

ILALKO ELEMENTARY SCHOOL

PERFORMANCE REPORT 2016-17

PLANS FOR 2016-17

Ilalko Elementary is implementing a new School Improvement Plan. The plan focuses on research based strategies that support of the demonstrated needs of the students. The staff has worked with consultants and educational professionals to develop comprehensive goals that seek to increase student understanding of academics and resulting assessment achievement.

The staff are committed to working together to best meet the needs of students. To this end, they have planned professional development and professional learning community time to focus on data that will help to inform instruction. The school and district have invested in resources to assist teachers and students in their efforts to reach academic potential.

Students in all grade levels will increase the opportunity to work with technology on a regular basis. Kindergarten and 1st grade students use tablets and 2nd-5th grade students are using Chromebooks.

HIGHLIGHTS OF OUR SCHOOL

At Ilalko, we inspire students to become lifelong learners and productive citizens by teaming together to meet their needs through our school motto: "Teaming together for our future."

As unique as its name, Ilalko is located in a rural setting just south of the White River. Named after a Native American village, the word "Ilalko" means "Striped Water." Ilalko opened in the fall of 1992 and serves students from kindergarten through grade five. The student population includes children from the city of Pacific and the southeastern section of Auburn. Once students complete their fifth grade year at Ilalko, they move up to Mt. Baker Middle School for sixth through eighth grade and go on to finish at Auburn Riverside High School for ninth through twelfth grade.

Ilalko Elementary is very fortunate to have the opportunity to work with two new professionals this year, Mr. Travis Goodlett, a Behavior Intervention Specialist, and Mr. Jim House, our Assistant Principal. Both gentlemen come with significant, meaningful experiences that will benefit our students, teacher, families, and community.

COMMUNITY ENGAGEMENT

A strong force behind the success of Ilalko is the PTA. Members of the PTA and other volunteers can be found at Ilalko daily helping to coordinate events such as the R.I.C.H. Reading program, Fall Family Night, Spring Carnival and other family activities. New this winter will be an evening that provides parents with a night out while children watch a movie and enjoy dinner at the school.

The Ilalko PTA is seeking additional members who are interested in providing support and leadership in current and future programs. Please contact the school to be connected with the PTA leadership group or find them on Facebook.

LAP PROGRAM

Ilalko is a Learning Assistance Program (LAP) school. LAP programs serve eligible students who need academic support for reading, writing and math, or who need readiness skills to learn these core subjects. With special emphasis on reading literacy in grades K-4, schools use their state LAP funds to deliver supplemental services that give these students the strong start they need for academic success.

SCHOOL MISSION STATEMENT

At Ilalko, we inspire students to become lifelong learners and productive citizens by teaming together to meet their needs.
