A Program of WithInReach

[www.ParentHelp123.org](http://www.ParentHelp123.org)

*A website to connect your family to state-sponsored health insurance, food programs and resources in your community*

**It's as easy as 1 2 3**

### 1 Screen Your Family

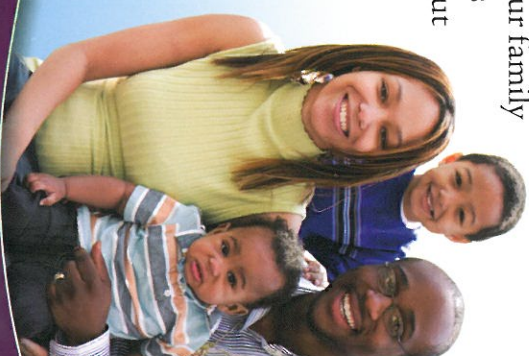

For state-sponsored programs-WIC, Basic Food (Food Stamps), Working Connections Child Care, the birth control program Take Charge, free and low-cost health insurance for children, pregnant women and adults

### 2 Apply Online

Choose programs for your family and send in applications online. It only takes about 15 minutes

### 3 Find Local Services

Search by zip code for food banks, low-cost medical clinics, pregnancy resources and more
