HIGHLIGHTS OF OUR SCHOOL

Alpac continues to grow and improve in supporting our students in pre-school through 5th grade.

Alpac was recognized as a 2016 Washington Achievement school for closing the achievement gap for our English Language Learners.

Alpac is in the 3rd year of our technology disbursement. By the end of the year we will have 1:1 student to Chromebook ratio for all students in grades 2 through 5. Teachers are working to implement technology in a variety of creative ways to support student learning.

COMMUNITY ENGAGEMENT

- Communities in Schools onsite coordinator who facilitates the Food to Go program and our homework club that is a mentor program through Auburn Riverside High School.
- Soccer for Success - Needs based after-school soccer program sponsored by Washington Youth Soccer Association.
- Partnership with both the Pacific and Algona Police Departments to support our Safety Patrol.
- Active PTA that raises funds to support our Accelerated Reading and RICH reading incentive programs. They also sponsor quarterly family nights.
- All parents and community members are invited to participate in school activities.

LAP PROGRAM

Alpac is a Learning Assistance Program (LAP) school. LAP programs serve eligible students who need academic support for reading, writing and math, or who need readiness skills to learn these core subjects. With special emphasis on reading literacy in grades K-4, schools use their state LAP funds to deliver supplemental services that give these students the strong start they need for academic success.

SCHOOL MISSION STATEMENT

To educate all students in a supportive and positive environment, so they reach their full potential. All adults are collaboratively working together using best practices to reach all levels of learners.
