

MT. BAKER MIDDLE SCHOOL

PERFORMANCE REPORT 2016-17

PLANS FOR 2016-17

We are working hard this year to review and revise our School Improvement Plan in order to make sure we are meeting the needs of all our students. We have seen great gains in the academic success of our students. They continue to outperform the overall stat percentage in most areas! We are proud of our student's success and will continue to work hard to implement our plan and programs and keep their learning at the highest level.

We continue to rollout more Chromebooks (mini laptops) each year as we get closer and closer reaching our goal of a one-to-one technology integration within our building. These amazing tools are providing amazing access to information and instant assessment results to our students and staff.

HIGHLIGHTS OF OUR SCHOOL

The Mt. Baker staff feels that a quality school gives recognition to students' successes and communicates actively with parents. The staff has worked hard to build programs that achieve both of these goals.

Student Recognition:

"PRIDE" Recognition Assemblies:

Students are selected quarterly by their teachers to receive awards for outstanding citizenship, academic progress and achievement.

Parent Communication:

Listed below are some of the programs at Mt. Baker to ensure excellent levels of communication between parents and the school. Every effort is made to ensure these messages are being sent in the home language of the student and their family:

School Messenger:

Automated phone call system that allows parents to know of upcoming school-wide events and their student's attendance.

Staff/School Websites

Family Access:

Parents can access their student's attendance and daily record of homework, tests, quizzes and projects.

Principal's Weekly E-mail:

Parents receive a weekly e-mail newsletter from the principal with information about our school, upcoming events and important information.

Principal Brown Facebook Page:

Parents/students are encouraged to "friend" Principal Brown on Facebook to get updates, information, celebrations and as another way to communicate with the school.

As a Schoolwide Title I school, Mt. Baker is able to offer high quality instruction to ALL children. Mt. Baker students may receive extra support in reading and math. We are working to improve student learning each year through partnership efforts between our staff, parents and students.
