PERFORMANCE REPORT 2017-18

PLANS FOR 2017-18

Pioneer Elementary is a wonderful place for learning. We are a school with a diverse economic and ethnic student population where staff are dedicated to customizing schedules, staffing, programs, instruction and budget to meet the unique individual academic, social and emotional needs of all students. The data based systems in place at Pioneer put reading and math first every day. Time at Pioneer is efficiently scheduled bell-to-bell in order to use every minute that we have with our students to increase their knowledge and help them reach their greatest potential as learners. Our dedication to student success is seen everywhere in the building, even in the artwork. At Pioneer you will see beautiful murals on the walls, doors, in the halls and throughout the courtyard inviting students to believe in themselves and let their imaginations soar.

Students come to school confident they will be well cared for and encouraged to do their best.

Community partnerships provide students opportunities for safe, healthy and active lifestyle choices.

Pioneer receives support through grants and organizations that offer a variety of contributions, such as a fully rubberized walking track, daily fruit or vegetable snacks, school supplies and shoes for students in need. The food bank and local churches donate to the Food-To-Go program.

All of our teachers, parents and community partners' work together to give our children every chance to succeed as they learn, grow and become society's future leaders.

All parents and community members are invited to participate in school activities.

Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students benefit from this unique status. As a School-wide Title I school, Pioneer is able to offer high quality instruction to ALL children. Pioneer's students may receive extra support in reading and math.
