

2016-17 Emergency Information

Dear Parent/Guardian/Student:

As we enter the season of autumn, we need to begin thinking about winter and the possibility of inclement weather. We all need to be prepared in the event of challenging weather conditions. In addition to checking the district website, www.auburn.wednet.edu, arrangements have been made with the radio and TV stations listed below to broadcast information regarding the operation of school during snow/ice/emergency conditions. Broadcasts begin at 5:30 a.m. If the Auburn School District is **NOT** mentioned during the news broadcast, school will be open with buses operating on as normal a schedule as possible.

INTERNET: <http://flashalert.net/news.html?id=4203>

Most radio stations go through school announcements and updates every 15 minutes; the TV stations are every 30 minutes. Additionally, most television stations run a continuous banner across the bottom of the screen showing school schedule changes.

Should an emergency occur during the school day, students may or may not be sent home. Depending on the type of emergency, this decision will be made with input from the appropriate agency, i.e., police, fire.

The district will provide information regarding these decisions through the radio and TV emergency information system.

Home Emergency Plan

Each family should have a plan covering what to do when children arrive home early due to an emergency situation.

- What is the best route home if your student cannot be delivered to the normal bus stop?
- Where would they go if you are not at home?
- Who would care for him or her until you arrived?
- Is there someone your student could call to receive help?

The announcements the stations will use are as follows:

“CLOSED” or “SCHOOLS CLOSED”

This means that **NO** schools in the Auburn School District will be in session for that day **ONLY**. This also means there will be no **“Out-of-District”** transportation.

“LIMITED BUS TRANSPORTATION”

The list of roads not serviced and alternate stops are on the following page. Please note the alternate bus stop locations for roads not serviced.

If your regular bus stop is highlighted, that means your road will not be traveled and your student needs to go to the nearest alternate bus stop.

“ONE HOUR LATE”

Classes will begin one hour later than normal. Classes will dismiss at the normal time unless otherwise announced. When school begins one hour late, the following classes and/or programs will be affected:

- No AM preschool, no Head Start;

- No out-of-district transportation;
- Breakfasts and lunches will be served.

“TWO HOURS LATE”

Classes will dismiss at the normal time unless otherwise announced. When schools begin two hours late, the following classes and/or programs will be affected:

- No AM preschool, no Head Start;
- No out-of-district transportation;
- No breakfast, but lunches will be served.

PLEASE NOTE

Buses will start their routes on schedule, but road and traffic conditions may impede progress so the bus may become late as the morning continues.

Please do not call the transportation department for school closure information. You may call the following numbers for information:

(253) 931-4900, (253) 931-4901, (253) 931-4914, (253) 931-4915,
(253) 931-4917, (253) 931-4932 and (253) 931-4933

Thank you for your assistance in helping all of our students enjoy a safe trip to and from school.
