PLANS FOR 2015-16

Washington Elementary is committed to success of all students and continues its focus on the fundamentals of reading and math. Students receive differentiated instruction in Walk to Read and Walk to Math provide both enrichment opportunities and support for struggling students. This year we have added five Chromebook carts to enhance instruction and student engagement. This was made possible through Technology levy and we thank our community for your support.

HIGHLIGHTS OF OUR SCHOOL

- 2012 Reward School for “High Progress” scoring in the top 10% of Title I schools in both reading and math.
- Washington State Green School with emphasis on recycling.
- 21st Century Grant partnering with the YMCA to provide afterschool enrichment five days a week including a six-week summer school.
- Soccer for Success is a program that provides a free 10-week after school soccer program both in the fall and in the spring.
- A dynamic PTA organization which generously gives of their time and energy sponsoring assemblies, camp scholarships, playground equipment, family nights and our new reader board.

COMMUNITY ENGAGEMENT

Community Partners include:

Communities in Schools, Auburn Food Bank, Soccer for Success, YMCA, Kiwanis and Lions Clubs, Auburn Parks and Recreation, Washington State Smile Partners, Masonic Lodge, AAA of Washington, King County Solid Waste, King County Library and Auburn Youth Resources to name a few.

TITLE PROGRAM

Washington is a Schoolwide Title I school. This means that all students at Washington are Title I students! Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students benefit from this unique status. As a Schoolwide Title I school, Washington is able to offer high quality instruction to ALL children. Washington students may receive extra support in reading and math. We are working to improve student learning each year through partnership efforts between our staff, parents and students.
