of the harassment, intimidation or bullying incident, the district will provide additional services and supports as deemed necessary, such as counseling, monitoring and/or reevaluation or revision of the student's IEP or Section 504 plan, to ensure the student receives a FAPE.

Retaliation/False Allegations

Retaliation is prohibited and will result in appropriate discipline. It is a violation of this policy to threaten or harm someone for reporting harassment, intimidation, or bullying.

It is also a violation of district policy to knowingly report false allegations of harassment, intimidation, and bullying. Students or employees will not be disciplined for making a report in good faith. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Compliance Officer

The superintendent will appoint a compliance officer as the primary district contact to receive copies of all formal and informal complaints and ensure policy implementation. The name and contact information for the compliance officer will be communicated throughout the district.

The superintendent is authorized to direct the implementation of procedures addressing the elements of this policy.

NONDISCRIMINATION AND AFFIRMATIVE ACTION (DRAFT 11-23-15)

Nondiscrimination

The district shall provide equal employment opportunity and treatment for all applicants and staff in recruitment, hiring, retention, assignment, transfer, promotion and training. Such equal employment opportunity shall be provided without discrimination with respect to age; gender; race; color; creed; religion; national origin (including language); sex; sexual orientation including gender expression or identity; honorably discharged veteran or military status; the presence of any sensory, mental, or physical disability; and the use of a trained dog guide or service animal.

The board shall designate a staff member to serve as affirmative action/Title IX compliance officer.

Affirmative Action

The district, as a recipient of public funds, is committed to undertake affirmative action which shall make effective equal employment opportunities for staff and applicants for employment. Such affirmative action shall include a review of programs, the setting of goals and the implementation of corrective employment procedures to increase the ratio of aged, disabled, ethnic minorities, women, and Vietnam veterans who are under-represented in the job classifications in relationship to the availability of such persons having requisite qualifications. Affirmative action plans may not include hiring or employment preferences based on gender or race, including color, ethnicity or national origin. Such affirmative action shall also include recruitment, selection, training, education and other programs.

The superintendent shall develop an affirmative action plan which specifies the personnel procedures to be followed by the staff of the district and shall ensure that no such procedures discriminate against any individual. Reasonable steps shall be taken to promote employment opportunities of those classes that are recognized as protected groups--aged, disabled, ethnic minorities and women and Vietnam veterans, although, under state law, racial minorities and women may not be treated preferentially in public employment.

This policy, as well as the affirmative action plan, regulations, and procedures developed according to it, shall be disseminated widely to staff in all classifications and to all interested patrons and organizations. Progress toward the goals established under this policy shall be reported annually to the board.

Employment of Persons with Disabilities

In order to fulfill its commitment of nondiscrimination to those with disabilities, the following conditions shall prevail:

- A. No qualified person with disabilities shall, solely by reason of a disability, be subjected to discrimination, and the district shall not limit, segregate, or classify any applicants for employment or any staff member in any way that adversely affects his/her opportunities or status because of a disability. This prohibition applies to all aspects of employment from recruitment to promotions and includes fringe benefits and other elements of compensation.

- B. The district shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or staff member with disabilities unless it is clear that an accommodation would impose an undue hardship on the operation of the district program. Such reasonable accommodations may include:
1. Making facilities used by staff readily accessible and usable by persons with disabilities; and
 2. Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions. In determining whether or not accommodation would impose an undue hardship on the district, factors to be considered include the nature and cost of the accommodation.
- C. The district shall not make use of any employment test or criteria that screens out persons with disabilities unless:
1. The test or criteria is clearly and specifically job related; and
 2. Alternative tests or criteria that do not screen out persons with disabilities are available.
- D. While the district may not make pre-employment inquiry as to whether an applicant has a disability or as to the nature and severity of any such disability, it may inquire into an applicant's ability to perform job-related functions.
- E. Any staff member who believes that there has been a violation of this policy or the law prohibiting discrimination because of a disability may initiate a grievance through the procedures for staff complaints.

Nondiscrimination for Military Service

The district will not discriminate against any person who is a member of, applies to be a member, or performs, has performed, applies to perform, or has an obligation to perform service in an uniformed service, on the basis of that participation in an uniformed service. This includes in initial employment, retention in employment, promotion, or any benefit of employment. The district will also not discriminate against any person who has participated in the enforcement of these rights under state or federal law.
