## PERFORMANCE REPORT 2017-18

### PLANS FOR 2017-18

Washington Elementary is committed to the success of all students as they explore their tomorrows today. We continue our focus on the fundamentals of reading and math and students receive differentiated instruction based on their performance from formative and summative assessments. Walk to Read groups are leveled targeting phonic skills and reading fluency and accuracy. Students in all grade levels receive balanced math instruction including fact fluency, problem solving and student engaging instruction. Classroom technology is an integral part of each classroom and supports classroom instruction and individual learning needs.

### HIGHLIGHTS OF OUR SCHOOL

### COMMUNITY ENGAGEMENT

At Washington Elementary, community and family engagement is recognized as the driving factor of student academic and social success. We work in combination with a variety of community partners including Communities in Schools, Auburn Food Bank, Washington State Soccer: Soccer for Success, YMCA, Kiwanis and Lions Clubs, Auburn Parks and Recreation, Washington State Smile Partners, AAA of Washington, King County Solid Waste, King County Library and Auburn Youth and Family Services. Our most important partners are our families. This year we are rolling out a new volunteer opportunity called WATCH DOGS (Dads of Great Students). What a wonderful opportunity to be involved in the lives of all of our students.

All parents and community members are invited to participate in school activities.

### TITLE PROGRAM

Washington is a School-wide Title I school. This means that all students at Washington are Title I students! Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students benefit from this unique status. As a School-wide Title I school, Washington is able to offer high quality instruction to ALL children. Washington students may receive extra support in reading and math. We are working to improve student learning each year through partnership efforts between our staff, parents and students.
