NEW Charging Policy in School Kitchens

To help assure that students eat, students may be allowed to charge a meal (*the parent/guardian is responsible to pay for any meals served to their student*). A courtesy (emergency) lunch of a sandwich, milk, and fruit, is available to students who do not have money in their lunch account.

Carol is asking for help at the school level to get this information out to parents/guardians in more ways. Will you please add this announcement/notice to your school’s webpage and put it in a mailing that will be going out soon? It could go in a newsletters and/or accompany report cards, progress reports, etc.
