

ILALKO ELEMENTARY SCHOOL

PERFORMANCE REPORT 2017-18

PLANS FOR 2017-18

Ilalko Elementary is in the second year of implementing the School Improvement Plan developed during the 2015-2016 school year. The plan focuses on research based strategies that support the demonstrated needs of students. The staff worked with outside consultants and educational professionals to develop comprehensive goals that seek to increase student understanding of academics with resulting increases in student achievement.

As part of Ilalko Elementary School becoming a No Excuses University School, the school will be developing exceptional systems that will serve as the foundation for our school's success. No Excuses University assists schools in simplifying the incredibly complex work that educators do on a daily basis. By focusing on creating and maintaining exceptional systems, we believe that we can lead ALL students to the outcomes that parents expect and students deserve. As part of this initiative, Ilalko staff has adopted a college for each classroom. You will notice the powerful symbolism of colleges and universities throughout the school. Students will participate in monthly conversations about colleges and universities.

HIGHLIGHTS OF OUR SCHOOL

At Ilalko, we inspire students to become lifelong learners and productive citizens by teaming together to meet their needs through our school motto: "Teaming together for our future." As unique as its name, Ilalko is located in a rural setting just south of the White River.

Named after a Native American village, the word "Ilalko" means "Striped Water." Ilalko opened in the fall of 1992 and now serves students from pre-school through grade five. The student population includes children from the city of Pacific and the southeastern section of Auburn. Once students complete their fifth grade year at Ilalko, they move up to Mt. Baker Middle School for sixth through eighth grade and go on to finish at Auburn Riverside High School for ninth through twelfth grade.

Ilalko Elementary is fortunate to have the opportunity to expand our services to students through the addition of two early childhood pre-school programs. In addition, due to consistent enrollment above 610 students, the school was able to add an additional section of kindergarten this year to lower class sizes.

COMMUNITY ENGAGEMENT

A strong force behind the success of Ilalko is the PTA. Members of the PTA and other volunteers can be found at Ilalko daily helping to coordinate events such as the R.I.C.H. Reading program, Fall Family Night, Spring Carnival and other family activities.

The Ilalko PTA is seeking additional members who are interested in providing support and leadership in current and future programs. PTA meetings are held on the 3rd Monday of each month at 6:00 in the Ilalko library. Please contact the school to be connected with the PTA leadership group or find them on Facebook.

All parents and community members are invited to participate in school activities.

LAP PROGRAM

Ilalko is a Learning Assistance Program (LAP) school. LAP programs serve eligible students who need academic support for reading, writing and math, or who need readiness skills to learn these core subjects. With special emphasis on reading literacy in grades K-4, schools use their state LAP funds to deliver supplemental services that give these students the strong start they need for academic success.

SCHOOL MISSION STATEMENT

At Ilalko, we inspire students to become lifelong learners and productive citizens by teaming together to meet their needs.
