

AUBURN MOUNTAINVIEW HIGH SCHOOL

PERFORMANCE REPORT 2017-18

PLANS FOR 2017-18

AMHS has recently introduced several initiatives to improve the overall experience for students and staff with Equity as our core value. AMHS will have monthly staff meetings focused on learning strategies to help ELL students and technology that increases student engagement. Our school motto is "Each Student, Each Staff by name and need". We are entering the second year of three in our school-wide Title 1 School Improvement Plan. This plan has three main areas related to literacy, math and increasing graduation rates. As a school, we will collect data on students' abilities to find main idea and key details, infer and compare/contrast with a larger focus this year on analyze/ evaluate. Attendance is another major goal for AMHS this year. Students need to be in school in order to be successful. The goal of AMHS is to bring together high academic expectation with opportunities for extracurricular activities.

HIGHLIGHTS OF OUR SCHOOL

This year we are continuing working with our College and Success Foundation specialist. This program will link College Bound Scholarship students with resources and mentorship to help assist with the transition from high school to college. We will partner with UW Dream Project to focus on supporting students and families in filling out the FAFSA, college applications and much more. Our College and Career Center will be able to assist students with college and career goals. In addition, we have a Professional Development Specialist who will be planning trainings with staff, offering instructional coaching for teachers and will support all of our new teachers through an orientation program. AMHS values rigorous academic studies for all students. We have 15 Advanced Placement classes with many students enrolled in one or more AP classes. We continue to support our students in their extracurricular activities as well. AMHS has The Lion's Den program, an intervention program for a cohort of 9th grade students. AMHS offers many choices for student clubs and organizations, including our widely popular Multicultural Club, which organizes the fall and spring Multicultural Fairs where students from more than 24 countries share their culture with the entire school through dance, food and music.

COMMUNITY ENGAGEMENT

At AMHS we will focus not only on the opportunity gap but also on the expectation gap. Through our parent and community engagement, we are dedicated to making the community feel connected to the school. To improve communication, we continue to use our A+ app (found in the app store). The app includes information about the calendar, Skyward and upcoming school events. Students and parents like the accessibility and the user-friendly layout of this application. In addition, AMHS has a building goal of formal Good News letters (20 per teacher). Teachers, administrators and counselors will be sending home a minimum of 500 hand written notes to students this year. We hope to continue improving our family engagement and communication with all families.

TITLE PROGRAM

Auburn Mountainview is a Schoolwide Title I school. This means all students at Auburn Mountainview are Title I students! Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students benefit from this unique status. As a Schoolwide Title I school, Auburn Mountainview is able to offer high quality instruction to ALL children. Auburn Mountainview students may receive extra support in reading, English language arts, science and math. We are working to improve student learning each year through partnership efforts between our staff, parents and students.

SCHOOL MISSION STATEMENT

In a mutually respectful and safe community, each student will:

- Achieve high standards of learning
- Demonstrate responsible citizenship
- Value lifelong learning
