Renaj lelok kojela ko nan ri-kattor an baj eo nen kemelim juon ijolokin ro ilo lajraak eo nan kurlok ir ilo idrin nan boke ajri eo. The note must include the name of the student, the name of the person authorized to receive the student, the time frame of this person's authorization and be signed and dated by a parent/guardian. In an abundance of caution drivers may ask for verification of identification, please make sure that person brings photo identification with them when picking up the student.

Auburn School District does not have designated kindergarten only busing. Kindergarten students are transported to and from school on buses that include K-5 grade levels. Kindergarteners that live in the walk area are not provided bussing.

Kindergarten students who have been routed to a bus are provided a bus tag that is issued by the school. Please ensure that this tag is always attached to your student's backpack. If your student does not have a tag or has lost their tag, please contact your student's school so they can replace it.

All Auburn School District students are required to be at the bus stop five minutes prior to their pickup time and parents meeting the bus should arrive at least five minutes prior to the drop off time. During the first few weeks of school, please plan on potential buses delays due to route adjustments and to allow our drivers the time needed to instruct students how to properly ride the school bus.

If you have any questions about your student's transportation, please feel free to reach out our office at 253.931.4938 and your child's router would be happy to assist you.

Together, we'll make Kindergarten a great experience for your student.
